At the Sign of the Sword: A Story of Love and War in Belgium William Le Queux, 2023-07-07 Excerpt Warm brilliant and cloudless was the July noon Beneath the summer sun the broad shallow waters of the Meuse sparkled as they rippled swiftly onward through the deep winding valley of grey rocks and cool woods on their way from the mountains of Lorraine through peaceful prosperous Belgium towards the sea That quiet smiling land of the Ardennes was in July in the year of grace 1914 surely one of the most romantic in all Europe a green peaceful land undisturbed by modern progress a land where the peasantry were still both honest and simple retaining many of their primitive customs a land where the herdsmen still called home the cattle by the blast of the horn as they had done for past centuries where the feudal castles studding the country mostly now in ruins were once the abodes of robber knights In that long deep green valley which wound

Perhaps It's Love Dennis L. Siluk,2004-12 Perhaps it s *Love* the original element which gives this book its name concerns four young adults that play a vital role to follow their hearts sometimes without adequate preparation or the appropriate equipment as a test of the will This of course nearly crushes each person s spirit In one way or another each youth is linked to each other ages between 18 and 21 The novel is primarily concerned with choices in love in some cases a manifesto about its dangers At the end it it must be said nothing was tolerable but the best No one was without sin Four youths 196768 while being in the process of growth get stirred up quite a lot some even lost in the commotion of events while feelings become nourished and intensified all aching for love in their own way A lesson might well be learned if they can only harness their crying hearts but first unhappiness has to be conquered part of the theme and plot The story has a shy charm to it a quick gaiety and objective tenderness It is dramatic it has an exploring inner mind Many parts of this book are based on actual events transformed into historical fiction
