Palgrave Advances In Charles Dickens Studies:

Palgrave Advances in Charles Dickens Studies R. Patten,J. Bowen,2005-11-30 Palgrave Advances in Charles Dickens Studies is a comprehensive and authoritative guide to the study of one of the most important Victorian novelists Its editors Robert L Patten and John Bowen are leading authorities on Dickens and the international team of contributors they have assembled contains some of the most exciting critics of nineteenth century fiction writing today The book covers the whole range of Dickens s writing and criticism about it including biographical theoretical and historical approaches It is based on up to the minute research and written in a lively and engaging way and will be essential reading for all students and scholars of this canonical writer

Knowing Dickens Rosemarie Bodenheimer,2012-11-09 In this compelling and accessible book Rosemarie Bodenheimer explores the thoughtworld of the Victorian novelist who was most deeply intrigued by nineteenth century ideas about the unconscious mind Dickens found many ways to dramatize in his characters both unconscious processes and acts of self projection notions that are sometimes applied to him as if he were an unwitting patient Bodenheimer explains how the novelist used such techniques to negotiate the ground between knowing and telling revealing and concealing She asks how well Dickens knew himself the extent to which he understood his own nature and the ways he projected himself in his fictions and how well we can know him Knowing Dickens is the first book to systematically explore Dickens s abundant correspondence in relation to his published writings Gathering evidence from letters journalistic essays stories and novels that bear on a major issue or pattern of response in Dickens s life and work Bodenheimer cuts across familiar storylines in Dickens biography and criticism in chapters that take up topics including self defensive language models of memory relations of identification and rivalry among men houses and household management and walking and writing

Charles Dickens and His Publishers Robert L. Patten,2017 This fascinating volume relates the story of Dicken s social encounters violent breaches and uneasy alliances with his publishers and illustrates how the conditions of publishing had much to do with the shape and success of Dicken s career

Dickens and the Imagined Child Peter Merchant,Catherine Waters,2016-04-22 The figure of the child and the imaginative and emotional capacities associated with children have always been sites of lively contestation for readers and critics of Dickens In Dickens and the Imagined Child leading scholars explore the function of the child and childhood within Dickens s imagination and reflect on the cultural resonance of his engagement with this topic Part I of the collection examines the Dickensian child as both characteristic type and particular example proposing a typology of the Dickensian child that is followed by discussions of specific children in Oliver Twist Dombey and Son and Bleak House Part II focuses on the relationship between childhood and memory by examining the various ways in which the child s eye view was reabsorbed into Dickens s mature sensibility The essays in Part III focus upon reading and writing as particularly significant aspects of childhood experience from Dickens s childhood reading of tales of adventure they move to discussion of the child readers in his novels and finally to a consideration of his

own early writings alongside those that his children contributed to the Gad s Hill Gazette The collection therefore builds a picture of the remembered experiences of childhood being realised anew both by Dickens and through his inspiring example in the imaginative creations that they came to inform While the protagonist of David Copperfield that favourite child among Dickens s novels comes to think of his childhood self as something which he left behind upon the road of life for Dickens himself leafing continually through his own back pages there can be no putting away of childish things

A Companion to Charles Dickens Leon Litvack, 2025-11-10 Provides an authoritative treatment of the life work and legacy of Charles Dickens A Companion to Charles Dickens is an essential resource for understanding one of the most celebrated authors in English literature This extensively revised edition features a wealth of new essays alongside select updated essays from the first edition Written by leading Dickensian scholars from around the world these contributions offer critical insights into Dickens s life works and lasting influence The Companion places Dickens s writings within their literary historical and ideological contexts equipping readers with the knowledge to engage with his fiction in a more informed and meaningful way New chapters examine Dickens s attitudes to the city and to Europe as well as his evolving literary reputation Each of his fifteen novels his Christmas Books and his sketches is explored in depth with scholars offering contemporary perspectives on their themes style and cultural impact The contributors also consider Dickens s engagement with visual culture his use of history in fiction and the ways his works continue to resonate in modern studies An indispensable guide for those seeking a deeper understanding of Dickens s world and literary contributions A Companion to Charles Dickens Presents newly commissioned essays offering fresh critical perspectives on Dickens s life and works Explores Dickens s evolving reputation and critical reception over time Contains dedicated chapters exploring key themes and interpretations of all of Dickens s novels Discusses Dickens s literary style narrative techniques and innovations in storytelling Presents a broad range of perspectives from biographical studies to thematic and ideological analyses Includes updated references bibliographies and recommendations for further reading A Companion to Charles Dickens Second Edition is an invaluable reference for undergraduate and graduate students studying English literature Victorian studies or cultural history It is also a must have for scholars researchers educators and professionals engaged in Dickens studies as well as general readers with a deep interest in his life and works

