Akers,2014-03-18 There are many devotional books available containing brief daily inspirations that benefit all who read them This book is different in two respects The first is obvious it contains two readings per day 732 in all The second more important difference is that the author wanted to do more than offer inspiration this would make this book no different than so many others The messages in the book are study sketches in that the content is not only inspirational but also educational challenging and encouraging Most of these writings were based on author Michael J Akers s teaching of adult Bible studies for more than thirty years and learning what really brought adults to want to deepen their knowledge and application of the Word of God *American Book Publishing Record* ,2001 *The Pain We Feel Today Will Be Our Strength Tomorrow* Peter Cole,2022-06-15 We live in volatile times It can be easy to get swept along with the latest tsunami to hit your life and hard to hold on to what we need to This book focuses on how you can recognise the signs that trouble might be heading your way and help you to work out strategies and coping mechanisms so that when you hit challenging times you are prepared to deal with them and come out the other side stronger than ever This book looks at work and our private lives and how you can pick yourself up and survive events that would otherwise have the power to derail you It will show you how to make plans to recognise people that you do not need in your life as well as people that you do An uplifting book that will teach you a lot about surviving in the 21st century *Now Is The Time* Angus Buchan,2014-08-15 Here are readings for the full calendar year with a Scripture passage for each day a meditation and a prayer Angus Buchan gave his life to Jesus on 18th February 1979 Shortly afterwards a friend commented that there was something different in him the old anger and aggression had been replaced by joy and peace The following day walking through the fields his friend gave his life to his new found Saviour He was the first person I had ever led to Jesus Christ recalls Angus I was an ambassador of Jesus Christ I was new at it but He gave me the words to say All I had to do was to be obedient and share with my friend The Holy Spirit did the rest Over the years Angus has striven hard to become an effective ambassador for his Lord A popular speaker and author he has addressed hundreds of thousands at rallies and counselled people one by one helping them to find faith and grow in spiritual stature The core of his ministry has been his daily time alone with Jesus usually in the very early morning before the demands of the day push through his door In this collection of daily devotions Angus shares the insights and convictions that have come to him as he has spent time with his Lord It will help you to live a victorious Christian life in the power of the Holy Spirit Daily Reflections and Meditations Michael J. Burden is an inspirational and informative book that goes into great detail about what people experience every day. We live in a world that is full of both heavenly divineness and demonic corruption. There are so many people today who are lost, confused, and unfulfilled with their lives. Billions of people are not utilizing their true potential talents and gifts out of fear and worry. The choices you make are the life you create. This is one of the main reasons why I made a commitment to write this book. Be A Blessing Not A Burden presents mature in-depth knowledge and wisdom about the various intricacies of life today. This book also entails the different life perspectives of both men and women. Regardless of how you or anyone else's upbringing was, you ultimately decide how you want to live your life. With all of the various changes and advances the 21st century has brought, it has also strained the interactions and relationships between men and women greater than any previous century has ever before. People tend to easily take others for granted based on entitlement, immaturity, insecurity, and selfishness. Being closed off to people that are different from you can be quite detrimental to your future. Will you make better choices regarding your life today? I encourage you to be a blessing, not a burden. Utilize your unique abilities and potential capabilities to discover what you are able to accomplish. Challenge preconceived notions what you have been conditioned to accept as the truth and the various norms and values of our current society. Even if you have a little desire to improve your life and leave mediocrity behind, you have the potential to change your life for the better. Make improvements in your life by renewing your mind, being open to better possibilities, and making greater significant impacts on the lives of others. Embark on your journey to fulfill your life purpose and be a blessing to others along the way. Now is the time to make your life more fulfilling and share your blessings with others.
