**A to Z of Dreams and Their Meanings** Gordon Cotter, 2011-05-05 Synopsis of myself Gordon Cotter Male DOB 11 05 1934 in Birmingham England In September 1939 I and thousands of children was evacuated from inner cities to rural Britain this was to escape the onset of heavy bombing by German Luftwaffe planes As war had been declared on Germany I was sent to a small community in Northern Scotland There was no communication in those days Only things we heard was from the Radio It was put on twice a day The local community was made up of farmers and some of the wives went to the local Landowner as maids and cleaning staff I was 5 years old and it took time for me to be accepted I went to the local schoolhouse three times a week for lessons The rest of the time I was expected to help around the farmyard I began to notice that a lot of women often came to the house and was taken into the parlour sometimes I would sneak into here and watch and listen to the women talking After a while I got braver and just sat in a corner whilst the women were there It began to come to me that these women were telling my Grandma about their dreams When they were finished they gave my granda some eggs or butter Now I understand it was payment As time went on I began to understand more of what granda was saying to these women I became interested in it I still did not know what it was about Years past and when I was about eleven or twelve The was came to an end I had settled into life in Scotland and quite enjoyed the life It was then that I was told about

me being an Evacuee and I could return to my original home if I wanted to I did not remember any of it so I said that I wanted to stay Years Later I regretted this action I had become very close to my grandmother during this time and she and I often talked about the dreams and she said that I did seem to have the gift I had by this time began to understand just what she meant by the various talks with these women I was eventually allowed to sit in on the talks and sometimes I was asked for my opinion In later life my granda became poorly and she showed me a lot of her private books that she had written down her musings on all of the subjects within dreams I was asked to take over from her for the readings When she died I was asked if I wanted anything of hers I asked for the books that she had written down her thoughts on the subject I moved back to Birmingham and the books lay in my attic for years In 1972 I came across them and again began to get an interest in the interpretation of dreams I got out grandma s books and decided to bring them up to date It has taken my since then to complete them

The Dreamer of Dreams 12th cent. de France Marie, Boardwalk of Dreams Bryant Simon,2004-07-29 During the first half of the twentieth century Atlantic City was the nation s most popular middle class resort the home of the famed Boardwalk the Miss America Pageant and the board game Monopoly By the late 1960s it had become a symbol of urban decay and blight compared by journalists to bombed out Dresden and war torn Beirut Several decades and a dozen casinos later Atlantic City is again one of America s most popular tourist spots with thirty five million visitors a year Yet most stay for a mere six hours and the highway has replaced the Boardwalk as the city s most important thoroughfare Today the city doesn t have a single movie theater and its one supermarket is a virtual fortress protected by metal detectors and security guards In this wide ranging book Bryant Simon does far more than tell a nostalgic tale of Atlantic City s rise near death and reincarnation He turns the depiction of middle class vacationers into a revealing discussion of the boundaries of public space in urban America In the past he argues the public was never really about democracy but about exclusion During Atlantic City s heyday African Americans were kept off

the Boardwalk and away from the beaches The overly boisterous or improperly dressed were kept out of theaters and hotel lobbies by uniformed ushers and police The creation of Atlantic City as the Nation s Playground was dependent on keeping undesirables out of view unless they were pushing tourists down the Boardwalk on rickshaw like rolling chairs or shimmying in smoky nightclubs Desegregation overturned this racial balance in the mid 1960s making the city s public spaces more open and democratic too open and democratic for many middle class Americans who fled to suburbs and suburban style resorts like Disneyworld With the opening of the first casino in 1978 the urban balance once again shifted creating twelve separate heavily guarded glittering casinos worlds walled off from the dilapidated houses boarded up businesses and lots razed for redevelopment that never came Tourists are deliberately kept away from the city s grim reality and its predominantly poor African American residents Despite ten of thousands of buses and cars rolling into every day gambling has not saved Atlantic City or returned it to its glory days Simon s moving narrative of Atlantic City s past points to the troubling fate of urban America and the nation s cultural trajectory in the twentieth century with broad implications for those interested in urban studies sociology planning architecture and history
