lemons Ten years ago after her mother's tragic death she broke up with her first love and abandoned her dream of opening a restaurant in order to keep her family's struggling Seattle diner afloat and care for her younger sister and grieving father. Now a decade later she dutifully whips up the diner's famous lemon meringue pies each morning while still pining for all she's lost. As Lolly's thirty-third birthday approaches her quirky great aunt gives her a mysterious gift: three lemon drops, each of which allows her to live a single day in a life that might have been hers.
