

Building relationships, strong and true,
will help you become a better you.

Strive each day to do your best,
and let your spirit be at rest,
for a better person you will be,
when you embody love and unity.

To start, look deep within your heart,
and let go of fear that keeps you apart,
from others, and from yourself, depart,
and find the love that is in your heart.

Be kind to those that you may meet,
and spread love in every heartbeat.
