Organizing For Power And Empowerment

Brian D. Christens

Organizing For Power And Empowerment:

Organizing for Power and Empowerment Jacqueline B. Mondros, Scott M. Wilson, 1994-04-21 Designed to help build powerful community organizations empower ordinary citizens to become leaders and bring about major social and economic change this book offers a coherent practice based framework for understanding social action with power and empowerment at the center of analysis Topics include recruiting members consensus building leadership publicity and fundraising

Community Power and Empowerment Brian D. Christens, 2019-01-09 Many people want to help bring about changes in their neighborhoods workplaces and communities Leaders and scholars of change efforts are likewise eager for insights into what makes some organizations and coalitions capable of building and exercising power Why are some groups successful in making changes in policies and systems and in sustaining their momentum over time while others struggle or never really get off the ground With *Community Power and Empowerment* Brian D Christens brings the most comprehensive analysis of empowerment theory yet conducted to bear on these questions taking aim at many of the longstanding weaknesses and ambiguities of empowerment theory research and practice For example one major hindrance is that most notions of empowerment have not been coherently connected with community power In addition research has emphasized psychological aspects of empowerment over organizational processes and has neglected community empowerment processes to an even greater extent By linking empowerment and community power Christens constructs a holistic framework for assessing and comparing community driven change efforts This book offers new guidance for inquiries into outcomes and impacts of empowerment processes on health and well being providing a resource for researchers organizational leaders practitioners and anyone interested in collective action for change

Toward Positive Youth Development Marybeth Shinn, Hirokazu Yoshikawa, 2008-04-10 This book provides detailed strategies for transforming social settings to harness their power to promote positive youth development The book shows schools and youth programs how to assess social settings and use data to motivate and guide change efforts and daily practices Many chapters also focus on youth who are marginalized for reasons of race ethnicity immigration status or sexual orientation and show how settings can be transformed to improve the quality of experiences for all youth

Handbook of Community Movements and Local Organizations in the 21st Century Ram A. Cnaan, Carl Milofsky, 2018-05-22 This new handbook builds on *The Handbook of Community Movements and Local Organizations* published in 2007 and is the only resource defining the field of study related to small nonprofit organizations and to studying communities from the standpoint of associations that make up communities It explores the history and conceptualizations of community theoretical concepts in community organizations social movements ranging from health to crime and community practice methods Further it provides authoritative statements of major theory areas gives examples of different sub areas of the field provides guidance to people working as practitioners in the field and nicely coincides with the increasing interest in clinical sociology This handbook is of great interest to academics students and

practitioners with an interdisciplinary resource to understand and collaborate in work with contemporary communities

Empowerment Mary Nelson, 2010 The way we as Christians attempt to restore communities can be either harmful or helpful The purpose of this book on Empowerment is to move us toward more effective involvement and empowerment with the poor Leaders will learn to see our under resourced communities and their residents through a new set of eyeglasses focusing more on developing people's skills and capacities rather than simply helping the poor live better lives Empowerment is one of Eight Key Components of Christian Community Development a Biblical approach to restoring under resourced communities *International Social Work* David Cox, Manohar S. Pawar, 2006 This well written book will undoubtedly help those interested in working in the domain of international social work and social development SHORTER NOTICES Global poverty widespread conflict and post conflict reconstruction and the large population of displaced persons are just a few of the rising number of global situations that are adversely affecting the well being of millions of people Practitioners from several professions are deeply concerned about these issues and are becoming increasingly active in addressing these matters at the local national and international levels *International Social Work Issues Strategies and Programs* draws together the practice wisdom emerging within the broad scope of international social work practice Using an integrated perspectives approach which incorporates global human rights ecological and social development perspectives authors David Cox and Manohar Pawar prepare readers to actively respond to modern global challenges that are critical to the well being of people communities nations and ultimately to all of us Key Features Provides an integrated perspectives approach to international social work and social development practice to give readers alternative theoretical frameworks not found in other books Focuses on the experience of teaching and practicing international social work rather than reflecting on the field Includes tables chapter summaries learning exercises and questions possible research areas and recommended readings to prompt critical thinking and classroom discussion This book is designed to teach international social work practice to students and practitioners at all levels *International Social Work* is an ideal text for undergraduate and graduate courses in Social Work and Development Studies as well as an excellent resource for social workers human services professionals and development practitioners Social Work Practice with African American Families Cheryl Waites, 2009-06-02 Social workers looking to provide competent practice with African American families may be more effective by using a new strengths based approach from an intergenerational perspective This text presents a comprehensive look at this new approach to view assess and provide services to multigenerational families and communities *Logics of Empowerment* Aradhana Sharma, 2008 Bringing much needed specificity to the study of neoliberalism *Logics of Empowerment* fosters a deeper understanding of development and politics in contemporary India *The Power of Empowerment* Bill Ginnodo, 1997 Ginnodo demonstrates that employee empowerment is more than theory and buzzword The book shows how leading companies improve the performance of employees and managers as well as customer satisfaction costs competitiveness and the bottom line by giving

