Queer God:

The Queer God Marcella Althaus-Reid, 2004-06 In *The Queer God* Marcella Althaus Reid reflects on Latin American spiritual traditions and considers the need for a Queer concept of holiness and a theology of grace outside colonial parameters

The Queer God Marcella Althaus-Reid, 2004-06-01 There are those who go to gay bars and salsa clubs with rosaries in their pockets and who make camp chapels of their living rooms Others enter churches with love letters hidden in their bags because their need for God and their need for love refuse to fit into different compartments But what goodness and righteousness can prevail if you are in love with someone whom you are ecclesiastically not supposed to love Where is God in a salsa bar The Queer God introduces a new theology from the margins of sexual deviance and economic exclusion Its chapters on Bisexual Theology Sadean holiness gay worship in Brazil and Queer sainthood mark the search for a different face of God the Queer God who challenges the oppressive powers of heterosexual orthodoxy whiteness and global capitalism Inspired by the transgressive spaces of Latin American spirituality where the experiences of slum children merge with Queer interpretations of grace and holiness The Queer God seeks to liberate God from the closet of traditional Christian thought and to embrace God's part in the lives of gays lesbians and the poor Only a theology that dares to be radical can show us the presence of God in our times The Queer God creates a concept of holiness that overcomes sexual and colonial prejudices and shows how Queer Theology is ultimately the search for God's own deliverance Using Liberation Theology and Queer Theory it exposes the sexual roots that underlie all theology and takes the search for God to new depths of social and sexual exclusion

Queer God de Amor Miguel H. Díaz, 2022-09-13 *Queer God de Amor* explores the mystery of God and the relationship between divine and human persons It does so by turning to the sixteenth century writings of John of the Cross on mystical union with God and the metaphor of sexual relationship that he uses to describe this union Juan's mystical theology which highlights the notion of God as lover and God's erotic like relationship with human persons provides a fitting source for rethinking the Christian doctrine of God in John's own words as *un no sé qué* an I know not what In critical conversations with contemporary queer theologies it retrieves from John a preferential option for human sexuality as an experience in daily life that is rich with possibilities for re-sourcing and imagining the Christian doctrine of God Consistent with other liberating perspectives it outs God from heteronormative closets and restores human sexuality as a resource for theology This outing of divine queerness that is the ineffability of divine life helps to align reflections on the mystery of God with the faith experiences of queer Catholics By engaging Juan de la Cruz through queer Latinx eyes Miguel Díaz continues the objective of this series to disrupt the cartography of theology **The Psychosis of God** Jeff Hood, 2016-09-08 Psychosis has taken over God's brain is gone There is no cure There is only God There is only us The Psychosis of God is about exploring the divine through the mentally ill amongst us The image of our creator is the only tool we have for liberating God The prison of our normative expectations steals our capacity for divine connection Wake up The mentally ill God is here to set the

Drag Queens to Leathermen Rusty Barrett, 2017-06-01 This book examines gendered language use in six gay male
 subcultures drag queens radical faeries bears circuit boys barebackers and leathermen Within each subculture unique
 patterns of language use challenge normative assumptions about gender and sexual identity Rusty Barrett's analyses of these
 subcultures emphasize the ways in which gay male constructions of gender are intimately linked to other forms of social
 difference In *From Drag Queens to Leathermen* Barrett presents an extension of his earlier work among African American
 drag queens in the 1990s emphasizing the intersections of race and class in the construction of gender An analysis of sacred
 music among radical faeries considers the ways in which expressions of gender are embedded in a broader neo pagan
 religious identity The formation of bear as an identity category for heavyset and hairy men in the late 1980s involves the
 appropriation of linguistic stereotypes of rural Southern masculinity Among regular attendees of circuit parties language
 serves to differentiate gay and straight forms of masculinity In the early 2000s barebackers gay men who eschew condoms
 used language to position themselves as rational risk takers with an innate desire for semen For participants in the
 International Mr Leather contest a disciplined militaristic masculinity links expressions of patriotism with BDSM sexual
 practice In all of these groups the construction of gendered identity involves combining linguistic forms that would usually
 not co occur These unexpected combinations serve as the foundation for the emergence of unique subcultural expressions of
 gay male identity explicated at length in this book God's Beloved Queer Rolf R. Nolasco Jr., 2019-07-29 The book re
 centers the conversation back to what I believe anchors our identity and inspires our ways of being living and loving That is
 we all are beloved children of the Triune God whose image and likeness we bear hence we all are God's beloved queers
 primed to flourish in more ways than we can ever dare to imagine for ourselves I have drawn from a wide range of disciplines
 pastoral theology spirituality counseling psychology affective neuroscience anthropology to offer a more nuanced description
 of what it means as queer folks to be sacred icons of God like everyone else offering multifarious windows into the spacious
 gratuitous and transforming love of God It also explores with penetrating detail the inner psychological and spiritual terrain
 of our queer lives along with spiritual practices that will help support our flourishing God and Difference Linn Marie
 Tonstad, 2015-10-05 *God and Difference* interlaces Christian theology with queer and feminist theory for both critical and
 constructive ends Linn Marie Tonstad uses queer theory to show certain failures of Christian thinking about God gender and
 sexuality She employs queer theory to dissect trinitarian discourse and the resonances found in contemporary Christian
 thought between sexual difference and difference within the trinity Tonstad critiques a broad swath of prominent Christian
 theologians who either use queer theory in their work or affirm the validity of same sex relationships arguing that their work
 inadvertently promotes gendered hierarchy This volume contributes to central debates in Christianity over divine and human
 personhood gendered relationality and the trinity and provides original accounts of God sexual difference and Christian