The Oxford Handbook of Charles Dickens Robert L. Patten, John O. Jordan, Catherine Waters, 2018-09-13 The Oxford Handbook of Charles Dickens is a comprehensive and up to date collection on Dickens s life and works It includes original chapters on all of Dickens s writing and new considerations of his contexts from the social political and economic to the scientific commercial and religious The contributions speak in new ways about his depictions of families environmental degradation and improvements of the industrial age as well as the law charity and communications His treatment of gender his mastery of prose in all its varieties and genres and his range of affects and dramatization all come under stimulating reconsideration His understanding of British history of empire and colonization of his own nation and

foreign ones and of selfhood and otherness like all the other topics is explained in terms easy to comprehend and profoundly relevant to global modernity

Simply Dickens Paul Schlicke, 2016-05-09 This is one of the best short introductions to Dickens's life and work that I know Paul Schlicke integrates the life of this extraordinary man with his fiction journalism and public readings in a very engaging and lively narrative I wouldn't hesitate to recommend this to the widest range of readers Malcolm Andrews Emeritus Professor Victorian Visual Arts University of Kent Editor of *The Dickensian* *Oliver Twist* *A Christmas Carol* *David Copperfield* *Bleak House* *A Tale of Two Cities* *Great Expectations* The novels of Charles Dickens 1812-1870 read like a *Who's Who* of canonical works Yet less well known is the fact that Dickens himself was something of a created character a larger than life figure who lived through his art and pursued his many passions with a theatrical zeal that could have belonged to one of his famous protagonists Largely self-taught with little formal education Dickens was catapulted to fame at the age of 24 with the publication of *The Pickwick Papers* in 1836 For the next 30 years he wrote a prodigious number of novels short stories essays and other works while simultaneously campaigning for a variety of social reforms As *Simply Dickens* colorfully describes in life and in art Dickens threw himself into everything he undertook from taking on the personalities of his characters as he wrote to pursuing such causes as children's rights and universal education While some authors have depicted Dickens as a tormented soul or cruel misogynist who compromised his work by pandering to a wide audience *Simply Dickens* convincingly shows him as a purposeful supremely talented and versatile personality whose popular appeal was central to his achievement

Dickens, His Parables, and His Reader Linda M. Lewis, 2012-01-01 Charles Dickens once commented that in each of his Christmas stories there is an express text preached on always taken from the lips of Christ This preaching Linda M. Lewis contends does not end with his Christmas stories but extends throughout the body of his work In *Dickens, His Parables, and His Reader* Lewis examines parable and allegory in nine of Dickens's novels as an entry into understanding the complexities of the relationship between Dickens and his reader Through the combination of rhetorical analysis of religious allegory and cohesive study of various New Testament parables upon which Dickens based the themes of his novels Lewis provides new interpretations of the allegory in his novels while illuminating Dickens's religious beliefs Specifically she alleges that Dickens saw himself as valued friend and moral teacher to lead his dear reader to religious truth Dickens's personal gospel was that behavior is far more important than strict allegiance to any set of beliefs and it is upon this foundation that we see allegory activated in Dickens's characters *Oliver Twist* and *The Old Curiosity Shop* exemplify the Victorian cult of childhood and blend two allegorical texts Jesus's Good Samaritan parable and John Bunyan's *The Pilgrim's Progress* In *Dombey and Son* Dickens chooses Jesus's parable of the Wise and Foolish Builders In the autobiographical *David Copperfield* Dickens engages his reader through an Old Testament myth and a New Testament parable the expulsion from Eden and the Prodigal Son respectively Led by his belief in and desire to preach his social gospel and broad church Christianity Dickens had no hesitation in manipulating biblical stories and sermons to suit his purposes

