Straight from the Heart Andrew Luyando, 2007-06 Straight From The Heart is a poetic account of life ranging from love to heartache From lost of loved ones to gaining motivation to get through any situation in life It is a representation of the feelings raw emotions and reflections of these situations Some of the greatest works have been created at the low and high points along the journey Full of love anger sadness understanding and the complexity of every other emotion in between this book provides the outlet to express the lessons of life *Straight from the Heart* Samantha Clifton, 2017-04-24 My book is about a young lady myself who in my younger days was seeking love that I thought would complete me through a relationship with a male figure When in a relationship or what I thought was a relationship I would always put 100 percent of my heart in it while at the same time not receiving the mutual feeling because I thought I was The way I would express my feelings would be to either write a poem buy them things or to speak from my heart I didnt know at the time that this kind of love could not fill the void that I had until I was introduced to Jesus Christ and how he truly loves me and I didnt have to do anything to earn and receive his love Therefore my thinking and thought process began to change about the meaning of true love So I began to write other poems that God had given me *Collection of Poetry (Straight from the Heart)* , [Psalms Straight from the Heart](#) Cindy White, 2002-09

Straight from the Heart Hannah Rose, 2013-04-11 Perhaps you have traveled the same road and experienced similar heartaches Sometimes life can seem overwhelming and it tries to get the best of us Remember God has a plan for each one of us to transform us into His image and He will be faithful to bring it to pass The means He uses always results in a perfect end

Hannah Rose shares part of her faith journey in grace using personal anecdotes along with God's voice as a very present help in times of struggle and doubt. The relevance of God's Word is continually portrayed through her selection of entries as encouragement and exhortation. Read as a whole or as daily individual entries. Hannah's hope is that you would be encouraged to learn that God has used the devastation and pain of her life to continually change her from glory to glory. He will do the same for you through your circumstances if you let Him.

John Morgan Mullen, 2022-10-19 John Morgan Mullen attended Michigan State University where he married his college sweetheart and earned a BA in communication arts. He was a quarterback for Michigan State University on two National Championship teams in 1965 and 1966. John has two children, Todd and Stephanie, and is a grandfather to Jake Brennan and Hailey. John's new book, *Straight from the Heart*, started in lieu of greeting cards and expanded as a way to express his inner feelings. His collection talks about the ventures he and his wife Jill took and the inspirational life lessons he's learned along the way. The words in *Straight from the Heart* will always remain dear to John's heart as his wife lost a battle with cancer and will now have to read his touching tribute from heaven.

God, You Are Healing for My Soul (Words Straight from the Heart) Carol S. Wright, 2011-12-19 Every day people awake thinking they can do things their way. Maybe you were on the right path with God and you turned away. Suddenly things that were once going well now are going downhill. Those who were your so-called friends have turned their backs on you. Why? Because you lost everything when you placed someone or something ahead of God. This includes your family. I encourage people to write. I have found it to be a form of therapy. A way to express myself out loud. This book represents a group of poems from my Spiritual Guidance Collection about my life that I experienced during the good and bad times. Someone might say the poems are a conversation with God, a form of prayer. My hope is that everyone who reads this book will find their way back to God, the Creator.

She yearns for independent success, so she seeks to take on clients of her own, not tied to the family business. Excited about her first client, her celebration is short-lived when she sees dreamy-eyed Dominic Ballard again. Charming and talented singer-songwriter Dominic Ballard majored in music in college despite the discouragement of his mother. Eventually, he moved to California to pursue his dreams of superstardom. After the sudden death of his father, Dominic finds himself back in his hometown of Taylor, Indiana, assisting with the family's chain of restaurants. When he's offered an opportunity to collaborate on popular R & B singer's latest CD, he feels closer to realizing his dream. But his life is further complicated when he runs into the one who got away, feisty Lili Hart.
