## **Quest For The Plausible Jesus The Question Of Criteria:**

**The Quest for the Plausible Jesus** Gerd Theissen, Dagmar Winter, 2002-01-01 Should the dissimilarity between Jesus and early Christianity or between Jesus and Judaism be the central criteria for the historical Jesus Gerd Theissen and Dagmar Winter argue that the criterion of dissimilarity does not do justice to the single most important result of more than two hundred years of Jesus research that the historical Jesus belongs to both Judaism and Christianity The two authors propose a criterion of historical plausibility so that historical phenomenon under question can be considered authentic so long as it can be plausibly understood in its Jewish context and also facilitates a plausible explanation for its later effects in Christian history This book is a cooperative project between Dagmar Winter and Gerd Theissen and represents the fruit of many years of their research on the historical Jesus

**Jesus, Criteria, and the Demise of Authenticity** Chris Keith, Anthony Le Donne, 2012-06-28 Criteria of authenticity whose roots go back to before the pioneering work of Albert Schweitzer have become a unifying feature of the so called Third Quest for the Historical Jesus finding a prominent and common place in the research of otherwise differing scholars More recently however scholars from different methodological frameworks have expressed discontent with this approach to the historical Jesus In the past five years these expressions of discontent have reached a fever pitch The internationally renowned authors of this book examine the nature of this new debate and present the findings in a cohesive way aimed directly at making the coalface of Historical Jesus research accessible to undergraduates and seminary students The book s larger ramifications as a thorough end to the Third Quest will provide a pressure valve for thousands of scholars who view historical Jesus studies as outmoded and misguided This book has the potential to guide Jesus studies beyond the Third Quest and demand to be consulted by any scholar who discards adopts or adapts historical criteria

**Authenticating Criteria in Jesus Research and Beyond** Kevin B. Burr, 2023-10-16 Are the criteria of authenticity of Jesus research idiosyncratic to New Testament studies vehicles of subjectivity and fundamentally flawed vestiges of form criticism as some claim today If so why do opponents of the criteria approach still use them Or are the criteria the tools of general historiography as others assert If true none have adequately demonstrated where and how principles such as multiple attestation general and historical coherence dissimilarity and embarrassment feature in general historiographic method until now This study analyzes the methods of general historians and Jesus researchers who favor or oppose the criteria and demonstrates that regardless of sub discipline authenticating criteria are inherent to the practice of historiography

**A History of the Quests for the Historical Jesus, Volume 2** Colin Brown, Craig A. Evans, 2022-11-08 A comprehensive two volume reassessment of the quests for the historical Jesus that details their origins and underlying presuppositions as well as their ongoing influence on today s biblical and theological scholarship Jesus life and teaching is important to every question we ask about what we believe and why we believe it And yet there has never been common agreement about his identity intentions or teachings even among first century historians and scholars Throughout history

different religious and philosophical traditions have attempted to claim Jesus and paint him in the cultural narratives of their heritage creating a labyrinth of conflicting ideas From the evolution of orthodoxy and quests before Albert Schweitzer s famous Old Quest to today s ongoing questions about criteria methods and sources A History of the Quests for the Historical Jesus not only chronicles the developments but lays the groundwork for the way forward The late Colin Brown brings his scholarly prowess in both theology and biblical studies to bear on the subject assessing not only the historical and exegetical nuts and bolts of the debate about Jesus of Nazareth but also its philosophical sociological and theological underpinnings Instead of seeking a bedrock of facts Brown stresses the role of hermeneutics in formulating questions and seeking answers Colin Brown was almost finished with the manuscript at the time of his passing in 2019 Brought to its final form by Craig A Evans this book promises to become the definitive history and assessment of the quests for the historical Jesus Volume One sold separately covers the period from the beginnings of Christianity to the end of World War II Volume Two covers the period from the post War era through contemporary debates

**Jesus and the Gospels (2nd Edition)** Craig Blomberg, 2020-05-21 A clear and comprehensive introduction to the study of Jesus and the Gospels Craig Blomberg s award winning Jesus and the Gospels prepares readers for an intensive study of Matthew Mark Luke John and the events they narrate Blomberg considers the historical context of the Gospels and sheds light on the confusing interpretations brought forth over the last two centuries This updated edition incorporates new scholarship debate critical methods and the ongoing quest for the historical Jesus and ensures the work will remain a valuable tool for exploring the life of Christ through the first four books of the New Testament

Paul and Matthew Among Jews and Gentiles Ronald Charles, 2020-12-10 Terence L Donaldson s scholarship in the field of New Testament studies is vital as he has pressed scholars to pay closer attention to the complex relations between early Christ followers who were mostly non Jews and the Jewish matrix from which the narrative of the Christian proclamation comes from This volume allows prominent New Testament scholars to engage Donaldson s contributions both to sharpen some of his conclusions and to honour him for his work These essays are located at the intersections of three bodies of literature Matthew Paul and Second Temple Jewish Literature and themes and questions that have been central to Donaldson s work Christian Judaism and the Parting of the Ways Gentiles in Judaism and early Christianity Anti Judaism in early Christianity With contributions ranging from remapping Paul within Jewish ideologies and Paul among friends and enemies to socio cultural readings of Matthew and construction of Christian Identity through stereotypes of the Scribes and Pharisees this book provides a multi scholar tribute to Donaldson s accomplishments

