Schnepel,2021-04-09 This collection of essays deals with the rituals of kingship and royalty in India Africa and Europe from the social anthropological and ethno historical points of view It discusses the dialectical entanglements of rituals conducted for and by kings including little kings and jungle kings with the wider social political cultural historical religious and economic contexts in which they were embedded Part I begins with a triangular comparison of kingship among the Shilluks of East Africa the Gajapatis of eastern India and kings in Renaissance France The essay entitled the King s Three Bodies makes use of Ernst H Kantorowicz s classical study The King s Two Bodies in medieval political theology and extends it not only in terms of the numbers of bodies that are found to be significant but also theologically Another significant essay in this part looks at the unexpected but significant theoretical impact of social anthropological studies of acephalous segmentary lineage societies in Africa on Indian historiography The second part of this volume consists of three chapters dealing with the royal patronage of tribal and Hindu goddesses in Eastern India while the third part presents studies on sleeping and dreaming kings and on the power of dead kings a discussion of A M Hocart s dictum that the first kings must have been dead kings Please note Taylor Francis does not sell or distribute the Hardback in India Pakistan Nepal Bhutan Bangladesh and Sri Lanka *The British National Bibliography* Arthur James Wells,2002 *Anthropos* ,2006 **Books in Print** ,1994 The Routledge Handbook of the State in Premodern India Hermann Kulke,Bhairabi Prasad Sahu,2022-01-13 This handbook presents a multilayered and multidimensional history of state formation in premodern India It explores dense and rich local and subregional historiography from the mid first millennium BC to the eighteenth century in South Asia Shifting the focus away from economic and political factors this handbook revises the conventional understanding of states and empires and locates them in their quotidian conduct and activity on socio cultural and concomitant factors Comprehensive in scope this handbook addresses a range of themes connected with the idea of state formation in the subcontinent It includes discussions and debates on ritual practices and the Brahmanical order in early India the Delhi Sultanate and role of Sultans among the Hindu kings the cosmopolitan Islamic cultural influences on Puranic Hinduism cultural background of the Mughal state The handbook examines new questions and ideologies of state formation such as facets of violence and resistance the significance of the autonomous spaces and forests regional elites including Little kings tribal background of some famous cults trade and maritime commerce royal patronage courtly manners lineage formation imperial architecture monuments and temple among others Featuring case studies from different part of the India subcontinent and with contributions by renowned historians this authoritative handbook will be an indispensable reading for teachers scholars and students of early India medieval India premodern India South Asian history Asian history historiography economic history historical sociology and South Asia studies *The Whole Story* John E. Simkin,1996 This work is the only comprehensive guide to sequels in English with over 84 000 works by 12 500 authors in 17 000 sequences **Tribe-Class Linkages** Saqib Khan,2023-12-29 This book is a historical study of the development of agrarian class relations among the tribal population in Tripura Tracing

the evolution of Tripura and its agrarian relations from monarchy in the nineteenth century to democracy in the twentieth century the book discusses the nature of the erstwhile princely state of Tripura analyses the emergence of differentiation within tribes and documents the emergence of the tribal movement in the state It specifically focuses on the tribal movement led by the Ganamukti Parishad beginning with the historic revolt of 1948-51 against state repression on the tribal people followed by the mass movements in the 1950s and 1960s which were founded on a recognition of class relations and the slogan of unity across the tribal and non tribal Bengali peasantry The first of its kind the book will be indispensable for students and researchers of tribal studies agrarian studies exclusion studies tribe class relationships minority studies sociology development studies history political science north east India studies and South Asian studies It will also be useful for activists and policymakers working in the area

The Jungle Kings Burkhard Schnepel, 2002 This book deals with kingship in Orissa However it is concerned neither with the great kingdoms of central Orissa nor with the little kingdoms lying on the coast or in the fertile river valleys of Orissa but with jungle kingdoms lying in the remote hinterland of south Orissa The discussion is based on material collected by the author during extensive fieldwork and archival research in Orissa during the 1990s Presenting and interpreting his ethnohistorical data the author also addresses several issues of more general importance the nature of kingship and the state in colonial and post colonial India the politics of ritual and the rituals of politics the relation between kings and tribes the Hinduization of tribal deities the complementarity of tribal and royal principles of action and organization or the uses of historical reconstructions as legitimating strategies It is argued that these and other topics can be shown in new light not although but because a political unit is the focus of research which hitherto has experienced hardly any scholarly attention the jungle kingdom *Paperbound Books in Print*, 1992 *Sharing Sovereignty* Georg Berkemer, Margret Frenz, 2021-10-11 No detailed description available for Sharing Sovereignty
