Queen N Country:

Queen and Country William Shawcross, 2002 This magnificently illustrated volume produced in cooperation with BBC Books in London combines an insightful text by noted historian Shawcross with personal recollections and over 100 remarkable images chronicling the half century reign of Queen Elizabeth II Full color and b w **For the Queen and**

Country Rodney Ashwood, 2005 **Queen and Country, Vol. 2: Operation: Morningstar** Greg Rucka, 2002-10-01 Afghanistan is one of the hottest political spots in the world When the taleban discovers foreign journalists are also serving as covert agents for the SIS the Minders are put on a mission to find a secret contact list before the enemy does however when Director of Operations Paul Crocker decides to send only his male agents into the field it doesn't sit well with Tara Chace Adding insult to injury she's currently required to attend therapy sessions to deal with the effects of previous operations Not content to sit on her hands Tara spends her time trying to piece together the puzzle aiding Minders Wallace and Kittering in their race against the clock This second collection of the acclaimed series QUEEN COUNTRY breaks new ground for comics tackling tough subject matter in a realistic and intriguing way **Queen and Country, Vol. 3:**

Operation Crystal Ball Greg Rucka, Mahmoud Youseff a Lebanese citizen walks into a British Embassy in Cairo declaring himself to be a member of the Group Islamique Arme and claiming to have information about a plot by the Egyptian Islamic Jihad to launch a terrorist attack on British citizens Tara Chace the operative designated Minder Two of the Special Section of the SIS is immediately dispatched to meet with Youseff and strike a deal What follows is a frenetic search across the world for the EIJ's stockpile of Sarin gas and more importantly where they plan to unleash it Sarajevo Baghdad Rome Osaka the Minders are determined to halt this deadly game before it even gets started **Queen and Country Vol. 1: Operation:**

Broken Ground Greg Rucka, As part of the Special Section of Britain's Ministry of Intelligence Tara Chace is one of a handful of operatives they call when they need to clean up a mess or to make a new one It's certainly a world of questionable morals For instance is it better to assassinate a general in the Russian mafia to take his life rather than allow him to peddle more guns and drugs in underprivileged countries Tara's bosses seem to think so But the Russian mafia ask their own questions once someone has taken the life of one of their officers can they continue to let that person live Greg Rucka peels back the lid on the traditional espionage story to reveal the nastiness inside and Steve Rolston brings it to life with stunning clarity Queen Country Vol 1 Operation Broken Ground also features chapter break art by Tim Sale and a special short story illustrated by Stan Sakai *Queen and country* Emma Vickers, 2015-11-01 The first study of its kind in the UK Queen and country examines the complex intersection between same sex desire and the British Armed Forces during the Second World War It illuminates how men and women lived loved and survived in an institution which at least publicly was unequivocally hostile towards same sex activity within its ranks Queen and country also tells a story of selective remembrance and the politics of memory exploring specifically why same sex desire continues to be absent from the historical record of the war In

examining this absence and the more intimate minutiae of cohesion homosociability and desire this study pushes far beyond traditional military history in order to cast new light on one of the most widely discussed conflicts of the twentieth century
