Midnight's Children Salman Rushdie,2010-12-31 Winner of the Booker prize and twice winner of the Booker of Bookers Midnight s Children is one of the most important books to come out of the English speaking world in this generation New

York Review of Books Reissued for the 40th anniversary of the original publication with a new introduction from the author
 Salman Rushdie's widely acclaimed novel is a masterpiece in literature Saleem Sinai is born at the stroke of midnight on
 August 15 1947 the very moment of India's independence Greeted by fireworks displays cheering crowds and Prime Minister
 Nehru himself Saleem grows up to learn the ominous consequences of this coincidence His every act is mirrored and
 magnified in events that sway the course of national affairs his health and well being are inextricably bound to those of his
 nation his life is inseparable at times indistinguishable from the history of his country Perhaps most remarkable are the
 telepathic powers linking him with India's 1 000 other midnight's children all born in that initial hour and endowed with
 magical gifts This novel is at once a fascinating family saga and an astonishing evocation of a vast land and its people a
 brilliant incarnation of the universal human comedy *Midnight's Children* stands apart as both an epochal work of fiction and
 a brilliant performance by one of the great literary voices of our time *Girl Flying Kite* Nancy Louise Lewis, 2017-09-25 The
 absolutely stunning poetry collection *Girl Flying Kite Poems* consists of forty two poems written by an award winning writer
 Nancy Louise Lewis features poems that came from a childhood spent in Appalachia and her other life experiences She deals
 with sexual abuse questions pre conceived ideas about the world around us and experiments with language in her works She
 says Many of the poems have won awards and I wanted to collect the best of my work into one volume More to come The first
 poem in the collection and the title of her book *Girl Flying Kite* describes the moment a nuclear bomb exploded over
 Nagasaki Japan during World War II Her poem begins We have to imagine she had flaws the girl whose shade is blasted
 forever into Nagasaki stone She was doubtless less beautiful than the outline suggests It ends Seen from far above the earth
 the mushroom cloud containing the molecules of the girl must have looked like a giant knob opening the door to a roomful of
 human horrors lives no more than scraps of paper to be wadded up and tossed into a corner trash basket Her words are
 poignant powerful and most importantly unforgettable *Ecoss*, 1983 **War, Literature, and the Arts**, 1992 **Draft**
Environmental Impact Statement and Proposed Coastal Management Program for the State of Hawaii National
 Ocean Survey. Office of Coastal Zone Management, 1978 Draft environmental impact statement on coastal zone management
 for the Hawaiian Islands *African Pride and the German Guide* Koushik Castle, 2010-12-14 Revolutionary Poetry Book
African Pride and the German Guide Exposes Present Forms of Racial Discrimination A new poetry book entitled *African*
Pride and the German Guide Petty Octopus Got Crucified by Koushik Castle released and will most certainly cause an uproar
 Castle who is a well known Indian poet wrote the book in a very realistic and strikingly contemporary voice as it
 controversially exposes the exploitation of Africans as well as African Americans by policy makers of developed and
 undeveloped countries Gandhi started his movement against color discrimination in South Africa more than 100 years ago
 and now Castle is again trying to draw the attention of people towards current and prevalent color discrimination in various
 nations For instance in the book Castle statistically describes how consumerism supports modern day slavery in the forms of

child labor and child militancy in Africa Some of the poems are piercing pieces of social commentary and others are very path breaking as they shockingly reveal that people are hiding the real factors when they blame the mismanagement of African countries for their problems In one poem entitled Rwandan Coffee Castle rhythmically reveals the little known fact that it was American Coffee Middlemen who were responsible for hunger and militancy in Rwanda during the decade of the nineties In poems like Gold Coins of Congo and Diamond of Darkness readers will have a first hand experience of how children are exploited in gold mines of Congo and diamond fields in Sierra Leone In poems like Don't Color the Prison West Coast Vs East Coast and Hip Hop Shady Castle portrays contemporary African American characters and describes their problems and apathy of government administration towards them and deflates collective euphoria of equality and change promised to them All of the poems are so lyrical that it is expected that many of them will be adapted into hip hop and rock songs Castle also poetically describes the fairness obsession in the world's largest democratic country India where many of the Indian people still consider being light skinned to be better than dark skinned By exploiting this obsession global cream companies are generating wealth by selling whitening creams A staunch supporter of women rights Castle's book also features poems like Russian Beauty which is a heart touching description of how women are trafficked in today's modern world and are forced to sell their bodies Souls of Girls exposes the cruel mindsets of people who kill their daughters even before they are born by using techniques like ultrasound Nazi Minds Precious and Hello Mr Prince and Petty Octopus are definitely going to spark controversy as the poet boldly gives the psychological insights of the people who still feel they are superior to others Poems like Precious and Hello Mr Prince openly criticize those who make comments on the physical appearances of others and the way they dress Any poetry book is incomplete without romance so Castle has written eternal romantic poems like Romantic Isle and Folded Pages as well as poems like Teen Sins and Apologies which are inspired by modern day youth lifestyle He didn't forget to write futuristic poems like Digital Games Beyond Fifth Dimension Prisoner of Binary which really gives a look in to the world's future