individuals and teams the power to take action The Empowerment Approach to Social Work Practice Judith A. B. Lee, 2001-03-07 First published in 1994 this book was hailed as a cutting edge theory driven report from the front line trenches in the battle for social justice Both clinical and community oriented and written from a global perspective it presents clients speaking for themselves alongside reports of prominent social work educators This new edition puts greater emphasis on how to skills in working with people toward their own empowerment and stresses multiculturalism A new chapter identifies worldwide issues of oppression such as abuse of women and children and neglect of the mentally ill

Good Intentions Overruled Elizabeth A. Townsend, 1998-01-01 Townsend illustrates how attempts by occupational therapists to enable empowerment in everyday practice are thwarted by the institutional processes of admission accountability decision making budgeting risk management and discharge **The Routledge Handbook of Religion and Cities** Katie Day, Elise M. Edwards, 2020-12-30 Like an ecosystem cities develop change thrive adapt expand and contract through the interaction of myriad components Religion is one of those living parts shaping and being shaped by urban contexts The Routledge Handbook of Religion and Cities is an outstanding interdisciplinary reference source to the key topics problems and methodologies of this cutting edge subject Representing a diverse array of cities and religions the common analytical approach is ecological and spatial It is the first collection of its kind and reflects state of the art research focusing on the interaction of religions and their urban contexts Comprising 29 chapters by a team of international contributors the Handbook is divided into three parts Research methodologies Religious frameworks and ideologies in urban contexts Contemporary issues in religion and cities Within these sections emerging research and analysis of current dynamics of urban religions are examined including housing economics and gentrification sacred ritual and public space immigration and the refugee crisis political conflicts and social change ethnic and religious diversity urban policy and religion racial justice architecture and the built environment religious art and symbology religion and urban violence technology and smart cities the challenge of climate change for global cities and religious meaning making of the city The Routledge Handbook of Religion and Cities is essential reading for students and researchers in religious studies and urban studies The Handbook will also be very useful for those in related fields such as sociology history architecture urban planning theology social work and cultural studies **Prevention Is Primary** Larry Cohen, Vivian Chavez, Sana Chehimi, 2010-08-20 The new edition of Prevention Is Primary provides models methods and approaches for building health and equity in communities This comprehensive book includes the theory concepts and models needed to harness social justice and practice primary prevention of unnecessary illness and injury Ideal for students as well as practitioners this thoroughly revised and updated second edition combines an overview of advances in the field with effective approaches in the current economic and health care climate With contributions from noted experts Prevention Is Primary shows practical applications of intervention science to social and health problems and issues facing at risk and vulnerable groups The book describes the overarching framework

and principles guiding prevention efforts including a focus on social justice and health equity and community resilience It explores the transition from prevention theory to implementation and practice and from interdisciplinary collaboration to evaluation Highlighting the book's usefulness as a teaching and learning tool Prevention Is Primary has real world examples learning objectives and review questions for each chapter

Civic Power K.Sabeel Rahman,Hollie Russon Gilman,2019-08-29 What will it take to restore American democracy and rescue it from this moment of crisis Civic Power argues that the current threat to US democracy is rooted not just in the outcome of the 2016 election but in deeper systemic forms of inequality that concentrate economic and political power in the hands of the few at the expense of the many Drawing on historical and social science research and case studies of contemporary democratic innovations across the country Civic Power calls for a broader approach to democracy reform focused on meaningfully redistributing power to citizens It advocates for both reviving grassroots civil society and novel approaches to governance policymaking civic technology and institutional design aimed at dismantling structural disparities to build a more inclusive empowered bottom up democracy where communities and people have greater voice power and agency

