Love Poems To The Tigress:

Love Poems to the Tigress Brooks Hoffman, 2005-12 Brooks Hoffman's poems are direct earthy and unpretentious. If you like unfinished wood you'll like his poems. If you like the smell of butter or summer you'll like his poems. What at first might appear to be linguistic awkwardness in his voicing actually becomes upon closer examination an entrance into secret regions of cultural dissonance and transformation, personal doubt and resolution and above all love. Buy this book today. Jack Anders Brooks has a kitchen drawer full of Wal-Mart stainless steel but made up of different designs from conflicting manufacturers so that yes his poesy does sometimes shine like the Dickens but it still has a remoteness and strangeness to it that dinner guests are apt to comment on afterwards when they're back home and he can't hear them. Me I love that in his work the way words gather up new meanings or try to tear themselves loose from old ones the way he's unafraid to go wandering off in the swamp even though he knows he's terrible about directions and forever getting lost. That's okay because he always finds his way back again even if he arrives from the north when we were standing out there by the gate to the east wringing our hands in despair. James Lineberger Brooks poetry is full of wise innocence, crooked humor and lots of heart. If this book is labeled a failure than at least we can say it is an admirable one. Jim Zola I don't know anyone else who can write a Brooks Hoffman poem. Or even imitate one with grace. Jenni Russell *The Penguin Book of Poems on the Indian City* Bilal Moin, 2025-05-30 From Ghalib's Delhi and Nissim Ezekiel's Bombay to Agha Shahid Ali's Srinagar and Kamala Das's Calcutta from Sarojini Naidu's Hyderabad to Arundhati Subramaniam's Madras to Kynpham Sing Nongkynrih's Shillong *The Penguin Book of Poems on the Indian City* takes you on a spectacular poetic journey across thirty-seven cities in India. This anthology contains 375 poems, those written in English and those translated from nearly twenty languages. From the classical voices of Valmiki and the Sangam poets to the Bhakti and Sufi strains of Surdas, Kabir and Amir Khusrau and the early modern figures like Mir Taqi Mir, Narmad, Rudyard Kipling and Rabindranath Tagore, this collection offers an immersive lyrical exploration of India's urban landscape. Contemporary poets such as Arvind Krishna Mehrotra, Vikram Seth, Eunice de Souza, Arun Kolatkar, Amrita Pritam, Amit Chaudhuri and Gulzar carry this tradition into the present. Together they take the reader through depictions of cities as imperial capitals, colonial outposts and dynamic ever-evolving spaces that serve as the backdrop for postmodern life. At its core, this collection portrays the Indian city as a complex organism and living embodiment of the collective consciences of its many many residents. A collection for not just those who live in the cities featured in this book but for anyone who is familiar with the chaotic, paradoxical and magical tableau that constitutes life in a city in this part of the world. **May Swenson: Collected Poems (LOA #239)** May Swenson, 2013-04-04 Often compared to the works of E. Tamil Love Poetry

Martha Ann Selby, 2011-06-07 Dating from the early decades of the third century C.E. the *Ainkurunuru* is believed to be the world's earliest anthology of classical Tamil love poetry Commissioned by a Cera dynasty king and composed by five masterful poets the anthology illustrates the five landscapes of reciprocal love jealous quarreling anxious waiting and lamentation clandestine love before marriage elopement and love in separation and patient waiting after marriage Despite its centrality to literary and intellectual traditions the *Ainkurunuru* remains relatively unknown beyond specialists Martha Ann Selby well-known translator of classical Indian poetry and literature takes the bold step of opening this anthology to all readers presenting crystalline translations of 500 poems dense with natural imagery and early examples of South Indian culture Because of their form's short length the anthology's five authors rely on double entendre and sophisticated techniques of suggestion giving their poems an almost haikulike feel Groups of verse center on one unique figure in some cases an object or an animal in others a line of direct address or a specific conversation or situation Selby introduces each section with a biographical sketch of the poet and the conventions at work within the landscape She then incorporates notes explaining shifting contexts

Excerpt He has gone off all by himself beyond the wastes where tigers used to prowl and the toothbrush trees grow tall their trunks parched on the flinty mountains while the lovely folds of your loins wide as a chariot's seat vanish as your circlet worked from gold grows far too large for you

