Victorian Women's Travel Writing on Meiji Japan Tomoe Kumojima,2022 Victorian Women s Travel Writing on Meiji Japan narrates forgotten stories of cross cultural friendship and love between Victorian female travellers and Meiji Japanese between 1853 and 1912 Romance, Family, and Nation in Japanese Colonial Literature K. Kono,2010-03-01 Romance Family and Nation in Japanese Colonial Literature explores how Japanese writers in Korea Manchuria and Taiwan used narratives of romantic and familial love in order to traverse the dangerous currents of empire Focusing on the period between 1937 and 1945 this study discusses how literary renderings of interethnic relations reflect the numerous ways that Japan s imperial expansion was imagined as an unrequited romance a reunion of long separated families an oppressive endeavor and a utopian collaboration The manifestations of romance marriage and family in colonial literature foreground how writers positioned themselves vis vis empire and reveal the different conditions consequences and constraints that they faced in rendering Japanese colonialism **Carmen Blacker - Collected Writings** Carmen Blacker,2013-11-05 This volume of the Collected Writings of Modern Western Scholars on Japan brings together the work of Carmen Blacker who wrote extensively on religion myth and folklore The Athenaeum ,1911 *The Public Lives of Charlotte and Marie Stopes* Stephanie Green,2015-10-06 Charlotte Stopes was the first woman in Scotland to get a university qualification She devoted her life to studying Shakespeare and the promotion of women in public life Though Charlotte is largely forgotten her daughter Marie is well known Green asserts that Marie s success can only be understood in relation to the achievements of her mother **Letters from Japan** Mrs. Hugh Fraser,1904 *Lovesick Japan* Mark D. West,2011-04-15 In *Lovesick Japan* Mark D West explores an official vision of love sex and marriage in contemporary Japan A comprehensive body of evidence 2 700 court opinions describes a society characterized by a presupposed absence of physical and emotional intimacy affection and personal connections In compelling poignant and sometimes horrifying court cases West finds that Japanese judges frequently opine on whether a person is in love what other emotions a person is feeling and whether those emotions are appropriate for the situation Sometimes judges views about love sex and marriage emerge from their presentation of the facts of cases Among the recurring elements are abortions forced by men compensated dating late life divorces termination fees to end affairs sexless couples Valentine s Day heartbreak soapland bath brothels and home wrecking hostesses Sometimes the judges analysis decisions and commentary are as revealing as the facts Sex in the cases is a choice among private normal sex which is male dominated conservative dispassionate or nonexistent commercial sex which caters to every fetish but is said to lead to rape murder and general social depravity and a hybrid of the two which commodifies private sexual relationships Marriage is contractual judges express the ideal of love in marriage and proclaim its importance but

virtually no one in the court cases achieves it Love usually appears as a tragic overwhelming emotion associated with jealousy suffering heartache and death **Postcolonial Film** Rebecca Weaver-Hightower, Peter Hulme, 2014-02-24 Postcolonial Film History Empire Resistance examines films of the later twentieth and early twenty first centuries from postcolonial countries around the globe In the mid twentieth century the political reality of resistance and decolonization lead to the creation of dozens of new states forming a backdrop to films of that period Towards the century s end and at the dawn of the new millennium film continues to form a site for interrogating colonization and decolonization though against a backdrop that is now more neo colonial than colonial and more culturally imperial than imperial This volume explores how individual films emerged from and commented on postcolonial spaces and the building and breaking down of the European empire Each chapter is a case study examining how a particular film from a postcolonial nation emerges from and reflects that nation s unique postcolonial situation This analysis of one nation s struggle with its coloniality allows each essay to investigate just what it means to be postcolonial *The Bookman* , 1911 **A Collector's Guide to Books on Japan in English** Jozef Rogala, 2001 Provides an invaluable and very accessible addition to existing biographic sources and references not least because of the supporting biographies of major writers and the historical and cultural notes provided **Japan Weekly Mail** , 1901 **Early Modern Japanese Literature** Haruo Shirane, 2008 This abridged edition of Haruo Shirane s popular anthology Early Modern Japanese Literature retains the essential texts that have made the original volume such a valuable resource The book introduces English speaking readers to prose fiction genres including dangibon kibyoshi satiric picture books sharebon books of wit and fashion yomihon kokkeibon books of humor gokan bound books and ninjobon books of romance and sentiment It also features poetic genres such as waka haiku senryu and kyoka and plays ranging from Chikamatsu s puppet plays to nineteenth century kabuki Readers will continue to benefit from the anthology s selection of significant essays treatises literary criticism folk stories and other noncanonical works as well as the numerous prints that accompanied these works They will also find Shirane s introductions and critical commentary which guide the reader through the allusive and often elliptical nature of these incredible selections [La patria di Pietro Micca](#) Luigi Archinti, 1883