The Cambridge Handbook of Community Empowerment Brian D. Christens,2024-04-25 Power and empowerment are critical topics for social change This handbook maps out ways that people can collectively engage with influence and change systems that affect their lives particularly the systems that maintain inequality and oppression It includes in depth examinations of a variety of approaches to building and exercising community power in local organizations institutions and settings Each chapter examines a particular approach critically engaging with contemporary research on how and when collective action can be most effective at producing change within communities and societal systems By examining a range of approaches in diverse contexts this book provides new insights for scholars practitioners and engaged resident leaders aiming to be more precise strategic and innovative in their efforts to build and sustain community power It is the ideal resource for those working with community groups to build more just and equitable systems

Handbook of Social Work with Groups Charles D. Garvin,Lorraine M. Guti rrez,Maeda J. Galinsky,2017-02-13 This comprehensive handbook presents major theories of social work practice with groups and explores contemporary issues in designing and evaluating interventions Students and practitioners gain an in depth view of the many ways that groups are used to help people address personal problems cope with disabilities strengthen families and communities resolve conflict achieve social change and more Offering authoritative coverage of theoretical practical and methodological concerns coupled with a clear focus on empowerment and diversity this is an outstanding text for group work and direct practice courses

Labor in the New Urban Battlegrounds Lowell Turner,Daniel B. Cornfield,2018-07-05 Labor in the New Urban Battlegrounds examines a diverse array of innovative strategies for revitalizing the labor movement by forming alliances outside the workplace with a variety of community groups social movements and faith based organizations particularly those that address civil rights immigrant rights and consumer concerns This book

presents case studies of issues such as living wages community development corporations and local politics around which urban coalitions are built in union towns New York City Boston Buffalo and Seattle frontier cities Los Angeles Miami San Jose and Nashville and European cities London Frankfurt and Hamburg Introducing the role of urban social context in the field of labor revitalization the editors have chosen cases with different outcomes cities in which strong coalitions have enabled new union influence are contrasted with those in which such coalition building has been thwarted As they survey the successes and failures of the new urban labor movement the editors and contributors conclude that actor choice strategic innovation coalition building and the urban context of labor organizing are key elements in the revitalization of the labor movement and the renewal of democracy This book will allow the labor leaders of the future to learn from the recent experiences of their peers throughout the United States and Europe

The Purpose of Power Alicia Garza, 2021-09-07 An essential guide to building transformative movements to address the challenges of our time from one of the country's leading organizers and a co creator of Black Lives Matter Excellent and provocative a gateway to urgent debates Keeanga Yamahtta Taylor The New Yorker NAMED ONE OF THE BEST BOOK OF THE YEAR BY Time Marie Claire Kirkus Reviews In 2013 Alicia Garza wrote what she called a love letter to Black people on Facebook in the aftermath of the acquittal of the man who murdered seventeen year old Trayvon Martin Garza wrote Black people I love you I love us Our lives matter With the speed and networking capacities of social media BlackLivesMatter became the hashtag heard round the world But Garza knew even then that hashtags don't start movements people do Long before BlackLivesMatter became a rallying cry for this generation Garza had spent the better part of two decades learning and unlearning some hard lessons about organizing The lessons she offers are different from the rules for radicals that animated earlier generations of activists and diverge from the charismatic patriarchal model of the American civil rights movement She reflects instead on how making room amongst the woke for those who are still awakening can inspire and activate more people to fight for the world we all deserve This is the story of one woman's lessons through years of bringing people together to create change Most of all it is a new paradigm for change for a new generation of changemakers from the mind and heart behind one of the most important movements of our time

Empowering Women Julia A. Spiker, 2019-08-12 Empowering Women Global Voices of Rhetorical Influence explores the topic of women's empowerment offers a theoretical foundation to understand empowerment and addresses the value of applying a rhetorical analysis to understand women's rights In each chapter Julia A Spiker explores the rhetoric surrounding women's empowerment by analyzing elite female political leaders from around the world with each analysis incorporating a rhetorical empowerment framework to unveil key issues surrounding women's empowerment Spiker then links the rhetorical findings from each case to highlight similarities and differences in the challenges to women's empowerment outlined by world leaders The conclusion to Empowering Women synthesizes these findings to present an overarching global picture of women's empowerment Scholars of gender studies women's studies communication rhetoric international relations and

political science will find this volume especially useful
