Love Is The Killer App:

Love Is the Killer App Tim Sanders, Gene Stone, 2002-01-08 Are you wondering what the next killer app will be Do you want to know how you can maintain and add to your value during these rapidly changing times Are you wondering how the word love can even be used in the context of business Instead of wondering read this book and find out how to become a lovecat a nice smart person who succeeds in business and in life How do you become a lovecat By sharing your intangibles By that I mean Your knowledge everything that comes from all the books that I ll encourage you to devour Your network the collection of friends and contacts you now have which I ll teach you how to grow and nurture Your compassion that human warmth you already possess in these pages I ll convince you that you can show it freely at the office What happens when you do all this You become a rich source of information to all around you You are seen as a person with valuable insight You are perceived as generous to a fault producing surprise and delight You double your business intelligence in one year You triple your network of personal relationships in two years You quadruple the number of colleagues in your life who love you like family In short you become one of those amazing outstanding people to whom everyone turns who leads rather than follows who never runs out of ideas contacts or friendship Here s the real scoop Nice guys don t finish last They rule *Love Is the Killer App* Tim Sanders, 2003-07-22 Are you wondering what the next killer app will be Do you want to know how you can maintain and add to your value during these rapidly changing times Are you wondering how the word love can even be used in the context of business Instead of wondering read this book and find out how to become a lovecat a nice smart person who succeeds in business and in life How do you become a lovecat By sharing your intangibles By that I mean Your knowledge everything that comes from all the books that I ll encourage you to devour Your network the collection of friends and contacts you now have which I ll teach you how to grow and nurture Your compassion that human warmth you already possess in these pages I ll convince you that you can show it freely at the office What happens when you do all this You become a rich source of information to all around you You are seen as a person with valuable insight You are perceived as generous to a fault producing surprise and delight You double your business intelligence in one year You triple your network of personal relationships in two years You quadruple the number of colleagues in your life who love you like family In short you become one of those amazing outstanding people to whom everyone turns who leads rather than follows who never runs out of ideas contacts or friendship Here s the real scoop Nice guys don t finish last They rule 9 Keys to Successful Leadership James Merritt, 2016-04-01 I am a compulsive reader of success inspirational and motivational books They don t get any better than this one Pat Williams senior vice president Orlando Magic Your character who you are determines the leadership influence you have with others In *9 Keys to Successful Leadership* James Merritt a respected voice on leadership identifies nine essential traits that make leaders less stressed easier to follow and more influential Among the leadership qualities Merritt identifies are making sure someone sees hears or feels love from you each day letting God s joy shine

through your life being kind to someone daily by word or deed taking every opportunity to be faithful and dependable treating others as more important than yourself 9 Keys to Successful Leadership points the way for you to become the kind of leader who makes a life changing difference for others perhaps even an eternal difference Love and Organization Michael Pirson, 2022-06-30 Organizations are not human but they are made up of people Examining the organization functioning growing and developing and moving together as one unit the well being and success of that organization depends on the well being of people that make it up Love in its various forms is the energy that motivates and fuels creativity care innovation progress and well being Traditionally organizational structures have been set up to support compliance and command and control which often discourages love and creates policies against love at the workplace The result has been reduced growth productivity and retention of businesses as well as reduced well being for employees This reduced connectivity between individuals has also at a higher level adversely affected society Without love people are working and performing with reduced energy and at reduced capacity While prior research has been focused on love at the workplace from the viewpoint of psychologists this book explores the impact of love within organizational contexts from various viewpoints including management psychology and philosophy It explores love in the organizational context by looking at how it affects meaning purpose well being motivation faith care spiritual development and how the identity and well being of each person in the organization positively affects retention and the growth and success of that organization It will be of interest to researchers academics and advanced students in the fields of organizational studies leadership and management

