Benson,2021-02-13 That would be an interesting thing for them it would cause one of those little thrills of pleasant excitement and conjectural exercise which supplied Riseholme with its emotional daily bread They would all wonder what had happened to her whether she had been taken ill at the very last moment before leaving town and with her well known fortitude and consideration for the feelings of others had sent her maid on to assure her husband that he need not be anxious That would clearly be Mrs Quantock's suggestion for Mrs Quantock's mind devoted as it was now to the study of Christian Science and the determination to deny the existence of pain disease and death as regards herself was always full of the gloomiest views as regards her friends and on the slightest excuse pictured that they poor blind things were suffering from false claims Indeed given that the fly had already arrived at The Hurst and that its arrival had at this moment been seen by or reported to Daisy Quantock the chances were vastly in favour of that lady's having already started in to give Mrs Lucas absent treatment Very likely Georgie Pillson had also seen the anticlimax of the fly's arrival but he would hazard a much more probable though erroneous solution of her absence He would certainly guess that she had sent on her maid with her luggage to the station in order to take a seat for her while she herself oblivious of the passage of time was spending her last half hour in contemplation of the Italian masterpieces at the National Gallery or the Greek bronzes at the British Museum Certainly she would not be at the Royal Academy for the culture of Riseholme led by herself rejected as valueless all artistic efforts later than the death of Sir Joshua Reynolds and a great deal of what went before Her husband with his firm grasp of the obvious on the other hand would be disappointingly capable even before her maid confirmed his conjecture of concluding that she had merely walked from the stat *Queen Lucia* E. F. Benson, E. F.,2017-10-24 Introduces the irrepressible Mrs Emmeline Lucas and paints a fascinating portrait of the 1920's British upperclass **Queen Lucia** E. F. E. F. Decadent Devious Demented Delicious Riseholme is ruled by its very own doyenne of style and taste and class one Emmeline Lucia Lucas She utterly commands the village an ever benevolent dictator over all things that truly matter Her right hand man is Georgie a bachelor of means and of a certain age a faithful lieutenant whose extensive time spent in Lucia s home creates absolutely no tension whatsoever with Lucia s husband Precious Georgie With his embroidery and his watercolors and his lovely color coordinated outfits and his cape yes darlings his cape and of course his monthly battles with hair loss and graying Fortunately he engages the services of hair dye and the comb over but shhh We shall not speak of such things Let us instead speak of more important matters in quaint baby talk or made up Italian much as Georgie and Lucia and her husband Peppino often converse *Lucia's trust* Catharine Shaw,1893
