The Worldview of the Word of Faith Movement: Eden Redeemed Mikael Stenhammar, 2021-12-16 This volume approaches the Word of Faith as a worldview and analyses the movement through N T Wright s model for worldview analysis in order to provide necessary nuance and complexity to scholarly interpretations of the Word of Faith The reader receives insights into the movement s narrative semiotic practical and propositional dimensions which cumulatively offer a multifaceted understanding of how the Word of Faith interprets reality and engages with the

world The analysis shows that there is a narrative core to Word of Faith beliefs in the form of a unique theological story with focus set on the present restoration of Eden s authority and blessings This study demonstrates how the Word of Faith operates as a distinct worldview that parses the world through the lens of faith s causative power to affect a direct correspondence between present reality and Eden s perfection The findings advance a critical and therapeutic approach that acknowledges how the worldview both strengthens and subverts Pentecostalism *Pentecostal Theology and Jonathan Edwards* Amos Yong, Steven M. Studebaker, 2019-11-14 This volume brings America s theologian and one of the fastest growing forms of Christianity into dialogue Edwards is a fruitful source for Pentecostal investigation for historical and theological reasons Edwards and Pentecostals descend from a common historical tradition North American Evangelicalism From revivalism and religious charismatic experience to pneumatology they also share common theological interests Though sharing a common history and core theological concerns no critical conversation between Pentecostals and Edwards and their fields of scholarship has occurred This is the first volume that provides Pentecostal readings of Edwards theology that contribute to Pentecostal theology and Edwards scholarship The contributing essays offer examination of affections and the Spirit God and Salvation Church and culture and mission and witness *Agnes Sanford and Her Companions* William L. De Arteaga, 2015-08-17 Agnes Sanford was arguably the most original and spiritually fruitful theologians of the twentieth century Among her achievements were the discovery and development of the inner healing ministry the development of a theology of the light of God missing in Western theology and the first ever theology of nature prayers as in stilling storms She and her husband developed a school to teach ministers and lay leaders healing and deliverance prayer and the gifts of the Spirit a decade before the charismatic renewal made such things acceptable in mainline churches In spite of these achievements she is largely ignored and unrecognized today This work examines her career and shows why her theology though deeply biblical was unacceptable to orthodox critics Sanford was part of a group who worked from the 1900s through the 1960s to make healing and deliverance prayer as normal in church They had to confront the erroneous established theology of cessationism which affirmed that the healing ministry of the church was past *Prosperity Gospel?* Christopher Anthony, 2025-08-21 This book offers a fresh and challenging analysis of the prosperity gospel by providing both a historical examination of its six theological features and a theological analysis of their interconnected roles Uncovering new sources the author presents a constructive theology of the Word of Faith movement offering a deeper and more precise understanding of its development and function Combining historical and theological methodologies this work makes a significant contribution to the field shedding light on previously unexplored historical roots of Word of Faith theology and revealing their profound theological implications This title is a valuable resource for scholars and practitioners alike especially those interested in the world of Faith theology and its impact on contemporary religious thought Revival Preaching Ernest Eugene Klassen, 2021-09-03 As part of his passion to bring glory to God Ernie Klassen is particularly

