Love Has a Name Adam Weber, 2020-08-25 Discover the joy of stepping out and intentionally loving the people around you. Love has a name, and that name isn't Mark or Adam or even yours. That name is Jesus, and when we make love about him, everything else falls into place. Struggling to love? Pick up this book. Mark Batterson, New York Times bestselling author of *The Circle Maker* and lead pastor of National Community Church. Who does Jesus love? The stranger who looks strange. The driver who cuts us off in traffic. The person online who thinks differently than we do. Loving people is hard. Especially when it involves the difficult people in our lives and those different from us. We say we love others, but really, we don't. Instead of loving, we hurt, belittle, and overlook people. Which is precisely why we need to learn how to love from Jesus and from one another. Adam Weber knows firsthand how important it is to learn to love. And he's learned incredible lessons from incredible people, some of them quite unexpected. With hope, humor, stretched comfort zones, biblical truth, and maybe a few tears, *Love Has a Name* looks at the most powerful of these stories, showing us twenty-seven people and one school who have taught Adam how to love like Jesus. One name at a time.

Love Has a Name S. Ann Cole, Headstrong, dominant, and stubborn as hell. Axia Blacksville is the queen of her own universe. She calls the shots, sets the rules, then breaks them if she feels like it. There's nothing she wants that she can't have. Nothing she craves that she won't get a taste of. And she neither wants nor craves tech billionaire Lovello Nelson. Because if there's one thing she hates, it's pretty boys. But the cocky, illegally handsome womanizer who has Love as a name is determined to get the saucy, stubborn, dark-haired femme fatale beneath him and under control. And he won't stop until she's his mind, body, and soul. In a fierce war of hearts, someone has to give in. Submit. This is bound to end in disaster. A beautiful disaster.

The Way of Love Livio Melina, Carl Anderson, 2010-09-17 In response to Benedict XVI's first encyclical, the Pontifical John Paul II Institute for Studies and Marriage and Family reflects together with the Holy Father on love. From the very beginning, the fundamental work of the Institute has been pursuing a deeper understanding of God's plan for marriage and family. In these twenty-five years, various generations of students and professors following the legacy of John Paul II have been able to discover and communicate the beauty of the vocation for which all men have been created: the call to love. Twenty-six professors from the Institute's various sessions express what, in their understanding, are the main themes of the document, approaching the topics raised by the Holy Father with different theological and philosophical perspectives. By so doing, they have highlighted the significance and fecundity of the lines of thought suggested by the Pope. This book is offered as a path towards a fuller understanding of the profundity and richness of the love with which God fills us and wants us to communicate in our turn.
