Quest For Apollo:

Quest for Apollo Michael Lahey,1989 His name was Virgil I met him in the woods when I was fleeing from a wolf He looked around fifty but said he d been that age for about 2 000 years ever since he d died And that was the part of his story that didn t sound too crazy When I told him that I was a writer and my name was Delbert Frederick Alderini the guy just about flipped out said I was the one he d been waiting for that I had to come with him to see Diana the goddess Diana Of course I didn t believe him but it seemed like there might be a story in it so I went Diana was a goddess alright a real beauty She was working as a waitress in a restaurant in Italy s Aventine hills and when she gave me her pitch how could I resist She said her brother Apollo had been condemned for helping humans too much His punishment was to be reincarnated over and over again as a doomed hero with no memory of his true identity But this time around things were different If Virgil and I couldn t find Apollo within the next six days and free him from this cycle not only Apollo but everyone would go up in a total nuclear conflagration So what else could I do but try to save the world Back cover