Intangibles: The Unexpected Traits of High-Performing Healthcare Leaders Amer Kaissi, 2017-08-08 Winner of the 2019 ACHE James A Hamilton Book of the Year Award As a leader is it possible to be both successful and humble Studies show that today's emerging leaders not only prioritize achievement over humility but also see the two as mutually exclusive Does this signal an existential crisis for healthcare an industry that at its essence is supposed to embody humility and compassion Thankfully no according to Intangibles The Unexpected Traits of High Performing Healthcare Leaders which demonstrates that you can embrace humility and still be excellent at your job The author a healthcare professor executive coach and consultant gleans evidence and insights from researchers executives philosophers and thought leaders Intangibles is neither a self help book offering prescriptive answers nor a leadership guru memoir looking back at a lifetime of lessons learned Rather it offers an engaging exploration of evidence based practices from an array of leaders in different settings The book's stories interviews and research findings will appeal to readers of every stripe and career stage from undergraduate students in healthcare administration to early careerists and even seasoned CEOs Part 1 introduces the four intangible leadership traits humility compassion kindness and generosity Part 2 explores each trait in detail and part 3 tackles the traits through the lenses of gender age and self improvement Along the way the book explores many intriguing questions Is humility viewed as weakness Can leaders balance kindness with a strong personality How do men and women

differ in their perceptions of these traits Are there generational differences in how leadership is perceived Can these characteristics be learned In the end Intangibles concludes that high performance in leadership can be achieved when humility is combined with ambition and compassion with strength

International Handbook of Love Claude-Hélène Mayer, Elisabeth Vanderheiden, 2021-05-04 This handbook is the winner of the William B Gudykunst Award for Outstanding Book in 2023 given by the International Academy of Intercultural Research This handbook includes state of the art research on love in classical modern and postmodern perspectives It expands on previous literature and explores topics around love from new cultural intercultural and transcultural approaches and across disciplines It provides insights into various love concepts like romantic love agape and eros in their cultural embeddedness and their changes and developments in specific cultural contexts It also includes discussions on postmodern aspects with regard to love and love relationships such as digitalisation globalisation and the fourth industrial revolution The handbook covers a vast range of topics in relation to love aging health special needs sexual preferences spiritual practice subcultures family and other relationships and so on The chapters look at love not only in terms of the universal concept and in private intimate relationships but apply a broad concept of love which can also for example be referred to in postmodern workplaces This volume is of interest to a wide readership including researchers practitioners and students of the social sciences humanities and behavioural sciences In the 1970s through the 90s I was told that globalization was homogenizing cultures into a worldwide monoculture This volume as risky and profound as the many adventures of love across our multiplying cultures proves otherwise The authors revolutionary and courageous work will challenge our sensibilities and expand the boundaries of what we understand what love is But that's what love does It communicates what it offers what can be and pleads for what must be I know you'll enjoy this wonderful book as much as I do Jeffrey Ady Associate Professor retired Public Administration Program University of Hawaii at Manoa Founding Fellow International Academy for Intercultural Research The International Handbook of Love is far more than a traditional compendium It is a breath taking attempt to synthesize our anthropological and sociological knowledge on love It illuminates topics as diverse as Chinese love one night stands teen romance or love of leaders and many more This is a definitive reference in the field of love studies Eva Illouz author of The End of Love A sociology of Negative relationships Oxford University Press This is not a volume to be read in a single sitting though I almost did due to a protracted hospital stay nor is it romantic or inspirational reading though in some cases I had hoped for more narrative examples and case studies Rather it is a highly diverse scholarly effort a massive resource collection of research papers on love in a variety of contexts personal and professional settings and cultures The work is well referenced providing a large number of resources for deeper exploration We owe our thanks to the authors and editors of this handbook for work well done though that word in the title should not lead readers to suspect that enlightening as it is this book is a vade mecum or practical tour guide that provides ready solutions to the vicissitudes and challenges of our love lives Reviewed by Dr George

Leadershift Emmanuel Gobillot,2011-05-03 Leadershift is about adapting and changing traditional models of leadership in response to the influence of mass collaboration Mass collaboration is a form of collective action which occurs when large numbers of people work independently on a single project exemplified by websites such as YouTube Facebook and Second Life As the traditional models of working are radically altered those in leadership roles need to understand their place in this new hierarchy and how to respond Mass collaboration requires a form of leadership that is prepared to let go of the experience expertise and control it holds precious and be able to see mass participation as an opportunity to create value rather than a threat to its existence