interested in the revival of God's people and the awakening of the lost. He believes strongly that God honoring Christ exalting and Spirit empowered preaching plays a critical role in revival and awakening. No one models this dynamic better than Jonathan Edwards. He was a pastor who was a protagonist of the First Great Awakening. He thought deeply and critically about religious movements and his reflections and sermons provide valuable fodder for reflection. Revival Preaching extracts the most important lessons of Edwards's writings and sermons for preaching in today's world. **Engines of Heaven** Evan Wiggs, 2013-03 I am an ordinary man used very powerfully by an extraordinary God. If you are an ordinary believer and you desire to be used by God in such a way then this book will help you walk in the supernatural realms that are your natural abode. *The Supernatural and the Circuit Riders* Rimi Xhemajli, 2021-06-22 In *The Supernatural and the Circuit Riders* Rimi Xhemajli shows how a small but passionate movement grew and shook the religious world through astonishing signs and wonders. Beginning in the late eighteenth century early American Methodist preachers known as circuit riders were appointed to evangelize the American frontier by presenting an experiential gospel one that featured extraordinary phenomena that originated from God's Spirit. In employing this evangelistic strategy of the gospel message fueled by supernatural displays Methodism rapidly expanded. Despite beginning with only ten official circuit riders in the early 1770s by the early 1830s circuit riders had multiplied and caused Methodism to become the largest American denomination of its day. In investigating the significance of the supernatural in the circuit rider ministry Xhemajli provides a new historical perspective through his eye opening demonstration of the correlation between the supernatural and the explosive membership growth of early American Methodism which fueled the Second Great Awakening. In doing so he also prompts the consideration of the relevance and reproduction of such acts in the American church today. *The Healing Reawakening* Francis MacNutt, 2006-09-01 For the first three hundred years of Christian history healing prayer was fundamental in the life of the church. It even proved the main method of converting the unbelievers of the day. Then began the long slide of healing prayer into near insignificance. Ironically Christians themselves by reserving healing prayer for the most holy were the ones who almost killed this mission so central to the gospel itself. The mystery of how this happened is described by Francis MacNutt in this fascinating history which includes his own personal journey. MacNutt sees this loss as tragic and shows how necessary it is for us to rediscover healing prayer and once more embrace it according to Christ's original mandate with amazing results. Christian leaders and anyone involved in the healing ministry must read this book. *Spiritscapes* Mark Parent, *Alternative medicine Quantum mechanics Gaia Near Death Experiences The New Age Fundamentalism Feminist and Liberation Theology* These are just some of the nine most significant spiritual/scientific movements analyzed by Mark Parent in his latest book *Spiritscapes*. *Affirming the Touch of God* Evan B. Howard, 2000-08-02 Both Ignatius of Loyola and Jonathan Edwards wrote about the theme of Christian discernment. Evan B. Howard clarifies patterns of Christian discernment common to both Roman Catholics and Protestants. Yet his study extends analysis further through a synthesis of

cognitive psychology and religious philosophy Howard provides greater specification of the roles of affectivity in discernment This will allow spiritual advisors to better guide men and women into an effective discernment process Psychologists philosophers and students of religion will find this book highly valuable *Charisma and Christian Life*, 1996 *Let No One Deceive You* Michael L. Brown, 1997 When people dispute the validity of current revivals how do you know who is right Dr Brown looks at current revivals and at the arguments critics are using to question their validity After examining Scripture historical revivals and the fruits of the current ones Dr Brown comes to a logical conclusion God's Spirit is moving

Quenching the Spirit William Dearteaga, 1996 In recent years several respected Christian authors and teachers have come against beliefs and practices of charismatics the world's fastest growing Christian group Now updated and revised *Quenching the Spirit* gives the most coherent well documented response to date With a brand new chapter based on Han Hanegraaff and the CRI and exciting new information author William DeArteaga shows why the greatest threat to a move of the Spirit may lie within the church itself Taking an honest look at the merits and mishaps of the charismatic renewal DeArteaga answers your questions whether you are suspicious of charismatics or you are one of them Discover the real Spirit behind the charismatic controversy **American Book Publishing Record**, 1997 **La predicación que aviva** Ernest Klassen, 2017-06-01 El Primer Gran Despertar fue un avivamiento sin precedentes que se vivió principalmente en los Estados Unidos de América entre el 1730-1743 y que conmovió al país en todos los ámbitos de la vida nacional Edwards fue calvinista y puritano pero su predicación fue encendida e incendiaria podrá decir recalando la necesidad de una experiencia real con Jesucristo y una respuesta inmediata a la predicación del evangelio *The Doctrine of the Holy Spirit* Jacob Godebo, 2025-07-03 The Scriptures teach the church that in biblical times the coming of the Holy Spirit equally entailed objective gift of divine reality and subjective experience of his presence gifts and works There was objective pouring out and imparting of the Holy Spirit from the divine side and subjective experiential demonstration from the receivers side which resulted from the gifts endowed and power imparted along with the Holy Spirit Having given them either verbally uttered or visibly performed gifts the Holy Spirit then moved believers towards practical demonstration through subjective experience Believers subjective experience took place only as a result of the objective gift of the Holy Spirit and the resulting endowment and empowerment Thus in the objective content of his manifestation the Holy Spirit is the objective gift of God to indwell his people In the subjective content of his manifestation the Holy Spirit endows people with audibly uttered or visibly performed gifts The subjective experience of the Holy Spirit's presence therefore is an original theological input from God just like the objective impartation of the Holy Spirit Practitioners were just objects of divine purpose and their subjective experience was divine provided and divine initiated genuine experience beyond their consciousness and calculation Reception of the Holy Spirit therefore means equally an experience of his presence gifts power and works in the church and in with and through believers from Hosanna to Maranatha
