Quest For Liberation And Reconciliation Essays In Honor Of J Deotis Roberts:

The Quest for Liberation and Reconciliation James Deotis Roberts, Michael Battle, 2005-01-01 Leading contemporary theologians and scholars present essays on the themes of liberation and reconciliation in tribute to J Deotis Roberts The essays are divided into the following sections Theological Reflection Faith in Dialogue and Shaping the Practice of Ministry The compilation presents an interesting array of perspectives on the ways in which Christian theology ethics and ministry are involved in the quests for liberation and reconciliation in North America and the rest of the world *Tradition and Church Reform* Curran, Charles E., 2016-02-09 *The Oxford Handbook of African American Theology* Katie G. Cannon, Anthony B. Pinn, 2014-07-01 Named an Honor Book for Nonfiction by the Black Caucus of the American Library Association African American theology has a long and important history With modern roots in the civil rights movements of the 1960s African American theology has gone beyond issues of justice and social transformation to participate in broader dialogues of theological inquiry The Oxford Handbook of African American Theology brings together leading scholars in the field to offer a critical and comprehensive analysis of this theological tradition in its many forms and contexts Using an interdisciplinary approach this Oxford Handbook examines the nature structures and functions of African American Theology The volume surveys the field by highlighting its sources doctrines internal debates current challenges and future prospects in order to present key topics related to the wider palette of Black Religion in a sustained scholarly format This formative collection presents current scholarship on African American Theology and scripture eschatology Christology womanist theology sexuality ontology the global economy and much more The contributors represent a diverse set of faith perspectives adding to the layered discourses within the volume These essays further important discussions on the pressing debates and challenges that shape black and womanist theologies **Interrupting White Privilege** Laurie M. Cassidy, Alexander Mikulich, 2007 White Catholic theologians have remained relatively silent on the topic of racism since publication in 1979 of the U S bishops statement against racism Brothers and Sisters to Us Contributors Jon Nilson Mary Elizabeth Hobgood Barbara Hilkert Andolsen Charles Curran Roger Haight Margaret Guider Margaret Pfeil and editors Laurie Cassidy and Alex Mikulich all address the issue of white privilege and how it is a significant factor in shaping the evil of racism in our country Book jacket *Liberation and the Cosmos* Barbara A. Holmes, 2023-02-28 The rich legacy of black critical thought creative expression and religious reflection come together in these creatively imagined conversations between the elders about the shape and conditions of Black liberation Barbara A Holmes has defined key issues of freedom and identity hypothesizing a meeting of the ancestors assembled on the other side to discuss them Imagine a conversation between Barbara Jordan and Thurgood Marshall on what freedom looks like in relation to law and politics Or between Tupac Shakur Nina Simone and James Baldwin on art culture and liberation Malcolm X and Harriet Tubman discuss freedom and wholeness while Audre Lorde Fannie Lou Hamer and George Washington Carver talk about liberated bodies These imagined dialogues open up rich

reflection and insight and offer a unique vantage point for understanding the luminaries of liberation down through the generations An important resource for the contemporary task of Black liberation

Twentieth-century Shapers of Baptist Social Ethics Larry L. McSwain, William Loyd Allen, 2008 *Twentieth Century Shapers of Baptist Social Ethics* provides an overview of the major historical framework within which Baptists emerged with significant contributions to Christian social thought and action in the twentieth century This book provides a summary of the life principal ideas writings and most significant contributions of nineteen Baptists since 1900

A Womanist Reading of Hebrew Bible Narratives as the Politics of Belonging from an Outsider Within Vanessa Lovelace, 2024-05-29 The U S Declaration of Independence of 1776 decreed that all men were created equal and were endowed by their Creator with certain unalienable Rights Yet U S born free and enslaved Black people were not recognized as citizens with equal protections under the law until the passage of the Fourteenth Amendment Even then White supremacists impeded the equal rights of Black people as citizens due to their beliefs in the inferiority of Black people and that America was a nation for White people White supremacists turned to biblical passages to lend divine justification for their views *A Womanist Reading of Hebrew Bible Narratives as the Politics of Belonging from an Outsider Within* analyzes select biblical narratives including Noah s curse in Genesis 9 Sarah and Hagar in Genesis 16 and 21 Mother in Israel in Judges 5 and Jezebel Phoenician Princess and Queen of Israel in 1 and 2 Kings This analysis demonstrates how these narratives were first used by ancient biblical writers to include some and exclude others as members of the nation of Israel and then appropriated by White supremacists in the antebellum era and the early twentieth century to do the same in America The book analyzes the simultaneously intersecting and interconnecting dynamics among race gender class and sexuality and biblical narratives to construct boundaries between us versus them particularly the politicization of motherhood to deny certain groups inclusion

