Love Letters from the Depression Harold Byler, 2001-07-01 **Love Letters from the Depression** H. C.

Byler, 2001-07 Passions and secrets lie panting and torrid beneath the placid surface of the lives of the genteel women and men of Amelia Island The island's own charms have seduced me to lay claim to this place Fernandina Florida as my own The Golden Years after the Civil War brought completion of the railroad and affluence with the influx of carpetbaggers from the North Beauty arrived as well in the form of Katie Eppes newly wed to one of our town's most dashing young conductors of the Florida Peninsular Railroad T J Jeff Eppes great great grandson of President Thomas Jefferson Katie's zest for life and disregard of acceptable social etiquette start tongues wagging and lead Jeff on a husband's less than ideal start to married bliss Her determination to have things her way culminates in the worst of tragedies So my story begins *If You Find This Letter* Hannah Brencher, 2016-04-19 A memoir of love and faith from Hannah Brencher who has dedicated her life to showing total strangers that they are not alone in the world Fresh out of college Hannah Brencher moved to New York expecting her life to look like a scene from Sex and the City Instead she found a city full of people who knew where they were going and what they were doing Lonely and depressed she noticed a woman who looked like she felt the same way on the subway Hannah did something strange she wrote the woman a letter She folded it scribbled If you find this letter it's for you on the front and left it behind When she realized that it made her feel better she started writing and leaving love notes all over the city eventually sending 400 handwritten letters as a result of an Internet post and starting the website The World Needs More Love Letters **Everyday Love Letter** DaChana Blaydes, 2020-01-21 Everyday Love Letter 365 Days of Love Letters is a collection of love letters written by DaChana Blaydes in 2019 DaChana walks the reader through what led her to depression and how she used writing to cope with her mental illness She wrote love letters to spread love and positivity for 365 consecutive days Each letter was folded and placed in a random area for anyone to find The love letters spoke about love peace self love pain sadness manifesting beauty positivity and so much more The book encourages the reader to spread love and positivity to those they know and may not know Syme's Letter Writer Rachel Syme, 2025-01-28 A literary jaunt in praise of the lost art of letter writing that explores a cultural history and the undeniable thrill of old school correspondence from journalist and cultural critic Rachel Syme Inspired by a famed correspondence handbook penned by a persnickety Victorian who had strong opinions on how to lick a stamp cultural critic Rachel Syme has rewritten the staid letter writing rules of yore for the letter writers of today Syme insists you must stuff your envelopes with flat frivolities and includes guides for how to press flowers and make a matchbook mark teaches you how to perfume a parcel and encourages you to cultivate your own ritual around keeping up with your correspondence Even if you have never sent a handwritten letter before this book will make you want to begin and will show you just how to get started Immerse yourself in this epistolary bric a brac celebrating the intimate whimsical expressive art of written correspondence covering every part of the process from courting

Song: Memoir of an ER Physician Craig Dean, MD, 2014-05-12 Thirty years in the making one hundred thousand patients later the hundred numinous patients I will forever treasure It has been said that memoirs are the narratives of our life and as such become the manner and method of how we make sense out of our life s journey Indeed I could not imagine my life without my career in the ER since without it I would truly feel like a naked wizened skeleton devoid of skin flesh or viscera The ER experience was the alchemist s stone that touched my ordinary life and in so many ways made it exquisitely gilded Many were the patients that stirred the invisible fabric of my soul and made the ordinary universe seem so much more expansive and unequalled The magnificence of the ER flows from the commanding variety of patients not unlike the arresting diversity of flora in the plant kingdom renders a regal awe upon the eyes and souls of the beholder Queer Opera Andrew Sutherland, 2023-03-27 In *Queer Opera* Andrew Sutherland argues that operas often reflect characteristics of the society and epistime in which they are written but that they also do much more than that operas have agency LGBTQ social cultural and political issues have become an increasingly defining feature of twenty first century life and as agency for change composers have turned to opera to underscore the lived queer experience Sutherland posits that operas written before the sexual revolution of the mid twentieth century utilized a codified language both in the libretto and score communicating with those observers open to a queer reading He explores the growing trend of local small scale independent opera companies seen around the world towards the end of the first decade of the twenty first century and argues that this has emboldened queer artists to reclaim opera as a queer space He further argues that for several centuries opera houses have been safe havens for queer composers librettists performers and designers and yet it is only relatively recently that any serious attempt at queer representation in operatic works has begun to be realized In this book he examines narratives and music of selected operas to walk through queer history in Western societies and shines a light on how many of opera s well known characters based on historical figures who represent pivotal moments in the queer story are responsible in a variety of ways for the continued struggle for queer acceptance Letters on the Practice of Abandonment to Divine Providence S.J. de Caussade, 2015-08-24 Jean Pierre de Caussade of the Society of Jesus in France was one of the most remarkable spiritual writers in the 18th Century His works have gone through many editions and have been republished and translated into several foreign languages First Book On the Esteem for and Love of This Virtue Second Book On the Exercise of the Virtue of Abandonment Third Book On the Obstacles to Abandonment Fourth Book The First Trials of Souls Called to the State of Abandonment Aridities Weaknesses and Weariness Fifth Book Fresh Trials Sufferings and Privations Sixth Book On the Continuation of Trials and Fear of the Anger Of God Seventh Book The Last Trials Agony and Mystical Death The Fruit Thereof **Cruise the World for \$50 a Day** H. C. Byler Jr., 2008-06 In this *Thirty Days of Focus Prayer* Apostle R Joshua Mitchell carefully unfolds key passages from the Bible demonstrating how to be a prayer asking Christ Jesus to teach us to pray understanding that men must always pray and not faint The apostolic prayer strategies found in this book will draw the reader more into

becoming a prayer and not just praying when things happen or when you want something from the Lord You will be a prayer meeting The time has come when all Christians must realize the power of prayer knowing the way Jesus prayed which was authoritative powerful prayers that Heaven heard and always responded to and these prayers removed the power of darkness wherever it existed Reckoning with Restorative Justice Leanne Trapedo Sims,2023-09-18 In Reckoning with Restorative Justice Leanne Trapedo Sims explores the experiences of women who are incarcerated at the Women s Community Correctional Center the only women s prison in the state of Hawai i Adopting a decolonial and pro abolitionist lens she focuses particularly on women s participation in the Kailua Prison Writing Project and its accompanying Prison Monologues program Trapedo Sims argues that while the writing project served as a vital resource for the inside women it also remained deeply embedded within carceral logics at the institutional state and federal levels She foregrounds different aspects of these programs such as the classroom spaces and the dynamics that emerged between performers and audiences in the Prison Monologues Blending ethnography literary studies psychological analysis and criminal justice critique Trapedo Sims centers the often overlooked stories of incarcerated Native Hawaiian and Pacific Islander women in Hawai i in ways that resound with the broader American narrative the disproportionate incarceration of people of color in the prison industrial complex