Jimmerson,2017-08-24 LGBTQ Christians read love scrutinize become absorbed with and find deep spiritual meaning in the Bible As these testimonies show lesbian gay bisexual transgender and other queer Christians are inaugurating a fresh exciting new era in biblical interpretation It is they whose rare insights into particular Bible stories and characters told with poignancy and clarity reveal a gay friendly Bible and a gay friendly God who cherishes and needs them just as they are It is they who are running to the Bible with a longing for the Holy Spirit that far surpasses that of too many straight Christians If given free rein these inventive challenging and profoundly engaged evangelists may be the ones we have been waiting for to rescue biblical interpretation from those who too often are not only hurtful but dismal and boring Thank God for them **The Violence of Being** Jeff Hood,2017-03-01 In the midst of the violence of being Jeff Hood survived 2016 This is a collection of writings to illustrate how **A Special Illumination** Rollan McCleary,2004 Gay spirituality represents a hidden strand in Western thought that was only publically declared from the Gay Liberation of the 1970s Since coming out expressions of gay spirituality have proliferated in both number and diversity Beginning with gay theology within Christianity the phenomenon has now reached as far as Buddhism and neo paganism But so far critical analysis of the movement has been very limited largely because gay spirituality has been treated as a political and social movement arguing for rights and acceptance within religious circles A Special Illumination offers an indepth analysis and argues that gay spirituality should be placed at the heart of religion Memory, Grief, and Agency Sunder John Boopalan,2017-09-18 This book argues that an active memory of and grief over structural wrongs yields positive agency Such agency generates rites of moral responsibility that serve as antidotes to violent identities and catalyze hospitable social practices By comparing Indian and U S contexts of caste and race Sunder John Boopalan proposes that

wrongs today are better understood as rituals of humiliation which are socially conditioned practices of domination affected by discriminatory logics of the past Grief can be redressive by transforming violent identities and hostile in group out group differences when guided by a liberative political theological imagination This volume facilitates interdisciplinary conversations between theorists and theologians of caste and race and those interested in understanding the relation between religion and power Introducing a Hermeneutics of Suspicion Jo Henderson-Merrygold,2024-06-13 A

hermeneutics of suspicion challenges cisnormative presuppositions that shape and at times occlude the variations in gender and sex exhibited by key characters in the ancestral narrative of Genesis 12-50 It charts the progression from Paul Ricoeur's hermeneutics of suspicion through liberation feminist and queer approaches Focusing on Derrida's queer and trans hermeneutics Henderson Merrygold then offers a new strategy for reading against fixed binary gender assumptions where a character's sex always matches that assigned at birth The initial case study addresses Sarah who is the proto matriarch of the ancestral narratives in Genesis Masculinities contrast with femininities and Sarah's own agency makes the picture of a consistent gender hard to identify By closely reading the text different facets of Sarah's story emerge to emphasise how much the narrative directs the reader towards a cisnormative reading However Henderson Merrygold shows it is not only the images of Sarah as feminine woman and mother that remain visible The subject of the second case study Esau is regularly judged to be a hypermasculine character due to his bodily appearance but repeatedly fails to fulfil the expectations related to that appearance Though often condemned as a poor example of hyper masculinity a suspicious reading identifies a richer and more nuanced figure Attending to Esau's actions his rejection of the gendered expectations appears intentional allowing him to settle more comfortably into his own identity This project advocates for and demonstrates the value of creative interpretations of biblical texts that challenge both malestream and feminist gender assumptions **Pastoral Care to and**
