Eng, Alice Y. Hom, 1998-08-24 What does it mean to be queer and Asian American at the turn of the century The writers activists essayists and artists who contribute to this volume consider how Asian American racial identity and queer sexuality interconnect in mutually shaping and complicating ways Their collective aim in the words of the editors is to articulate a new conception of Asian American racial identity its heterogeneity hybridity and multiplicity concepts that after all underpinned the Asian American moniker from its very inception Q A approaches matters of identity from a variety of points of view and academic disciplines in order to explore the multiple crossings of race and ethnicity with sexuality and gender Drawing together the work of visual artists fiction writers community organizers scholars and participants in roundtable discussions the collection gathers an array of voices and

experiences that represent the emerging communities of a queer Asian America Collectively these contributors contend that Asian American studies needs to be more attentive to issues of sexuality and that queer studies needs to be more attentive to other aspects of difference especially race and ethnicity Vigorously rejecting the notion that a symmetrical relationship between race and homosexuality would weaken lesbian gay and queer movements the editors refuse to believe that a desirably queer world is one in which we remain perpetual aliens queer houseguests in a queer nation From Tian'anmen to Times Square Gina Marchetti, 2006 From Tian anmen to Times Square Transnational China and the Chinese Diaspora on Global Screens 1989 1997 explores the important interconnections involving questions of race ethnicity gender and sexuality on world screens by examining a range of films videos and digital works associated with global Chinese culture The ways in which the world has imagined China and the images the Chinese have used to depict themselves have changed dramatically since 1989 The media spotlight placed on Beijing during the spring of 1989 created repercussions that continue to affect how China is seen globally how it sees itself and how the Chinese outside the People s Republic see themselves The films and other texts included in this book represent a range of work by media artists working within China Hong Kong Taiwan Singapore and on transnational co productions involving those places The book also features media from other positions within the Chinese diaspora including Chinese America and work produced on China by non Chinese Highlighting questions of the circulation of images people and commodities the book explores the important interconnections involving questions of race ethnicity gender and sexuality on global screens Beginning and ending with Tian anmen and world image culture a portrait emerges of momentous change and persistent challenges facing media artists and filmmakers working within Greater China **Gentleman Jigger** Richard Bruce Nugent, 2024-10-01 Gentleman Jigger stands as a landmark novel celebrated for its candid exploration of Black sexuality set against the dynamic backdrop of the Harlem Renaissance The story follows Stuartt a defiantly queer artist who navigates the complexities of racial and sexual identity in a period of profound cultural upheaval Originating from a distinguished light skinned Black family in Washington D C Stuartt immerses himself into the burgeoning arts scene of Harlem where he aligns with the Niggeratti a group of young rebellious artists and writers This collective boldly challenges their elders conviction that their creative endeavors should be dedicated solely to the advancement of racial equality When their rebellion fizzles and they go their separate ways Stuartt moves downtown to Greenwich Village where where he fully indulges in his desires intertwines with underworld figures and achieves unexpected fame and fortune It is also a world that until his Hollywood debut assumes that he is white Part fictionalized autobiography part social satire Gentleman Jigger opens up a whole new dimension not only of the Harlem Renaissance but also of the racial and sexual politics of the Jazz Age **Situating Sexualities** Fran Martin, 2003-05-01 This is the first book in English to analyse the stunning rise to prominence of cultures of dissident sexuality in Taiwan during the 1990s Positioned at the crossroads of queer theory and postcolonial cultural studies this book intervenes in current debates on sexuality and