Bleak House is Dickens's apocalyptic parable about the Day of Judgment while Little Dorrit echoes the line Forgive us our debts as we forgive our debtors from the Lord's Prayer illustrating through his characters that only through grace can all debt be erased The allegory of the martyred savior is considered in Hard Times and A Tale of Two Cities Dickens's final completed novel Our Mutual Friend blends the parable of the Good and Faithful Servant with several versions of the Heir Claimant parable While some recent scholarship debunks the sincerity of Dickens's religious belief Lewis clearly demonstrates that Dickens's novels challenge the reader to investigate and develop an understanding of New Testament doctrine Dickens saw his relationship with his reader as a crucial part of his storytelling and through his use and manipulation of allegory and parables he hoped to influence the faith and morality of that reader

Dickens's Idiomatic Imagination Peter J. Capuano, 2023-12-15 Dickens's Idiomatic Imagination offers an original analysis of how Charles Dickens's use of low and slangular his neologism language allowed him to express and develop his most sophisticated ideas Using a hybrid of digital distant and analogue close reading methodologies Peter J Capuano considers Dickens's use of bodily idioms right hand man shoulder to the wheel nose to the grindstone against the broader lexical backdrop of the nineteenth century Dickens was famously drawn to the vernacular language of London's streets but this book is the first to call attention to how he employed phrases that embody actions ideas and social relations for specific narrative and thematic purposes Focusing on the mid to late career novels Dombey and Son David Copperfield Bleak House Great Expectations and Our Mutual Friend Capuano demonstrates how Dickens came to relish using common idioms in uncommon ways and the possibilities they opened up for artistic expression Dickens's Idiomatic Imagination establishes a unique framework within the social history of language alteration in nineteenth century Britain for rethinking Dickens's literary trajectory and its impact on the vocabularies of generations of novelists critics and speakers of English

Dickens and the Myth of the Reader Carolyn W. de la L. Oulton, 2016-11-10 This study explores the ways in which Dickens's published work and his thousands of letters intersect to shape and promote particular myths of the reading experience as well as redefining the status of the writer It shows that the boundaries between private and public writing are subject to constant disruption and readjustment as recipients of letters are asked to see themselves as privileged readers of coded text or to appropriate novels as personal letters to themselves Imaginative hierarchies are both questioned and ultimately reinforced as prefaces and letters function to create a mythical reader who is placed in imaginative communion with the writer of the text But the written word itself becomes increasingly unstable through its association in the later novels with evasion fraud and even murder

Reflections on / of Dickens Ewa Kujawska-Lis, Anna Krawczyk-Łaskarzewska, 2014-07-24 This collection of new essays draws attention to the various and complex ways in which scholars and critics have reflected upon and reacted to Charles Dickens's texts including his novels short fiction and journalism Subsequent to the initial publication of Dickens's works writers visual artists and filmmakers have re imagined transposed and transformed them from the mid nineteenth century to the present Although

Reflections on of Dickens recognizes the writer's importance as first and foremost a major figure in literature it nevertheless offers a uniquely vast array of approaches to his literary output ranging from intertextual and generic strategies through gender studies translation studies and comparative literary studies to issues connected with reception popular culture visual culture and performing arts The diverse thematic preoccupations present in this highly interdisciplinary volume attest to Dickens's central position in the British canon and his global appeal while at the same time narrowing the gap between traditional textual analysis and more contextualised readings of his oeuvre taking into account the socio cultural and historical circumstances thanks to which his literary reputation continues to flourish

The Cambridge Introduction to Charles Dickens Jon Mee, 2010-09-02 Charles Dickens became immensely popular early on in his career as a novelist and his appeal continues to grow with new editions prompted by recent television and film adaptations as well as large numbers of students studying the Victorian novel This lively and accessible introduction to Dickens focuses on the extraordinary diversity of his writing Jon Mee discusses Dickens's novels journalism and public performances the historical contexts and his influence on other writers In the process five major themes emerge Dickens the entertainer Dickens and language Dickens and London Dickens gender and domesticity and the question of adaptation including Dickens's adaptations of his own work These interrelated concerns allow readers to start making their own new connections between his famous and less widely read works and to appreciate fully the sheer imaginative richness of his writing which particularly evokes the dizzying expansion of nineteenth century London

