

The Quest for Becket's Bones

THE MYSTERY OF THE RELICS OF
ST THOMAS BECKET OF CANTERBURY

John Butler

Quest For Becket's Bones

Francis Young

Quest For Becket's Bones:

The Quest for Becket's Bones John R. Butler, 1995-01-01 In January 1888 workmen excavating in the eastern crypt of Canterbury Cathedral discovered the bones of a skeleton many believed to be that of the martyred archbishop Thomas Beckett This book traces the full history of Beckett's bones from their alleged destruction by Henry VIII's commissioners during the Reformation to the present day Includes fascinating observations such as the unexpected discovery by workmen in 1865 of Dante's bones concealed in a wooden box a short distance from his empty tomb *The Cult of Thomas Becket* Kay Brainerd Slocum, 2018-10-26 On 29 December 1170 Thomas Becket Archbishop of Canterbury was brutally murdered in his own cathedral News of the event was rapidly disseminated throughout Europe generating a widespread cult which endured until the reign of Henry VIII in the sixteenth century and engendering a fascination which has lasted until the present day *The Cult of Thomas Becket History and Historiography through Eight Centuries* contributes to the lengthy debate surrounding the saint by providing a historiographical analysis of the major themes in Becket scholarship tracing the development of Becket studies from the writings of the twelfth century biographers to those of scholars of the twenty first century The book offers a thorough commentary and analysis which demonstrates how the Canterbury martyr was viewed by writers of previous generations as well as our own showing how they were influenced by the intellectual trends and political concerns of their eras and indicating how perceptions of Thomas Becket have changed over time In addition several chapters are devoted a discussion of artworks in various media devoted to the saint as well as liturgies and sermons composed in his honor Combining a wide historical scope with detailed textual analysis this book will be of great interest to scholars of medieval religious history art history liturgy sanctity and hagiography *The Corpse as Text* Thea Tomaini, 2017 Between 1700 and 1900 the subject of disinterment exhumation attracted the attention of antiquaries who constructed a comprehensive memory of the past by reading corpses as documents describing an idealised past Between 1700 and 1900 the sixteenth and seventeenth centuries were stereotyped idealised and held as a standard by which the present time could be measured Various figures in politics academia and the church pointed to historical persons such as Henry VIII Shakespeare Charles I and Oliver Cromwell as icons whose lives deaths and corpses illustrated the victories of English Protestantism the values of Monarchism or Republicanism and the superiority of the English culture and its language In particular the subject of disinterment exhumation attracted the attention of antiquaries They constructed a comprehensive memory of the past by reading corpses as documents describing an idealised past These texts accompanied and enhanced the traditional texts of chronicle literature and epitaph This study explores the cooperation of ideology and aesthetic the paradox of allure and revulsion and the uncanny attraction to death In each case there is a desire for the dead to speak in a contemporary voice each historical personage becomes symbolic of larger aspects of the contemporary culture The discourse of the noble body in death is reconfigured to validate English nationalist ideals and to establish the past as a Golden Era of

unimpeachable superiority It was not enough simply to study the lives and deaths of historical figures It was necessary to disinter the corpses engage physically with the dead and experience the discourse of validation THEA TOMAINI is Associate Professor of English Teaching at the University of Southern California

The Cult of St Thomas Becket in the Plantagenet World, C.1170-c.1220 Paul Webster (Medievalist), Marie-Pierre Gelin, 2016 The extraordinary growth and development of the cult of St Thomas Becket is investigated here with a particular focus on its material culture Thomas Becket the archbishop of Canterbury cut down in his own cathedral just after Christmas 1170 stands amongst the most renowned royal ministers churchmen and saints of the Middle Ages He inspired the work of medieval writers and artists and remains a compelling subject for historians today Yet many of the political religious and cultural repercussions of his murder and subsequent canonisation remain to be explored in detail This book examines the development of the cult and the impact of the legacy of Saint Thomas within the Plantagenet orbit of the late twelfth and early thirteenth centuries the Empire assembled by King Henry II defended by his son King Richard the Lionheart and lost by King John Traditional textual and archival sources such as miracle collections charters and royal and papal letters are used in conjunction with the material culture inspired by the cult to emphasise the wide ranging impact of the murder and of the cult's emergence in the century following the martyrdom From the archiepiscopal church at Canterbury to writers and religious houses across the Plantagenet lands to the courts of Henry II his children and the bishops of the Angevin world individuals and communities adapted and responded to one of the most extraordinary religious phenomena of the age Dr Paul Webster is currently Lecturer in Medieval History and Project Manager of the Exploring the Past adult learners progression pathway at Cardiff University Dr Marie Pierre Gelin is a Teaching Fellow in the History Department at University College London Contributors Colette Bowie Elma Brenner Jos Manuel Cerda Anne J Duggan Marie Pierre Gelin Alyce A Jordan Michael Staunton Paul Webster