**How to Ruin Your Education and TV Viewing** Spencer D. Gear, 2022-03-31 What will you do as a parent if your fourteen year old comes home from school and says You and the teachers have been telling me Columbus discovered the Americas You ve lied to me because that isn t true There are no such things as facts and I decide the meaning of what is written in my textbooks I m the one who chooses the interpretation of any writing including history and the stories of Columbus How are

you going to answer especially in light of what the Encyclopaedia Britannica states about Columbus This book examines how historical Jesus scholar John Dominic Crossan has dismantled education TV viewing by application and religious studies with his postmodern deconstruction of the text His theme is I formulate it here as I see it Texts and interpretations are out of the mind of Crossan Using a hypothesis testing technique the author challenges Crossan s perspective that Jesus s resurrection was an apparition and not a bodily resurrection Even though he calls on others to First read the text that is not what he does The philosophical crusher has found him out to be contradictory in his assessment of history in his autobiography and his own writings on the historical Jesus *Science, Reason, and Faith* Fr. Robert Spitzer, SJ, 2023-09-18 Built into our very nature is a desire to know about the world around us The big questions of human existence are inescapable Who am I Why am I here and where am I going Why is there evil in the world What is the meaning of life This yearning for truth ultimately leads us to our Creator God knows the longings of the human heart and he reveals himself to us through creation through Scripture and ultimately through the Incarnation Because God the Son became man we have a person to look to in our pursuit of truth Jesus Christ himself who is Truth Christ helps us see that truth is not just the object of science and reason but what animates the mysterious and loving power of faith In *Science Reason and Faith* Fr Robert Spitzer SJ explores in depth the Bible and the intersection of three realms that the secular world tells us are separate and incompatible Fr Spitzer draws the modern reader s attention to the many seeming conflicts between science reason and Catholic teaching By tackling these difficult questions he shows that it is precisely through the integration of science reason and faith that we can truly discover ourselves our world and our God **They Suffered under Pontius Pilate** Fernando

Bermejo-Rubio, 2023-09-12 Although according to the Christian Gospels three men were crucified ca 30 CE outside Jerusalem under the prefect Pontius Pilate both popular wisdom and mainstream scholarship focus solely on the fate of a single man The story is indeed told once and again as if only Jesus of Nazareth had been the target of Roman repression as if only his suffering were worthy of attention and as if the other men crucified at Golgotha had nothing to do with him The present book forcefully argues that from an epistemological and even an ethical perspective this is an odd and worrying state of affairs the prevailing approach entails one sided oversight of significant information betrays a strong bias and prevents us from grasping the meaning of the episode thus making no sense from the standpoint of ancient historians The event which requires being elucidated is not Jesus crucifixion but the whole episode of the execution by the Roman authorities of at least three men Who were the other men crucified at Golgotha Were they actually unconnected to the self styled king of the Jews as the evangelists want us to believe Why did the Roman prefect crucify all of them together in the same place at the same time And why are we told that Jesus cross was placed in the middle of the others Taking seriously into account the extent of the implausible elements in the Passion accounts the collective nature of the crucifixion and the politics of Roman Palestine *They Suffered under Pontius Pilate* Jewish Anti Roman Resistance and the Crosses at Golgotha provides fresh and consistent

answers to these and many other pressing questions offering a genuinely historical reconstruction The conclusions obtained challenge many well rooted assumptions unveil Jesus story as a collective enterprise have far reaching implications for the history of Judaism under the Principate and compel us to critically rethink the beginnings of Christianity **T&T Clark Encyclopedia of Second Temple Judaism Volume Two** Loren T. Allison**

**Jr.** Tucker Ferda, Daniel Frayer-Griggs, Nathan C. Johnson, 2020-11-30 Over the course of his career Dale Allison has enriched our understanding of Jewish and Christian hopes about the end of history advanced nuanced readings of ancient texts in light of their scriptural and cultural conversation partners and deepened our knowledge of the history of biblical interpretation throughout the ages In all of these ways he has sought in the words of T S Eliot to recover what has been lost In *To Recover What Has Been Lost: Essays on Eschatology, Intertextuality and Reception History in Honor of Dale C Allison Jr* leading biblical scholars and historians offer ground breaking studies on Jewish and Christian eschatology, intertextuality and reception history three areas particularly evident in Allison's scholarship These essays reconstruct the past, advance fresh readings and reclaim overlooked exegetical insights In so doing they too recover what has been lost **Jesus and His**

**Promised Second Coming** Tucker S. Ferda, 2024-09-12 In this pioneering study of Scripture and reception history Tucker S Ferda shows that the hope for Jesus's second coming originated in his own message about the coming of the kingdom after a time of distress Most historical Jesus scholars take for granted that Jesus's second coming was invented by his zealous early followers In *Jesus and His Promised Second Coming* Tucker S Ferda challenges this critical consensus Using innovative methodology Ferda works backward through reception history to Paul and the Gospels to argue that the hope for the second coming originated in Jesus's own grappling with the prospect of death and his conviction that the kingdom was near he expected a return that would coincide with the final judgment and the end of the age within the space of a generation Ferda also makes a major contribution to the reception history of the Bible shedding light on how Christians distinguished their faith from Judaism by deriding Jewish messianism as earthly minded and militaristic In the early modern period critics found an expedient way to distance Jesus from this caricature of Jewish messianism they pinned the expectation for the second coming on Jesus's early followers A new appreciation for the diversity of Judaism and messianism in the Second Temple period makes possible a fresh reconstruction of Jesus Bold and historically astute *Jesus and His Promised Second Coming* breathes new life into a long stagnant conversation It also offers readers fresh insight into the history of Jewish-Christian relations Students and scholars of the New Testament will need to read and engage with Ferda's provocative argument