Dickens and Benjamin Gillian Piggott, 2016-04-15 Placing the works of Charles Dickens and Walter Benjamin in conversation with one another Gillian Piggott argues that the two writers display a shared vision of modernity Her analysis of their works shows that both writers demonstrate a decreased confidence in the capacity to experience truth or religious meaning in an increasingly materialist world and that both occupy similar positions towards urban modernity and its effect upon experience Piggott juxtaposes her exploration of Benjamin's ideas on allegory and messianism with an examination of Dickens's *The Old Curiosity Shop* arguing that both writers proffer a melancholy vision of a world devoid of space and time for religious experience a state of affairs they associate with the onset of industrial capitalism In Benjamin's *The Arcades Project* and Dickens's *Sketches by Boz* and *Tale of Two Cities* among other works the authors converge in their hugely influential treatments of the city as a site of perambulation creativity memory and autobiography At the same time both authors relate to the vertiginous mutable fast paced nature of city life as involving a concomitant change in the structure of experience an alteration that can be understood as a reduction in the capacity to experience fully Piggott's persuasive analyses enable a reading of Dickens as part of a European particularly a German tradition of thinkers and writers of industrialization and modernity For both Dickens and Benjamin truth appears only in moments of revelation in fragments of modernity

Overwhelmed Maurice S. Lee, 2019-09-10 As Lee shows in *Overwhelmed* the rapid expansion of print created new relationships between literature and information He presents a new

argument rather than being at odds as generations of critics have viewed them literature and information in the 19th century were entangled in surprisingly collaborative ways

Spectral Dickens Alexander Bove, 2021-02-09 Drawing on the recent ontological turn in critical theory *Spectral Dickens* explores an aspect of literary character that is neither real nor fictional but spectral This work thus provides an in depth study of the inimitable characters populating Dickens illustrated novels using three hauntological concepts the Freudian uncanny Derridean spectrality and the Lacanian real Thus while the current discourse on character studies which revolves around values like realism depth and lifelikeness tends to see characters as mimetic of persons this book invents new critical concepts to account for non mimetic forms of characterization These spectral forms bring to light the important influence of developments in nineteenth century visual culture such as the lithography and caricature of Daumier and J J Grandville The spectrality of novelistic characters developed here paves the way for a new understanding of fictional characters in general

Dickens' Novels as Poetry Jeremy Tambling, 2014-11-13 Focusing on the language style and poetry of Dickens novels this study breaks new ground in reading Dickens novels as a unique form of poetry Dickens writing disallows the statement of single unambiguous truths and shows unconscious processes burrowing within language disrupting received ideas and modes of living Arguing that Dickens within nineteenth century modernity sees language as always double Tambling draws on a wide range of Victorian texts and current critical theory to explore Dickens interest in literature and popular song and what happens in jokes in caricature in word play and punning and in naming Working from Dickens earliest writings to the latest deftly combining theory with close analysis of texts the book examines Dickens key novels such as *Pickwick Papers* *Martin Chuzzlewit* *Dombey and Son* *Bleak House* *Little Dorrit* *Great Expectations* and *Our Mutual Friend* It considers Dickens as constructing an urban poetry alert to language coming from sources beyond the individual and relating that to the dream life of characters who both can and cannot awake to fuller different consciousness Drawing on Walter Benjamin Lacan and Derrida Tambling shows how Dickens writes a new and comic poetry of the city and that the language constitutes an unconscious and secret autobiography This volume takes Dickens scholarship in exciting new directions and will be of interest to all readers of nineteenth century literary and cultural studies and more widely to all readers of literature