Religious Identities in Henry VIII's England Peter Marshall, 2016-04-08 Henry VIII's decision to declare himself supreme head of the church in England and thereby set himself in opposition to the authority of the papacy had momentous consequences for the country and his subjects At a stroke people were forced to reconsider assumptions about their identity and loyalties in rapidly shifting political and theological circumstances Whilst many studies have investigated Catholic and Protestant identities during the reigns of Elizabeth and Mary much less is understood about the processes of religious identity formation during Henry's reign

Mitre and the Crown Dominic Aidan Bellenger, Stella Fletcher, 2005-02-17 Dominic Aidan Bellenger is Prior of Downside Abbey and a Fellow of the Royal Historical Society and of the Society of Antiquaries His publications include *Medieval Worlds* Routledge 2002 and *Princes of the Church* with Stella Fletcher Sutton 2001 Stella Fletcher is a lecturer and writer on history Her books include the *Longman Companion to Renaissance Europe* 1999

Saints Alive David Eliot Williams, 2010 How do we know what we know about saints

Heaven on Earth Emma J. Wells, 2022-09-01 A glorious illustrated history of sixteen of the world's greatest cathedrals interwoven with the

extraordinary stories of the people who built them An impeccable guide to the golden age of ecclesiastical architecture The Times Vivid colourful and absorbing Dan Jones An epic ode to some of our most beautiful and beloved buildings Helen Carr The emergence of the Gothic in twelfth century France an architectural style characterized by pointed arches rib vaults flying buttresses large windows and elaborate tracery triggered an explosion of cathedral building across western Europe It is this remarkable flowering of ecclesiastical architecture that forms the central core of Emma Wells s authoritative but accessible study of the golden age of the cathedral Prefacing her account with the construction in the sixth century of the Hagia Sophia the remarkable Christian cathedral of the eastern Roman empire she goes on to chart the construction of a glittering sequence of iconic structures including Saint Denis Notre Dame Canterbury Chartres Salisbury York Minster and Florence s Duomo More than architectural biographies these are human stories of triumph and tragedy that take the reader from the chaotic atmosphere of the mason s yard to the cloisters of power Together they reveal how 1000 years of cathedral building shaped modern Europe and influenced art culture and society around the world *History of Criminal Justice* Mark Jones, Peter Johnstone, 2011-07-22 Covering criminal justice history on a cross national basis this book surveys criminal justice in Western civilization and American life chronologically from ancient times to the present It is an introduction to the historical problems of crime law enforcement and penology set against the background of major historical events and movements Integrating criminal justice history into the scope of European British French and American history this text provides the opportunity for comparisons of crime and punishment over boundaries of national histories The text now concludes with a chapter that addresses terrorism and homeland security **A History of the Church in the Middle Ages** F Donald Logan, 2012-07-26 Conceptually well organized stylistically clear intellectually thoughtful and pedagogically useful Thomas Head Speculum For its humane and learned approach to its enormous canvas as well as for the cogency with which it penetrates at speed to the essentials of a vanished historical epoch this History of the Church in the Middle Ages deserves a very wide audience indeed Barrie Dobson English Historical Review To have written a scholarly and very readable history of the Western Church over a millennium is a remarkable tour de force for which Donald Logan is to be warmly congratulated C H Lawrence The Tablet A feat of historical synthesis most confident in its telling of the coming of Christianity Books like Logan s are needed more than ever before Miri Rubin TLS In this fascinating survey F Donald Logan introduces the reader to the Christian church from the conversion of the Celtic and Germanic peoples to the discovery of the New World He reveals how the church unified the people of Western Europe as they worshipped with the same ceremonies and used Latin as the language of civilized communication From remote rural parish to magnificent urban cathedral A History of the Church in the Middle Ages explores the role of the church as a central element in determining a thousand years of history This new edition brings the book right up to date with recent scholarship and includes an expanded introduction exploring the interaction of other faiths particularly Judaism and Islam with the Christian church *The Rise of*