African Theology as Liberating Wisdom Mari-Anna Pöntinen, 2013-02-14 In *African Theology as Liberating Wisdom Celebrating Life and Harmony in the Evangelical Lutheran Church in Botswana* Mari Anna P ntinen analyses contextual interpretations of the Christian faith in this church These interpretations draw from the Tswana tradition and liberation in Christ

African Theology, Philosophy, and Religions Julius Gathogo, Chammah J. Kaunda, 2020-11-24 In *African Theology Philosophy and Religions Celebrating John Samuel Mbiti s Contribution* contributors explore John Samuel Mbiti s contributions to African scholarship and demonstrate how he broke through the western glass ceiling of scholarship and made African informed and African shaped scholarship a reality Contributors examine the far reaching implications of Mbiti s scholarship arguing that he shifted the contemporary African Christian landscape and informed global expressions of Christianity *African Theology Philosophy and Religions* analyzes Mbiti s scholarship and shows that his theories are malleable and fluid allowing a new generation of scholars to reinterpret reconstruct and further develop his theories This collection brings together contributors from a wide range of disciplines to study John Samuel Mbiti as the father of contemporary African theology and grapple with questions Africans face in the

twenty first century **The Routledge Handbook of African Theology** Elias Kifon Bongmba,2020-05-25 Theology has a rich tradition across the African continent and has taken myriad directions since Christianity first arrived on its shores This handbook charts both historical developments and contemporary issues in the formation and application of theologies across the member countries of the African Union Written by a panel of expert international contributors chapters firstly cover the various methodologies needed to carry out such a survey Various theological movements and themes are then discussed as well as biblical and doctrinal issues pertinent to African theology Subjects addressed include Orality and theology Indigenous religions and theology Patristics Pentecostalism Liberation theology Black theology Social justice Sexuality and theology Environmental theology Christology Eschatology The Hebrew Bible and the New Testament The Routledge Handbook of African Theology is an authoritative and comprehensive survey of the theological landscape of Africa As such it will be a hugely useful volume to any scholar interested in African religious dynamics as well as academics of Theology or Biblical Studies in an African context

Competing for Caesar Chammah J. Kaunda,Marja Hinfelaar,2020-11-03 Competing for Caesar brings together for the first time key scholars working on various issues related to religion and public life in Zambia They explore the interplay between religion and politics in Zambian society and how these religions manage and negotiate their identities in public life This book analyzes recent religious dynamics in the nation s political life and considers what constructive role religion could play to promote an alternative political vision to subvert neo colonialism Competing for Caesar carries forward a unique commitment on the part of Fortress Press to engage with the challenges and opportunities of Christianity in the Global South The book will be of interest to scholars professors and students in a wide range of fields

CCDA Theological Journal, 2012 Edition Chris Jehle,2013-08-28 The Theological Journal is designed to enable our practitioners to capably integrate theological concepts into their practice The articles are written by CCDA members and will challenge us to go deeper theologically while giving us language that will allow us to dialogue outside of The Academy Theological reflection and engagement among practitioners and with our neighbors can often be strange bedfellows but this should not be the case

Liberating Jonah De La Torre, Miguel A.,2015-04-21 When a reluctant Jonah finally entered Nineveh to announce God s grace to the powerful Assyrian empire God brought about reconciliation between the oppressors and the oppressed Our world today inhabited by both oppressors and oppressed is also in need of reconciliation between different ethnic backgrounds socio economic levels and gender and sexual orientations Liberating Jonah describes the significant role that can be played by the underrepresented and oppressed as instruments of reconciliation today From publisher s description

Theology and the (post)apartheid condition Rian Venter,2016-12-01 Knowledge transmission and generation belong to the core mission of the public university In democratic South Africa the transformation of these processes and practices in higher education has become an urgent and contested task The Faculty of Theology at the University of the Free State has already done some original work on the implications of these for theology One area of

investigation that has not yet received due attention concerns the role of theological disciplines and especially the relation between academic disciplines and societal dynamics This research project addresses the challenge and this volume reflects the intellectual endeavour of lectures research fellows and a post graduate student associated with the faculty Each theological discipline has its own history and has already experienced reconstruction both globally and in South Africa Some of these genealogical developments and re envisioning are mapped by the contributions in this volume The critical questions addressed are what are the contours of the post apartheid condition and what are the implications for responsible disciplinary practices in theology The chapters convey an impression of the vitality of theology at the University of the Free State and in South Africa and give expression to fundamental shifts that have taken place in theological disciplines and also of future tasks This research project aims to stimulate reflection on responsible and innovative disciplinary practices of theology in South Africa which we envisage will contribute to social justice and human flourishing Rian Venter University of the Free State

