Moore,2023-01-20 About the Book Failure to remember our past mistakes may lead us to repeat them as history repeats itself over time Resilience attempts to

capture today's most striking events and contrast them with historical events that may not have been recorded in our history books. By recounting challenges of history and of her own past, author Sylvia R Moore hopes to inspire her immediate circle of loved ones in years to come. *Resilience* is the second in a series of planned novels to be created around personal testimonies, reflections, and the author's life experiences as well as the lives characterized in the original *Grandma's Bones* novel. A firm believer in God, the author also includes faith-based and inspirational insights for encouragement throughout the novel. About the Author: Sylvia R Moore is a certified artist and enjoys writing as a professional hobby. She earned a diploma of completion in the Fundamentals of Art curriculum from the Art Instruction School of Minneapolis, Minnesota. Sylvia is also a graduate with honors and a Degree in Business Administration from Strayer University. Within her immediate family of siblings, Sylvia is the first ever published author. She is also a small business owner and president of her own company, The Carmen N White Self Help and Empowerment Organization LLC. After thirty-two years with USAID, Sylvia retired from Federal service in 2013 and began work on the *Grandma's Bones* series. In retirement, her primary focus has been her family. Losing so many of her close relationships in recent years has given Sylvia an inward posture as Sylvia celebrates life with her beloved immediate circle of family, including her daughter, granddaughters, and grandsons; her great granddaughter, siblings, sisters, daughters, and sons-in-law, as well as a host of stepsons, stepdaughters, and other extended family members and friends who are described in the book.

Triumphant Love Audrey Syse Fahlberg, 2014-05-22. My true story of a marriage that lasted seventy-three years and of our family during WWII train travel to Texas and the obstacles encountered while there. Abilene near Camp Berkeley became our home and Austin near Camp Swift before our soldier left for war in Italy with the Tenth Mountain Division as a frontline combat medic. His letters home from Italy, family love, and reverence gave us hope. War is a paradox of love and hate, birth and death, light and darkness, and in all things, prayer and the grace of God. War is hell, a human mistake. There may be something here a good learner would not want to miss. Hope for the human condition. War does not determine who is right, only who is left. Bertrand Russell. Audrey Syse Fahlberg.

A Grandma's Letters to God Ruth Youngdahl Nelson, 1983. **The Granny Nanny** Lois Young-Tulin, 2005-05-31. Think about it. In order to be grandmothers, we once had to be mothers. After giving birth, we as the mothers were responsible for our baby's child's well-being. As grandmothers, on the other hand, we have choices. Our roles are open for interpretation and conscious choices. When I became a grandmother, and even when my daughters-in-law were pregnant, I made a conscious decision to be an involved grandmother, one of the caretakers or a Granny Nanny. I was sure that helping out and taking care of a baby would be easy, like getting back on a bicycle after a twenty-year lapse. Oh, how wrong I was. There are new rules, new products, new findings, and plenty of taboos. How did my three children ever survive their hazardous childhoods? Parenting rules have gone through some serious revisions since author Lois Young Tulin raised her kids. In her helpful guide, *The Granny Nanny*, Young Tulin offers a unique opportunity for today's grandmas to hone their skills and learn the twenty principles for successful

Ellis, PhD,2014-05 This is my Mom s journal the daily life of a single teenage mother Her experience with me as an infant was so much fun My Mom soon learned that it wouldn t be easy caring for a baby all day every day Day one began the journey when she introduced me to her friends and family She fixed my curly brown hair up in a bow and put a newborn diaper on me Mom didn t know there were so many styles of diapers to choose from in the store It was mind boggling My

mom said I had the cutest little ears she had ever seen I was very heavy for mom to carry me everywhere all over school including her books The only time when she needed a babysitter was when she had football games and class so basically I was with the babysitter all day I saw right then that day care would be a necessity I hired my parents my granddad and my friends to baby sit Whenever I and the other went to practice we created a meeting place in the classroom If Abigail were in need care services I would pay around 90 a week just for her to go to day care and that doesn't include any extra food or diapers I would need to send I also couldn't imagine having to wake up every two hours all night long to feed change diapers and rock Abigail back to sleep Then again I know I would really love my baby so I would take care of her the proper way Before Abigail was born I know I was going to name her Abigail If one day I have a boy I am going to name him Colton Hopefully whomever I marry will think the same I have decided I only want a few children about three but I definitely do not want to be a pregnant mom in college taking care of more children when I am only a kid myself I know I would have to focus on my schoolwork instead of taking care of a baby I gave Abigail a certain time to play and then it was nap time for my little baby She needed her rest for the next day because we would have to go to school then day care all over again **Super Granny** Sally Wendkos Olds,2009 And there's something for even the most computer savvy kid along with more traditional forms of entertainment including treasure hunts dress up and crafts Many of the ideas encourage reading and writing but always with fun in mind such as creating a blog or a family cookbook Handy icons help Grandma pinpoint those projects that suit her pocketbook energy level and interests there's even one for long distance grandmothers seeking to connect with their grandkids