For The Love of Networking John Harvey,2022-06-09 How do you feel about networking I can help you love it as much as I do Most people see networking as a necessary evil something to be endured or even avoided But there is a minority who really embrace and enjoy networking Like me they understand the vast benefits it brings the extraordinary value it adds to their professional and personal lives and crucially they know how to do it well and with ease In this handy book I ll show you how you can overcome your reservations and fears about networking and I ll coach you in all the skills and insider secrets that I ve developed over the years These secrets and skills have helped make networking a vital ingredient in my success and they can do the same for you too So whether it s entering a room full of strangers that fills you with dread or the idea of striking up a conversation with someone you ve never met that makes you anxious let me help you I ll explain how to build a robust networking strategy that can revolutionise finding exciting opportunities lucrative new clients and sought after decision makers And by placing networking at the heart of what you do you ll discover exactly how to make it more rewarding productive effective and yes even fun

Love in the Time of Self-Publishing Christine M. Larson, 2025-09-16 Lessons in creative labor solidarity and inclusion under precarious economic conditions As writers musicians online content creators and other independent workers fight for better labor terms romance authors offer a powerful example and a cautionary tale about self organization and mutual aid in the digital economy In *Love in the Time of Self Publishing* Christine Larson traces the forty year history of Romancelandia a sprawling network of romance authors readers editors and others who formed a unique community based on openness and collective support Empowered by solidarity American romance writers once disparaged literary outcasts became digital publishing s most innovative and successful authors Meanwhile a new surge of social media activism called attention to Romancelandia s historic exclusion of romance authors of color and LGBTQ writers forcing a long overdue cultural reckoning Drawing on the largest known survey of any literary genre as well as interviews and archival research Larson shows how romance writers became the only authors in America to make money from the rise of ebooks increasing their median income by 73 percent while other authors plunged by 40 percent The success of romance writers Larson argues demonstrates the power of alternative forms of organizing influenced by gendered working patterns It also shows how networks of

relationships can amplify or mute certain voices Romancelandia's experience Larson says offers crucial lessons about solidarity for creators and other isolated workers in an increasingly risky employment world Romancelandia's rise and near meltdown shows that gaining fair treatment from platforms depends on creator solidarity but creator solidarity in turn depends on fair treatment of all members *Shakespeare Would Cry* Jack Spurr, 2013-03 In this book we have hand picked the most sophisticated unanticipated absorbing if not at times crackpot original and musing book reviews of Love Is the Killer App How to Win Business and Influence Friends Don't say we didn't warn you these reviews are known to shock with their unconventionality or intimacy Some may be startled by their biting sincerity others may be spellbound by their unbridled flights of fantasy Don't buy this book if 1 You don't have nerves of steel 2 You expect to get pregnant in the next five minutes 3 You've heard it all I Love You With All My Heart: Extracurricular - Book 3 of 3 Josie Brown, 2019-10-08 IN THE THIRD AND FINAL NOVEL OF THE EXTRACURRICULAR EPISODIC SERIES A tragic death catalyzes a power play for control of Ashbury Academy's trustee board Daniel's covert actions however have Audrey questioning his vow to protect Lavinia's legacy at the school The arrests resulting in the FBI's investigation into Miranda's college admissions fraud bring tragedy to some of the families involved and unexpected opportunities to others Can Ashbury Academy survive this scandal An even bigger question Will Audrey's marriage and her family fall apart after her long held secret is finally revealed **Love Like that and Other Stories**, 2012 **Across the Board**, 2002 Love Is the Killer Tim Sanders, 2003-11 Yahoo director Tim Sanders shows that the only way to succeed in business in the 21st century is through love In this motivational book he presents a three step programme that anyone can follow for optimum success and happiness in the workplace **Leading Talents, Leading Teams** Lee Ellis, 2003 Today virtually every type of organization is looking for ways to maximize and effectively manage their people resources One of the keys to this streamlining is successful teamwork Lee Ellis draws from his survival experience on a team of Vietnam POWs and his management consultant expertise in creating Leading Talents Leading Teams Perfect resource for anyone who desires to gain insights on how to unleash the natural talents of people and blend them into well led effective teams **College Services**, 2002 *PC Mag*, 1999-12-14 PCMag.com is a leading authority on technology delivering Labs based independent reviews of the latest products and services Our expert industry analysis and practical solutions help you make better buying decisions and get more from technology **Organizational Behavior** Gregory Moorhead, Ricky W.
