values Dr Simpson presents three action plans to build a solid financial foundation that include helping readers know where they're going, setting goals, know where they are, creating a financial snapshot and learn, play, execute, bridging the gap between their goals and financial snapshot. Part 1 introduces the SMARTER goal system to guide readers to set mindful and intentional financial goals. In Part 2, readers compare their income and expenses, assets and debt, and debt to income ratio to determine their current net worth. This provides their financial snapshot. Part 3 instructs readers on how to plan and execute strategies to make behavior changes that lead to lasting change and progress that support a secure financial future. Readers will identify and eliminate poor money management behaviors and replace them with new habits that are sustainable and aligned with their value system and goals. The power of habits and creating muscle memory will automate money management decisions and make the change in behavior much easier. The strategies offered here can be life-changing when applied.