globalization to argue that the current emergence of public dissident sexualities in non Western locations like Taiwan cannot be reduced to the effects of homogenizing Westernization Instead Situating Sexualities approaches the queer sexualities represented in recent Taiwanese fiction film and public culture as dynamic formations that combine local knowledge with globalizing discourses on gay and lesbian identity to produce sexualities that are multiple shifting and inherently hybrid Equally the book pushes out the limits of queer to challenge the Eurocentrism of much queer theory to date Consistently critical of essentializing accounts of Chinese culture the book nevertheless highlights some of the important ways in which Taiwanese formations of dissident sexuality differ from the familiar Euro American formations *Bibliographic Guide to Theatre Arts* New York Public Library. abstraction it engages the two otherwise remotely related worlds illustrating how the State and the Subject are reconstituted cinematically in late capitalism A deeply cultural determinedly historical and deliberately interdisciplinary study it approaches culture anthropologically as a way of life emanating from the everyday and aesthetically as imaginative forms and creative expressions Economy Emotion and Ethics in Chinese Cinema will appeal to students and scholars of Chinese cinema cultural studies Asian studies and interdisciplinary studies of politics and culture The Cinema of Ang Lee Whitney Crothers Dilley, 2014-12-23 Born in Taiwan Ang Lee is one of cinema's most versatile and daring directors His ability to cut across cultural national and sexual boundaries has given him recognition in all corners of the world the ability to work with complete artistic freedom whether inside or outside of Hollywood and two Academy Awards for Best Director He has won astounding critical acclaim for *Crouching Tiger Hidden Dragon* 2000 which transformed the status of martial arts films across the globe *Brokeback Mountain* 2005 which challenged the reception and presentation of homosexuality in mainstream cinema and *Life of Pi* 2012 Lee's first use of groundbreaking 3D technology and his first foray into complex spiritual themes In this volume the only full length study of Lee's work Whitney Crothers Dilley analyzes all of his career to date Lee's early Chinese trilogy films including *The Wedding Banquet* 1993 and *Eat Drink Man Woman* 1994 period drama *Sense and Sensibility* 1995 martial arts *Crouching Tiger Hidden Dragon* 2000 blockbusters *Hulk* 2003 and intimate portraits of wartime psychology from the Confederate side of the Civil War *Ride with the Devil* 1999 to Japanese occupied Shanghai *Lust Caution* 2007 Dilley examines Lee's favored themes such as father son relationships and intergenerational conflict in *The Ice Storm* 1997 and *Taking Woodstock* 2009 By looking at the beginnings of Lee's career Dilley positions the filmmaker's work within the roots of the Taiwan New Cinema movement as well as the larger context of world cinema Using suggestive readings of both gender and identity this new study not only provides a valuable academic resource but also an enjoyable read that uncovers the enormous appeal of this acclaimed director *Celluloid Comrades* Song Hwee Lim, 2006-08-31 Without question Song Hwee Lim has presented us with an exemplar of quality scholarship in the study of contemporary Chinese cinemas By combining an impressive command of Chinese and Western literary as well as film source materials with a sophisticated mode of analysis and an unassuming argumentative style he has authored an exhilarating book one that not only treats cinematic representations of male homosexuality with great sensitivity but also demonstrates what it means to read with critical intelligence and vision Rey Chow Andrew W Mellon Professor of the Humanities Brown University *Celluloid Comrades* is a timely demonstration of the importance of queer studies in the field of transnational Chinese cinemas Lim dissects gay sexuality in selective Chinese language films and vigorously contests commonly accepted critical paradigms and theoretical models Readers will find a provocative powerful voice in this new book Sheldon H Lu Professor of Comparative Literature University of California at Davis *Celluloid Comrades* offers a cogent analytical introduction to the representation of male homosexuality in Chinese cinemas within the last decade It posits that representations of male homosexuality in

Chinese film have been polyphonic and multifarious posing a challenge to monolithic and essentialized constructions of both Chineseness and homosexuality. Given the artistic achievement and popularity of the films discussed here, the position of celluloid comrades can no longer be ignored within both transnational Chinese and global queer cinemas. The book also challenges readers to reconceptualize these works in relation to global issues such as homosexuality and gay and lesbian politics and their interaction with local conditions, agents and audiences. Tracing the engendering conditions within the film industries of China, Taiwan and Hong Kong, Song Hwee Lim argues that the emergence of Chinese cinemas in the international scene since the 1980s created a public sphere in which representations of marginal sexualities could flourish in its interstices. Examining the politics of representation in the age of multiculturalism through debates about the films, Lim calls for a rethinking of the limits and hegemony of gay liberationist discourse prevalent in current scholarship and film criticism. He provides in-depth analyses of key films and auteurs, reading them within contexts as varied as premodern transgender practice in Chinese theater to postmodern diasporic forms of sexualities. Informed by cultural and postcolonial studies and critical theory, this acutely observed and theoretically sophisticated work will be of interest to a wide range of scholars and students as well as general readers looking for a deeper understanding of contemporary Chinese cultural politics, cinematic representations and queer culture.

Caroline Young, 2025-06-10. From the single ladies of Beyoncé and Taylor Swift songs to Phoebe Waller-Bridge's irreverent television series *Fleabag* (2016–2019) to as far back as Miss Havisham in *Great Expectations*, the stereotype of the damaged single woman has long pervaded music, books, television and Hollywood movies. Spinster tropes, witch burnings and nineteenth-century diagnoses of hysteria have reflected and continue to inform the stories told about society's singletons, most notoriously in the original bunny boiler *Fatal Attraction* (1987) and popularized in *Single White Female* (1992) and *Promising Young Woman* (2020). In *Single Psycho*, author Caroline Young explores how broader social trends such as the antifeminist backlash of the 1980s, contemporary debates about tradwives and childless cat ladies, and the absence of single women of color on screen shape the way women are misperceived and mistreated. Young weaves the history of a stereotype with her own fight against stigma as a single woman, as well as her struggles with infertility, infusing incisive analysis with personal experience in this approachable, savvy exposé of one of mainstream media's most enduring clichés. *Single Psycho: How Pop Culture Created the Unstable Single Woman* is a dynamic addition to the ongoing dialogue surrounding the MeToo movement and societal expectations of women.
