Ambiguous Women in Medieval Art Monica Ann Walker Vadillo, 2019-12-31 Ambiguous Women in Medieval Art brings together the work of seven researchers who coming from different perspectives

and in some cases different disciplines approach the question of ambiguity in relation to different case studies where the represented women do not follow the ever present dichotomy exemplified by Eve and Mary In doing so they demonstrate the complexities of a topic that is as contemporary as it is ancient Through them we can get valuable insights on the understanding and experience of gender in the past and the ways in which these experiences have shaped our own understanding of this topic

The North Transept of Reims Cathedral Jennifer M. Feltman, 2016-07-15 This interdisciplinary volume in the AVISTA series is the first book to focus solely on the north transept of Reims Cathedral the portion of the gothic building that served as the canons primary entrance to the cathedral from their adjoining cloister in the thirteenth century Despite the importance of its sculpture and stained glass as well as its ritual use by the canons the north transept remains one of the least understood portions of the cathedral in part because its sequence of construction is so complex even improvised Until recently important archaeological evidence of the transept s substructures was unavailable This is however no longer the case The current volume presents this new subterranean evidence alongside careful studies of the stones above ground analysis of the geometry used in the transept s design iconographic and stylistic studies of its sculpture and glass and extant medieval documents which record events bearing upon its construction Essays by international specialists of the cathedral s archaeology architecture sculpture and stained glass address issues of the north transept s evolving design and visual programs thereby significantly clarifying and revising the building s chronology Essays also consider the meaning of its visual programs in light of architectural adaptation and contemporary socio historical events whether royal coronations or the infamous revolts of the local burghers In addition to presenting a readily accessible state of the research on the north transept the volume also provides a model for interdisciplinary and international collaboration in the study of medieval buildings

Life in Acre uses five parchment rolls that inventoried the possessions of Eudes of Nevers son of the duke of Burgundy at his death in Acre in 1266 to open out a panorama of Christian crusader life The contents of the rolls or rouleaux span from the pay rendered to knights and servants to the numerous possessions of a crusading nobleman The inventory provides insight into the medieval Outremer even as it provokes questions about trade diplomacy remembrance and the methodological challenges of evoking material objects in texts Anne E Lester and Laura K Morreale present the first complete modern French edition and English translation of the rouleaux along with seven crusade poems by Rutebeuf In addition A Crusader's Death and Life in Acre contains a wealth of scholarly commentary that addresses the composition of the rouleaux the life and relationships of Eudes and the culture of crusading in its material written devotional and poetic forms Contributors Sharon Farmer Andrew Jotischky Anne Latowsky Richard A Leson Maureen C Miller Jonathan Rubin Uri Zvi Shachar and Caroline Smith

Bibliographic Index, 1999 Born to Write Neil Kenny, 2020-02-27 It is easy to forget how deeply embedded in social hierarchy was the literature and learning that has come down to us from the early modern European world From fiction to philosophy from poetry to history works of all kinds emerged from and through the social hierarchy that was a fundamental fact of everyday life Paying attention to it changes how we might understand and interpret the works themselves whether canonical and familiar or largely forgotten But a second related fact is much overlooked too works also often emanated from families not just from individuals Families were driving forces in the production that is in the composing editing translating or publishing of countless works Relatives collaborated with each other edited each other or continued the unfinished works of deceased family members some imitated or were inspired by the works of long dead relatives The reason why this second fact about families is connected to the first about social hierarchy is that families were in the period a basic social medium through which social status was claimed maintained threatened or lost So producing literary works was one of the many ways in which families claimed their place in the social world The process was however often fraught difficult or disappointing If families created works as a form of socio cultural legacy that might continue to benefit their future members not all members benefited equally women sometimes produced or claimed the legacy for themselves but they were often sidelined from it Relatives sometimes disagreed bitterly about family history identity not least religious and so about the picture of themselves and their family that they wished to project more widely in society through their written works whether printed or manuscript So although family was a fundamental social medium out of which so many works emerged that process could be conflictual as well as harmonious The intertwined role of family and social hierarchy within literary production is explored in this book through the case of France from the late fifteenth to the mid seventeenth century Some families are studied here in detail such as that of the most widely read French poet of the age Clément Marot But the extent of this phenomenon is quantified too some two hundred families are identified as each containing more than one literary producer and in the case of one family an extraordinary twenty seven American Book Publishing Record, 1998 *The*

Church of Santa Maria Donna Regina Janis Elliott, 2017-07-05 The church of Santa Maria Donna Regina in Naples is a rare example of aristocratic convent architecture in Italy designed and built for the devotional use of the Clarissan nuns Its decorative programme rivals that of Giotto's Arena Chapel in Padua in scope iconographical complexity and quality of artistic production The first book in English on this important church this elegantly written volume is also the first full scale study to bring together innovative interdisciplinary research on the building The authors explore themes relating to the architecture decoration sculpture iconography audience liturgy and patronage of Santa Maria Donna Regina enriching our understanding of the art patronage of royal women and the monastic experience of Clarissan nuns as well as the politics culture and patronage of trecento Naples Over one hundred illustrations many commissioned specially for the book accompany the text

The Top Books of the Year Queen Of Sicily Gothic Stained Glass The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous captivating novels enthralling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the captivating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Queen Of Sicily Gothic Stained Glass : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