Queer Dickens Holly Furneaux, 2009-12-10 This book offers a radically new reading of Dickens and his major works It demonstrates that rather than representing a largely conventional conservative view of sexuality and gender he presents a distinctly queer corpus everywhere fascinated by the diversity of gender roles the expandability of notions of the family and the complex multiplicity of sexual desire The book examines the long overlooked figures of bachelor fathers maritally resistant men and male nurses It explores Dickens s attention to a longing not to reproduce but to nurture his interest in healing touch and his articulation over the course of his career of homoerotic desire Holly Furneaux places Dickens s writing in a broad literary and social context alongside authors including Bulwer Lytton Tennyson Braddon Collins and Whitman to make a case for Dickens s central position in queer literary history

Examining novels poetry life writing journalism and legal and political debates Queer Dickens argues that this eminent Victorian can direct us to the ways in which his culture could and did comfortably accommodate homoeroticism and families of choice Further it contends that Dickens s portrayals of nurturing masculinity and his concern with touch and affect between men challenge what we have been used to thinking about Victorian ideals of maleness Queer Dickens intervenes in current debates about the Victorians neither so punitive nor so prudish as we once imagined and about the methodologies of the histories of the family and of sexuality It makes the case for a more optimistic nurturing and life affirming trajectory in queer theory

The Science of Starving in Victorian Literature, Medicine, and Political Economy Andrew Mangham,2020-04-24 The Science of Starving in Victorian Literature Medicine and Political Economy is a reassessment of the languages and methodologies used throughout the nineteenth century for discussing extreme hunger in Britain Set against the providentialism of conservative political economy this study uncovers an emerging dynamic way of describing literal starvation in medicine and physiology No longer seen as a divine punishment for individual failings starvation became in the human sciences a pathology whose horrific symptoms registered failings of state and statute Providing new and historically rich readings of the works of Charles Kingsley Elizabeth Gaskell and Charles Dickens this book suggests that the realism we have come to associate with Victorian social problem fiction learned a vast amount from the empirical materialist objectives of the medical sciences and that within the mechanics of these intersections we find important re examinations of how we might think about this ongoing humanitarian issue

Dickens and Childhood Laura Peters,2017-03-02 No words can express the secret agony of my soul Dickens s tantalising hint alluding to his time at Warren s Blacking Factory remains a gnomic statement until Forster s biography after Dickens s death Such a revelation partly explains the dominance of biography in early Dickens criticism Dickens s own childhood was understood to provide the material for his writing particularly his representation of the child and childhood Yet childhood in Dickens continues to generate a significant level of critical interest This volume of essays traces the shifting importance given to childhood in Dickens criticism The essays consider a range of subjects such as the Romantic child the child and the family and the child as a vehicle for social criticism as well as current issues such as empire race and difference and death Written by leading researchers and educators this selection of previously published articles and book chapters is representative of key developments in this field Given the perennial importance of the child in Dickens this volume is an indispensable reference work for Dickens specialists and aficionados alike

Serialization in Popular Culture Rob Allen,Thijs van den Berg,2014-05-23 From prime time television shows and graphic novels to the development of computer game expansion packs the recent explosion of popular serials has provoked renewed interest in the history and economics of serialization as well as the impact of this cultural form on readers viewers and gamers In this volume contributors literary scholars media theorists and specialists in comics graphic novels and digital culture examine the economic narratological and social effects of serials from the nineteenth to the twenty first

century and offer some predictions of where the form will go from here

Palgrave Advances In Charles Dickens Studies Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Palgrave Advances In Charles Dickens Studies free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Palgrave Advances In Charles Dickens Studies free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Palgrave Advances In Charles Dickens Studies free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that

the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Palgrave Advances In Charles Dickens Studies. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Palgrave Advances In Charles Dickens Studies any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Palgrave Advances In Charles Dickens Studies Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook's credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What's the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Palgrave Advances In Charles Dickens Studies is one of the best books in our library for free trial. We provide a copy of Palgrave Advances In Charles Dickens Studies in digital format, so the resources that you find are reliable. There are also many eBooks of related works with Palgrave Advances In Charles Dickens Studies. Where to download Palgrave Advances In Charles Dickens Studies online for free? Are you looking for Palgrave Advances In Charles Dickens Studies PDF? This is definitely going to save you time and cash in something you should think about.