Re-membering the Body Scott W. Bullard, 2013-11-01 For centuries Baptists have regarded the Eucharist or Lord s Supper as merely symbolic rather than as sacramental Historically speaking Baptists have also participated in the practice of the Supper less frequently than other Christian groups all the while lodging complaints about a lack of ecclesial unity In response to these trends this book argues for a sacramental understanding of the Eucharist and focuses on the way in which the Eucharist conveys grace by drawing the church together as the body of Christ It focuses especially on the theology of James Wm McClendon Jr who was Baptist but nonetheless illustrated that through the Eucharist God re members the church as the body of Christ Together with Lutheran theologian Robert Jenson and Catholic theologian Cardinal Henri de Lubac McClendon s work has had an enormous impact on contemporary free church discussions about the Supper and ecclesial unity In a final chapter therefore the study examines a number of contemporary Baptists dubbed the new Baptist sacramentalists These men and women are influenced by McClendon Jenson and de Lubac and they offer a fresh approach to the ongoing puzzle of the church s disunity through the Eucharist

Making sense of Jesus Francois Tolmie, Rian Venter, 2017-12-01 Making sense of Jesus is comprised of twelve chapters of a Christological nature which are the result of a multidisciplinary theological research project The aim of this book is to ascertain how in the current cultural situation an encounter with Jesus is determined by specific historical and personal conditions and what the consequences of such an encounter may be

Home Away from Home Delroy A. Reid-Salmon, 2014-12-18 An estimated two thirds of Caribbeans live outside their homeland Home Away from Home identifies the different forms of Caribbean diasporan identity and argues that the faith Caribbean people brought with them into the diaspora plays a central role in their development The study provides a theological interpretation of the diasporan experience and outlines the principles of diasporan theology and the distinctiveness of its church Focusing on the Caribbean diaspora in the US and analysing aspects of the Caribbean British diaspora the book forges a Black Atlantic theology The volume also engages with wider discourse on the Black diaspora to

offer an inclusive Caribbean diasporan ecclesiology that overcomes Black African American Euro American binaries

Turning Points in Baptist History Michael Edward Williams, Walter B. Shurden, 2008 Arranged in chronological order so that the Baptist saga can be understood as a continuous narrative the book has the added advantage of permitting the reader to cherry pick chapters that are of particular interest The Baptist struggles for freedom of conscience for a believer s church for including both genders and all races for fulfilling the Great Commission and for the separation of church and state these are only a few of the denominational shaping turning points one discovers in this book Embracing Hopelessness

Miguel A. De La Torre, 2017-10-01 This book will attempt to explore faith based responses to unending injustices by embracing the reality of hopelessness It rejects the pontifications of some salvation history that move the faithful toward an eschatological promise that when looking back at history makes sense of all Christian led brutalities mayhem and carnage Hope as an illusion is responsible for maintaining oppressive structures This book struggles with a God who at times seems mute demanding solidarity in the midst of perdition and a blessing in the midst of adversity How can the Creator be so invisible during the troubling times in which we live times filled with unbearable life denying trials and tribulations The book concludes with a term De La Torre has coined in other books an ethics para joder an ethics that f cks with When all is hopeless when neoliberalism has won when there exists no chance of establishing justice the only choice left for the oppressed is to screw with the structure literally turning over the bankers tables at the temple By upsetting the norm an opportunity might arise that can lead us to a more just situation although such acts of defiance usually lead to crucifixion Hopelessness is what leads to radical liberative praxis *Exploring Protestant Traditions* W. David Buschart, 2009-09-20

Protestant is shorthand for a spreading family tree of church and theological traditions Each tradition embodies a historically shaped perspective on the beliefs practices and priorities that make up a Christian community Whether you are an insider to one tradition a hybrid of two or three or as many Christians today an outsider to all *Exploring Protestant Traditions* is a richly informative field guide to eight prominent Protestant theological traditions Lutheran Anabaptist Reformed Anglican Baptist Wesleyan Dispensational and Pentecostal Clearly and evenhandedly W David Buschart traces the histories of each tradition explains their interpretive approaches to Scripture and identifies their salient beliefs As a result you will gain a sense of what it is to believe and worship as a Reformed or Pentecostal Christian who the traditions heroes are and where the theological accents are placed Charts displaying the denominational representatives of each tradition and bibliographies mapping the path for further explorations add to the value of this guide This is a book that seeks to receive rather than evaluate to listen and understand rather than judge or correct His is a model of theological hospitality that encourages you to open your doors to the varied ways in which Protestantism has taken root in history and human society Some things take time like coming to know a religious tradition But *Exploring Protestant Traditions* is an excellent place to start
