We Two Gillian Gill, 2009-05-19 NEW YORK TIMES BESTSELLER. A delectable double bio. Talk about Victoria's secret: A fascinating portrait of a genuine love match, but one in which the partners dealt with surprisingly modern issues. USA Today: It was the most influential marriage of the nineteenth century and one of history's most enduring love stories. Traditional biographies tell us that Queen Victoria inherited the throne as a naive teenager when the British Empire was at the height of its power and seemed doomed to find failure as a monarch and misery as a woman until she married her German cousin Albert and accepted him as her lord and master. Now renowned chronicler Gillian Gill turns this familiar story on its head, revealing a strong, feisty queen and a brilliant, fragile prince working together to build a family based on support, trust, and fidelity—qualities neither had seen much of as children. The love affair that emerges is far more captivating, complex, and relevant than that depicted in any previous account. The epic relationship began poorly. The cousins first met as teenagers for a few brief, awkward chaperoned weeks in 1836. At seventeen, charming rather than beautiful, Victoria already showed signs of wanting her own way. Albert, the boy who had been groomed for her since birth, was chubby, self-absorbed, and showed no interest in girls, let alone this princess. So when they met again in 1839 as queen and presumed prince consort, to be neither had

particularly high hopes But the queen was delighted to discover a grown man refined accomplished and whiskered Albert is beautiful Victoria wrote and she proposed just three days later As Gill reveals Victoria and Albert entered their marriage longing for intimate companionship yet each was determined to be the ruler This dynamic would continue through the years each spouse headstrong and impassioned eager to lead the marriage on his or her own terms For two decades Victoria and Albert engaged in a very public contest for dominance Against all odds the marriage succeeded but it was always a work in progress And in the end it was Albert s early death that set the Queen free to create the myth of her marriage as a peaceful idyll and her husband as Galahad pure and perfect As Gill shows the marriage of Victoria and Albert was great not because it was perfect but because it was passionate and complicated Wonderfully nuanced surprising often acerbic and informed by revealing excerpts from the pair s journals and letters We Two is a revolutionary portrait of a queen and her prince a fascinating modern perspective on a couple who have become a legend **BONUS** This edition contains a reader s guide *DK Eyewitness Travel Guide Chicago* DK Travel,2017-01-17 *DK Eyewitness Travel Guide Chicago* will lead you straight to the best attractions the Windy City has to offer Visit the Lincoln Park Zoo or the Art Institute of Chicago shop on Michigan Avenue enjoy the rides at the Navy Pier funfair take in the view from the Willis Tower or explore the areas outside the heart of the city Discover *DK Eyewitness Travel Guide Chicago* Detailed itineraries and don t miss destination highlights at a glance Illustrated cutaway 3 D drawings of important sights Floor plans and guided visitor information for major museums Guided walking tours local drink and dining specialties to try things to do and places to eat drink and shop by area Area maps marked with sights and restaurants Detailed city maps include street finder index for easy navigation Insights into history and culture to help you understand the stories behind the sights Suggested day trips and itineraries to explore beyond the city Hotel and restaurant listings highlight **DK Choice** special recommendations With hundreds of full color photographs hand drawn illustrations and custom maps that illuminate every page *DK Eyewitness Travel Guide Chicago* truly shows you what others only tell you Recommended For a pocket guidebook to Chicago check out *DK Eyewitness Travel Guide Top 10 Chicago* which is packed with dozens of top 10 lists ensuring you make the most of your time and experience the best of everything **DK Travel Guide Chicago** DK Travel,2017-01-17 *DK Eyewitness Travel Guide Chicago* will lead you straight to the best attractions the Windy City has to offer Visit the Lincoln Park Zoo or the Art Institute of Chicago shop on Michigan Avenue enjoy the rides at the Navy Pier funfair take in the view from the Willis Tower or explore the areas outside the heart of the city Discover *DK Eyewitness Travel Guide Chicago* Detailed itineraries and don t miss destination highlights at a glance Illustrated cutaway 3 D drawings of important sights Floor plans and guided visitor information for major museums Free color pull out map print edition marked with sights a selected sight and street index public transit map practical information on getting around and a chart for measuring walking distances Guided walking tours local drink and dining specialties to try things to do and places to eat drink and shop by area Area maps marked with sights and restaurants

Mary, Queen of Scots Jenny Wormald, 2017-08-10 Mary Stuart Queen of Scots has long been portrayed as one of history s romantically tragic figures Devious na ve beautiful and sexually voracious often highly principled she secured the Scottish throne and bolstered the position of the Catholic Church in Scotland Her plotting including probable involvement in the murder of her husband Lord Darnley led to her flight from Scotland and imprisonment by her equally ambitious cousin and fellow queen Elizabeth of England Yet when Elizabeth ordered Mary s execution in 1587 it was an act of exasperated frustration rather than political wrath Unlike biographies of Mary predating this work this masterly study set out to show Mary as she really was not a romantic heroine but the ruler of a European kingdom with far greater economic and political importance than its size or location would indicate Wormald also showed that Mary s downfall was not simply because of the crisis years of 1565-7 but because of her way of dealing or failing to deal with the problems facing her as a renaissance monarch She was tragic because she was born to supreme power but was wholly incapable of coping with its responsibilities Her extraordinary story has become one of the most colourful and emotionally searing tales of western history and it is here fully reconsidered by a leading specialist of the period Jenny Wormald s beautifully written biography will appeal to students and general readers alike
