## **Pancakes With Chocolate Syrup:**

*Pancakes with Chocolate Syrup* Cinda Peavy, 2004-01-16 Born in Cleveland Ohio in 1927 the author's life changed dramatically a year later when his English immigrant parents took him and his sister on a visit to England and never returned. He lived in London for the next seventeen years before claiming his American birthright by enlisting in the U S Army during World War II. Following service in France and Germany he was discharged in 1946 and settled in Reading Pennsylvania. In 1999 as a family legacy he decided to write about his unusual and sometimes hazardous English childhood weaving into his own life experiences those important World War II events that were occurring at the same time. His Horatio Alger life since returning to the United States is a testament to the many only in America opportunities that he encountered during the ensuing years. Clearly his story was worth telling and is one that many will enjoy reading. *Pancakes with Chocolate Syrup*
