The Shameless Ace Atkins, 2019-07-09 Buried secrets, dirty lies, and unbridled greed and ambition raise the stakes down South in the lauded crime series from New York Times bestselling author Ace Atkins. Twenty years ago, Brandon Taylor was thought to be just another teen boy who ended his life too soon. That's what almost everyone in Tibbehawh County, Mississippi, said after his body and hunting rifle were found in the Big Woods. Now two New York-based reporters show up asking Sheriff Quinn Colson questions about the Taylor case: What happened to the evidence? Where are the missing files? Who really killed Brandon? Quinn wants to help. After all, his wife Maggie was a close friend of Brandon Taylor. But Quinn was just a kid himself in 1997, and these days he's got more on his plate than twenty-year-old suspicious death. He's trying to shut down the criminal syndicate that's had a stranglehold on Tibbehawh for years, trafficking drugs, stolen goods, and young women through the MidSouth Truck stop madam Fannie Hathcock runs most of that action and has her eyes on taking over the whole show. And then there's Senator Jimmy Vardaman, who's cut out the old political establishment, riding the Syndicate's money and power, plus a hefty helping of racism and ignorance straight to the governor's office. If he manages to get elected, the Syndicate will be untouchable. Tibbehawh will be lawless. Quinn's been fighting evil and corruption since he was a kid at home or as a U.S. Army Ranger in Afghanistan and Iraq. This time, evil may win out.

On the Clock Tim Enochs, Bruce Tollner, 2016-12-20 On the most important day of his life, quarterback sensation Adam Alford finds himself lost in a sea of people and cameras in the greenroom at the NFL Draft. He lost his mom in a violent storm when he was 10. After her death, his one-hit wonder Country Music singer-songwriter dad was relegated to singing at a local roadside club as he struggled with alcohol, depression, and the responsibility of raising Adam. With the uncommon influence of Adam's agent, his girlfriend, and her mom, he and his dad found a way to make it. *On the Clock* outlines the simple principles of success that got Adam and his father through their trials, showing readers they, too, can fight through adversity and achieve their own personal goals.

Really Winning Jim Mastrich, 2002-09-21 Dr. Jim Mastrich's years of experience as a licensed psychologist who consults athletes and counsels troubled adolescents and their families is the foundation of *Really Winning*, a comprehensive guide that provides mentors with the tools to foster integrity and character in boys. A must for any parent, this practical guide encourages parents and coaches to help athletes develop compassion and empathy instead of becoming arrogant and self-centered. Many of the modern-day heroes for boys are sports figures. But it seems today, for every Tiger Woods whose talent is matched by good character, there's a Mike Tyson whose exploits and abuses give sports a bad name. *Really Winning* goes beyond many boy books published in recent years. By focusing specifically on the positive aspects of athletics and incorporating the psychological background of our boys, Dr. Mastrich helps parents, coaches, and administrators create the ideal conditions for boys to become young men with sound character. Using many vignettes from his

own practice Dr Mastrich has shaped Really Winning into a readable practical anecdotal guidebook that no parent should be without *The Law Times Reports* ,1863 *More ProActive Sales Management* William Miller,2009-02-15 Building on the concrete advice and practical powerful strategies revealed in its predecessor More ProActive Sales Management provides harried sales managers with a proven method for managing the sales process and their people Packed with specific field tested techniques this helpful guide focuses on the five primary areas in which mistakes occur internal team decisions upward decisions sales decisions infrastructure decisions and decisions regarding the manager himself Readers will learn how to regain control of their time create a proactive sales culture motivate a sales team use simple yet powerful metrics weed out failures quickly coach and counsel up and down the sales organization reduce reports to one sheet of paper and 10 minutes a week forecast more confidently This book shows sales managers at every level how to manage for great results

Constructing the Outbreak Katherine A. Foss, 2020-09-25 When an epidemic strikes media outlets are central to how an outbreak is framed and understood While reporters construct stories intended to inform the public and convey essential information from doctors and politicians news narratives also serve as historical records capturing sentiments responses and fears throughout the course of the epidemic Constructing the Outbreak demonstrates how news reporting on epidemics communicates more than just information about pathogens rather prejudices political agendas religious beliefs and theories of disease also shape the message Analyzing seven epidemics spanning more than two hundred years from Boston's smallpox epidemic and Philadelphia's yellow fever epidemic in the eighteenth century to outbreaks of diphtheria influenza and typhoid in the early twentieth century Katherine A Foss discusses how shifts in journalism and medicine influenced the coverage preservation and fictionalization of different disease outbreaks Each case study highlights facets of this interplay delving into topics such as colonization tourism war and politics Through this investigation into what has been preserved and forgotten in the collective memory of disease Foss sheds light on current health care debates like vaccine hesitancy

BRADLEY, 2014-01-17 False Flag is a complex story of politics and power yet it's also the story of the remarkable people of Bridgeview the sixteenth town on Cape Cod How the people of Bridgeview react to a treasonous plot imposed on their community by conspirators based in Washington D C illustrates the strengths and weaknesses and remarkable resilience of average Americans At first the quiet tourist oriented seaside town is the scene of a near drowning but when the local police prove more astute than expected everything changes As the political mystery unfolds investigators are led inexorably toward an unexpected and at first hardly believable conclusion that is rogue government officials are seeking to create on U S soil an incident that can be used to justify American military retaliation against another nation To the conspirators Bridgeview is perfectly located in a world renowned resort area and it abuts the Mass Military Reservation still called Otis Known as Edwards Army Base in WWII when it was the jump off spot for the War in Europe and as Otis Air Base a huge Strategic Air Command facility during the Cold War it is now home to multiple armed services detachments as well as special op training facilities However while the massive runways and the central facilities remain well maintained other areas of the 22 000 acre base are nearly forgotten creating a perfect
