Queens focuses on the places where women gather in Corona bodegas hospitals schoolyards and Roman Catholic and Protestant churches to show how informal alliances arise from proximity Ricourt and Danta document how a group of leaders mainly women consciously promoted this strong sense of community to build panethnic organizations and a Latino political voice Hispanas de Queens shows how a new group identity Hispanic or Latino is formed without replacing an individual's identification as an immigrant from a particular country Instead an additional identity is created and can be mobilized by pan Latino leaders and organizations
