Love's Grateful Striving M. Jamie Ferreira, 2001-06-07 Soren Kierkegaard s Works of Love 1847 a series of deliberations on the commandment to love one s neighbor has often been condemned by critics Here Ferreira seeks to rehabilitate Works of Love as one of Kierkegaard s most important works He shows that Kierkegaard s deliberations on love are highly relevant to some important themes in contemporary ethics

including impartiality duty equality mutuality reciprocity self love sympathy and sacrifice Ferreira also argues that Works of Love bears on issues peculiar to a religious ethic such as the role of God as middle term and the possibility of preserving the aesthetic dimensions of love in a religious ethic of relation Love's Triumph James Robinson Planché, William Vincent Wallace, 1862 **Romance Writing** Lynne Pearce, 2007-01-05 Exploring the nature of both the romance genre and the discourse of romantic love from the 17th century to the present day this book shows how in the history of literature lovers have utilised its spark to change not only themselves but also their worlds through acts of creativity and heroism The Greatest of These John Indermark, 2011-09-01 God is love Love one another We teach these to children and new Christians but what exactly do we mean and do they hear by love Our culture offers a multitude of understandings and experiences through which the meaning of love can be filtered We in the church can become sloppy in our proclamation and embodiment of love as a result of those filterings unless we remain grounded in the Biblical moorings of love revealed in the narratives of both the Old and New Testaments The Greatest of These offers an extended exploration of love's qualities in scripture Each of the six chapters begins with a single page introduction to the chapter theme The bulk of each chapter consists of six individual readings 2 5 to 3 pages each that reflect on a Biblical passage related to the chapter's theme on love The book is written for use by individuals or groups and a leader's guide which is written into the book provides for six suggested sessions Chapter One Love as Gift Chapter Two Love as Invitation Chapter Three Love as Loyalty Chapter Four Love as Ethic Chapter Five Love as Compassion Chapter Six Love as Wonder The written in leader's guide provides a basic template that can be used for each session along with specific suggestions for six sessions to plug into the template in order to explore each of the book's chapters **The Homiletic Review** , 1920 **Chambers's Cyclopædia of English Literature** Robert Chambers, 1830 **The Book of Life Secrets for Today's World** Rai Flowers, Rasheed Flowers, 2021-05-09 The Book of Secrets is a unique manuscript that aims to help its reader focus on different mindful thoughts for each day of the year Each day's entry includes a focus point and that point is emphasized and supported by specific citations from The Bible The author hopes to invite the reader to explore different aspects of their life and to find meaning and support for that exploration through God's words Each day is structured with a thought starter and at least one Bible reference to support the idea that this thought starter is not unique but rather something that originates from God's words The format of this manuscript is engaging The daily entries give the reader a new thought to ponder each day The inclusion of a Bible citation further solidifies the importance of that thought and gives the reader the motivation to think deeply about that prompt as well as feel comfort knowing that God's words support this thought A Word for All Seasons Angela Brown, 2021-09-16 A Word for All Seasons is not just another devotional book It is a year long journey into a deeper more intimate relationship with the Lord Jesus Christ Each month you will discover a new dimension of Father Son and Holy Spirit and the love they have for you Each day will introduce a new scripture to read and a short commentary to encourage and challenge you to learn more about the