Poems from the Heart Peter Benjamin LeBuhn, 2010-05-06 This book *Poems from the Heart* was a project that began in the early 1980's In this book I have varieties of poems all from a experience a thought a dream Many words are written and spoken of real life and feeling This is what I attempt to convey to the reader as I write I want them to experience the writing as if it were their experience as well to pull them into the page You will experience four kinds of poems here Inspirational Romantic Exotic and Tiger Poems The tiger

poems were written to try to help save the tiger in Nepal. They are all written from my heart. They are truly Poems from the Heart. *The Poetry of D. H. Lawrence* D. H. Lawrence, 2023-11-11 In *The Poetry of D H Lawrence* the poet explores the profound complexities of human emotion, nature and existence through a vivid and often visceral literary style. Lawrence's poetry is characterized by its intense imagery, rhythmic cadence and deep psychological insight, revealing a world where human relationships intertwine with natural landscapes. Thematically, the collection addresses the primal instincts that shape human behavior, reflecting the backdrop of early 20th century modernism while challenging societal norms and conventions through a deeply personal lens. D H Lawrence was not only a poet but a novelist and essayist whose life experiences heavily influenced his writing. Born in a mining town in England, his tumultuous upbringing exposed him to the struggles of the working class and the intricacies of intimacy, themes which pervade his poetic oeuvre. His friendships, travels and philosophical inquiries into spirituality and sexuality culminated in a body of work that sought to dismantle repression and explore the depths of human experience. This collection is recommended for readers interested in the intersections of literature, psychology and philosophy. Lawrence's poetry presents an invitation to delve into the subconscious and challenge one's perceptions of love, nature and self, making it an essential read for those who appreciate profound and reflective literary art. *Childe Harold's pilgrimage and other romantic poems* George Gordon NoëL Byron, 1936 **The Poems of Lord Byron - Don Juan** Jane Stabler, Gavin Hopps, 2024-08-07 Byron's *Don Juan* is one of the greatest poems in the English language. Byron's friends initially agreed that it would be impossible to publish; this Byron prevailed, however, and the first two cantos were issued anonymously after much editorial revision. Even in its revised form, *Don Juan* was perceived as a radical attack on establishment values; the poem has remained a beacon for freedom of speech and retains its power to shock. Since it was published in 1819, 24 all printed editions of the poem have used the text prepared by Byron's publishers, John Murray and John Hunt. This is the first new text of the poem to be printed in two hundred years. The Longman edition is based on a comprehensive line by line analysis of the manuscripts, so the text of the poem follows Byron's own voice, pace and pauses rather than the grammatical punctuation and more cautious word choice inserted by his nineteenth century editors. The Longman *Don Juan* has been annotated afresh, allowing readers to see where Byron left open the choice of words or rhymes and demonstrating the extraordinary breadth and depth of his literary allusions, topical and cultural references and socially coded jokes. Textual annotation includes reception history, extensive bibliographies and a detailed chronology situating *Don Juan* in the literary, scientific, dramatic, political, musical and social life of the early nineteenth century. A detailed index to the poem and annotation provides an unparalleled resource for students and scholars. **Early Auden, Later Auden** Edward Mendelson, 2017-04-25 Presented in one volume for the very first time and updated with new archival discoveries, *Early Auden, Later Auden* reintroduces Edward Mendelson's acclaimed two-part biography of W H Auden, 1907-73, one of the greatest literary figures of the twentieth century. This book offers a detailed history and interpretation of Auden's oeuvre.

spanning the duration of his career from juvenilia to his final works in poetry as well as theatre film radio opera essays and lectures Early Auden Later Auden follows the evolution of the poet's thought offering a comparison of Auden's views at various junctures over a lifetime With penetrating insight Mendelson examines Auden's early ideas methods and personal transitions as reflected in poems manuscripts and private papers The book then links changes in Auden's intellectual emotional and religious experience with his shifting public role showing the depth of his personal struggles with self and with fame and the means by which these internal conflicts were reflected in his art in later years Featuring a new preface by the author Early Auden Later Auden is an engaging and timeless work that demonstrates Auden's remarkable range and complexity paying homage to his enduring legacy *English Poetry and Prose of the Romantic Movement* George Benjamin Woods,1916

An anthology of Asian diasporic writers musing on the notion of home Bold and devastating the very definition of reclamation The International Examiner Asian diasporic writers imagine home in the twenty first century through an array of fiction memoir and poetry Both urgent and meditative this anthology moves beyond the model minority myth and showcases the singular intimacies of individuals figuring out what it means to belong The notion of home has always been elusive But as evidenced in these stories poems and testaments perhaps home is not so much a place but a feeling one embodies I read this book and see my people see us and feel in our collective outsiderhood at home Ocean Vuong New York Times bestselling author of *On Earth We're Briefly Gorgeous* To be from nowhere is the state of Asian

diaspora but there is also a wild humor and imagination that comes from being underestimated rarely counted hardly seen Here we begin to draw the hopeful outlines of a collective history for those so disparate yet often lumped together Jenny Zhang author of *My Baby First Birthday* Language allows for many homes and perhaps the writers and readers of the anthology too will succeed in returning home or finding a home through these words NPR.org Effectively dismantling all sorts of stereotypes Buchanan's anthology gives voice to notions of identity belonging and displacement that are much more vast complex and textually rich than mere geography Shelf Awareness Revolutionary for all the iterations of home it shows through fiction poetry and memoir sure to provoke a full range of emotions to swoon and clutch in my chest Literary Hub
