Crossed the Chickamaugee River at 11 o'clock on a foot log The whole brigade had to cross on two foot bridges that consisted of a single log across we were over two hours in getting over We marched within one mile of Ringould and waited for dinner After dinner we marched down through the town The best of the town had been burned by Gen Thomas at the time of the Battle of Chickamaugee because the citizens fired at our troops from their buildings All encamped at Tunnel Hill about one and one half miles the other side of town Our Regt was on picket duty that night From the diary of Harvey Amasa Chapman Experience an unforgettable journey into the minds hearts and daily lives of a family who lived through the American Civil War In over one hundred actual letters and a camp diary the lives of author David Chapman's great grandfather Harvey Amasa Chapman his family and friends are faithfully transcribed to capture every compelling detail Their words reveal the intimate and heartfelt truths they shared as they endured one of the most tumultuous times in American history Profoundly moving and incredibly timely The Man Who Carried a Drum 108 War Letters and Love Letters of a Civil War Medic resonates with the struggles Americans face today **Fred & Nettie's Love Letters** Suzanne Fister Levine, 2016-02-11 This creative non-fiction work is based upon the romance and actual love letters of Marie Antoinette Nettie Stuntebeck and Fred Marion Fister from 1900-1904 Before radio television and autos they carried on their romance separated by 100 miles a full day's round trip by train not manageable on horseback They faced deadly plagues putrid water systems horrific accidents violence murders and vicious political turmoil including the assassinations of Kentucky Governor Goebel and US President William McKinley Women had no right to vote and were blocked from many occupations About the only reliable things they had were local daily newspapers and United States Postal Service mail delivery 365 days a year 366 in Leap Years including Sundays and holidays Love and War Augustus Valerius Ball, 2010 Ball's circumstances and experiences allowed him to glimpse the war through two sets of eyes that of a loving husband and of an increasingly disillusioned physician The inclusion of Ball's medicinal recipe book is the first of its kind to appear in print completely annotated Readers will find themselves educated about the medical and herbal lore of that era **Love Letters and the Romantic Novel during the Napoleonic Wars** Sharon Worley, 2017-01-06 Love letters during the Napoleonic wars were largely framed by concepts of love which were promoted through novels and philosophy The standard texts so to speak which were written by major authors who inherited this Enlightenment bearing responded to the emerging concepts of love found in novels and philosophical essays Love among this Napoleonic coterie is unique because it demonstrates the reciprocal relationship between the love letter and the romantic novel Germaine de Staël Juliette Rcamier Chateaubriand Benjamin Constant Lady Emma Hamilton Napoleon Bonaparte and his brother Lucien Bonaparte were the authors and recipients of some of the most passionate love letters of this period They were also avid readers of the newly emerging genre of the romantic novel and many of them were also authors of such works where they projected their personal romances onto the characterization of their fictional heroes and heroines In addition these authors had lived through the recent French Revolution and the Terror Imprisoned during the

Revolution or branded as emigrants upon their return to Paris their mature adult lives were spent in the shadows of the Napoleonic wars in which they shifted political loyalties as the specter of Napoleon's powers grew from First Consul to Emperor of Europe The looming threat of war ignited the depths of their passions and inspired their intellectual analysis of love happiness and suicide Their evolving concept of love was a romantic all-consuming passion which gripped the lovers in fatal embraces This book's analysis of their love letters and romantic novels reveals the emerging political landscape of the period through extended metaphors of love and patriotism

The Love Letters of William and Mary Wordsworth William Wordsworth, Mary Wordsworth, 2009 The Love Letters of William and Mary Wordsworth collects 31 letters that William Wordsworth exchanged with his wife Mary during the early years of their marriage These letters fifteen from William to Mary and sixteen from her to him were written during William's absences from home in 1810 and 1812 and offer an entirely new way of looking at the poet and his married life Reproduced here with an informative introduction and headnotes by Beth Darlington that set each missive in biographical context the letters cover a wide range of topics village life Regency politics poetry and painting London gossip rural manners their five children domestic activities and family anecdotes Yet along with these everyday incidents and practical concerns there are tender passages in which the Wordsworths ardently declare their love for each other and reveal a profound happiness in their marriage The William Wordsworth who emerges from this correspondence is a figure more relaxed more accessible and indeed more human than he has been pictured Mary emerges as a woman of keen intelligence energy and imagination Revealing how thoroughly Wordsworth shared his inner and passionate life with Mary this volume puts to rest the notion that theirs was a marriage of convenience
