Rhode, 2001 The Harvest Story depicts the life of rural American threshermen This collection of first person narratives chronicles the eyewitness accounts of people who threshed grain with steam engines The book selects anecdotes from over 50 volumes of material published in The Iron Men Album Magazine from 1946 until 2001 and arranges them in a coherent recitation The result is a story of hard honest work of heartfelt cooperation and of triumph not unmarred by tragedy Readers hear the recollections of those who pitched the bundles of grain onto the horse drawn wagons unloaded these bundles into the threshing machine and saw the stream of clean wheat cascade from the grain auger Readers encounter the wit and humor that characterized yesteryear's harvests They learn about the vast industries that supported the agricultural enterprise and they discover the dangers posed by mechanical equipment The Harvest Story concludes by examining the birth and development of a movement to rescue the agrarian past from oblivion This book captures authentic voices from the era of steam powered threshing and offers readable interpretation and explanation including detailed appendices *After One Hundred Winters* Margaret D. Jacobs, 2023-10-10 A necessary reckoning with America's troubled history of injustice to Indigenous people After One Hundred Winters confronts the harsh truth that the United States was founded on the violent dispossession of Indigenous people and asks what reconciliation might mean in light of this haunted history In this timely and urgent book settler historian Margaret Jacobs tells the stories of the individuals and communities who are working together to heal historical wounds and reveals how much we have to gain by learning from our history instead of denying it Jacobs traces the brutal legacy of systemic racial injustice to Indigenous people that has endured since the nation's founding Explaining how early attempts at reconciliation succeeded only in robbing tribal nations of their land and forcing their children into abusive boarding schools she shows that true reconciliation must emerge through Indigenous leadership and sustained relationships between Indigenous and non Indigenous people that are rooted in specific places and histories In the absence of an official apology and a federal Truth and Reconciliation Commission ordinary people are creating a movement for transformative reconciliation that puts Indigenous land rights sovereignty and values at the forefront With historical sensitivity and an eye to the future Jacobs urges us to face our past and learn from it and once we have done so to redress past abuses Drawing on dozens of interviews After One Hundred Winters reveals how Indigenous people and settlers in America today despite their troubled history are finding unexpected gifts in reconciliation *In Praise of Goldens* __empty__, With their loveable looks gentle demeanor and eagerness to please golden retrievers are among the world's most charming dogs Easily trained loyal and friendly almost to a fault they are pets and companions beyond compare as easygoing as they are alert to every possibility for a frolic Gifted retrievers of course and trackers they are as likely to distinguish themselves on the obedience
