## **Love Hannah A Novel:**

Love, Hannah Melinda Jennings, 1989      Novel Approaches to Lesbian History Linda Garber, 2022-01-01 Novel Approaches to Lesbian History tells a tale about history and community in our allegedly post identity era examining contemporary novels that depict lesbian characters in recognizable historical situations These imaginative stories provide a politically vital speculative past in the face of a sketchy problematic archive Among the memorable characters in some 200 novels are pirates cowgirls and famous artists ghosts and time travellers immigrants and lovers The best lesbian historical novels are conscientious and buoyant as they engage critical historiographical questions but Novel Approaches also discusses the class and race biases that weigh on the genre Some lesbian historical novels are based on archival evidence others on conjecture or fantasy but all convey the true fact that identity is elusive without a past without which its future is nearly impossible      **Hannah's Journey** Anna Schmidt, 2011-05-01 What could bring an Amish widow and a wealthy circus owner together Though Hannah Goodloe knew she'd violated countless unwritten laws she had to visit the only man who could help find her runaway son But when the enigmatic Levi Harmon agreed to take her on his train the results were utterly unpredictable Levi never expected to find the embodiment of all he wanted in a woman in the soft spoken plainly dressed Hannah And for Hannah to love an outsider was to be shunned The simple pleasures of family faith and place to belong seemed an impossible dream Unless Levi unlocked his past and opened his heart to God's plan      The Things We Do for Love Kristin Hannah, 2009-01-21 NATIONAL BESTSELLER Kristin Hannah is superb at delving into her main characters psyches and delineating nuances of feeling The Washington Post Book World From the 1 New York Times bestselling author of The Women comes a poignant evocative story that celebrates the magic of motherhood the joys of coming home and the price we so willingly pay for love Years of trying unsuccessfully to conceive a child have broken more than Angie DeSaria's heart Following a painful divorce she moves back to her small Pacific Northwest hometown and takes over management of her family's restaurant In West End where life rises and falls like the tides Angie's fortunes will drastically change yet again when she meets and befriends a troubled young woman Angie hires Lauren Ribido because she sees something special in the seventeen year old They quickly form a deep bond and when Lauren is abandoned by her mother Angie offers the girl a place to stay But nothing could have prepared Angie for the far reaching repercussions of this act of kindness Together these two women one who longs for a child and the other who longs for a mother's love will be tested in ways that neither could have imagined Enormously entertaining Hannah has a nice ear for dialogue and a knack for getting the reader inside the characters heads The Seattle Times      *Love from Your Friend, Hannah* Mindy Warshaw Skolsky, 1998 From her home in back of the Grand View Restaurant in rural New York Hannah writes letters to her best friend a pen pal and even to President and Mrs Roosevelt      **Hannah's Choice (Journey to Pleasant Prairie Book #1)** Jan Drexler, 2016-01-12 Hannah Yoder loves her quiet life on the banks of the Conestoga Creek In 1842 this corner of Lancaster County is settled and

peaceful yet problems lurk beneath the placid facade Hannah's father worries about the spread of liberal ideas from their Mennonite and Brethren neighbors And Hannah blames herself for a tragedy that struck their home nine years ago She strives to be the one person who can bind the threads of her family together in spite of her mother's ongoing depression and her sister's rejection of their family But her world is threatening to unravel When two young men seek her hand in marriage one offering the home she craves and the other promising the adventure of following God's call west Hannah must make a choice Faithfully perform her duties to her family Or defy her father and abandon her community With a tender hand Jan Drexler teases out the threads of a romance that will captivate readers in this brand new Amish historical series      **Love from Your Friend, Hannah** Mindy Warshaw Skolsky, 1999-09 From her home in back of the Grand View Restaurant in rural New York Hannah writes letters to her best friend a pen pal and even to President and Mrs Roosevelt A Parenting magazine Book of the Year      *When Love Calls (Book #1)* Lorna Seilstad, 2013-05-01 Hannah Gregory is good at many things but that list doesn't include following rules So when she is forced to apply for a job as a telephone switchboard operator to support her two sisters she knows it won't be easy Hello Girls must conduct themselves according to strict and often bewildering rules No talking to the other girls No chatting with callers No blowing your nose without first raising your hand And absolutely no consorting with gentlemen while in training Meanwhile young lawyer Lincoln Cole finds himself in the unfortunate position of having to enforce the bank's eviction of the three Gregory girls from their parents' home He tries to soften the blow by supporting them in small ways as they settle into another home But fiery Hannah refuses his overtures and insists on paying back every cent of his charity When one of Hannah's friends finds himself on the wrong side of a jail cell Hannah is forced to look to Lincoln for help Will it be her chance to return to her dreams of studying law And could she be falling in love With historic details that bring to life the exciting first decade of the twentieth century Lorna Seilstad weaves a charming tale of camaraderie and companionship that blossoms into love Readers will get lost in this sweet romance and will eagerly look forward to championing each sister's dreams      **Time's Fool** A.