the Medieval World 500-1300 Jana K. Schulman, 2002-05-30 Beginning in 500 with the fusion of classical Christian and Germanic cultures and ending in 1300 with a Europe united by a desire for growth knowledge and change this volume provides basic information on the significant cultural figures of the Middle Ages It includes over 400 people whose contributions in literature religion philosophy education or politics influenced the development and culture of the Medieval world While focusing on Western European figures the book does not neglect those from Byzantium Baghdad and the Arab world who also contributed to the politics religion and culture of Western Europe Europe underwent fundamental changes during the Middle Ages It changed from a preliterate to a literate society Cities became a vital part of the economy culture and social structure The poor and serfs went to the cities The devout joined monastic orders Christianity spread throughout Europe while a man was born in Mecca who would change the shape of the religious map Islam spread throughout the Holy Land Christian piety led to the Crusades This book provides a convenient guide to those who helped shape these movements and counter movements during this era that would pave the way for the Renaissance **Thomas Cranmer** Diarmaid MacCulloch, 1996-01-01 The first major biography of its subject in more than thirty years makes use of new British manuscript sources to draw a rich portrait of Henry VIII's archbishop of Canterbury who guided England through the Reformation UP **The Canterbury Book of Days** Paul Crampton, 2012-02-29 Taking you through the year day by day The Canterbury Book of Days contains a quirky eccentric amusing or important event or fact from different periods of history many of which had a major impact on the religious and political history of England as a whole Ideal for dipping into this addictive little book will keep you entertained and informed Featuring hundreds of snippets of information gleaned from the vaults of Canterbury's archives it will delight residents and visitors alike [Making and remaking saints in nineteenth-century Britain](#) Gareth Atkins, 2016-08-25 This book examines the place of saints and sanctity in a self consciously modern age and argues that Protestants were as fascinated by such figures as Catholics were Long after the mechanisms of canonisation had disappeared people continued not only to engage with the saints of the past but continued to make their own saints in all but name Just as strikingly it claims that devotional practices and language were not the property of orthodox Christians alone Making and remaking saints in the nineteenth century Britain explores for the first time how sainthood remained significant in this period both as an enduring institution and as a metaphor that could be transposed into unexpected contexts Each of the chapters in this volume focuses on the reception of a particular individual or group and together they will appeal to not only historians of religion but those concerned with material culture the cult of history and with the reshaping of British identities in an age of faith and doubt **Negotiating the Sacred** Elizabeth Burns Coleman, Kevin White, 2006-06-01 This cross disciplinary exploration of the role of the sacred blasphemy and sacrilege in a multicultural society brings together philosophers theologians lawyers historians curators anthropologists and sociologists as well as Christian Jewish and Islamic and secular perspectives In bringing together different disciplinary and cultural

approaches the book provides a way of broadening our conceptions of what might count as sacred sacrilegious and blasphemous in moral and political terms In addition it provides original research data on blasphemy sacrilege and religious tolerance from a range of disciplines

Edmund Francis Young,2018-03-13 What buried secret lies beneath the stones of one of England's greatest former churches and shrines The ruins of the Benedictine Abbey of Bury St Edmunds are a memorial to the largest Romanesque church ever built This Suffolk market town is now a quiet place out of the way eclipsed by its more famous neighbour Cambridge But present obscurity may conceal a find as significant as the emergence from beneath a Leicester car park of the remains of Richard III For Bury as Francis Young now reveals is the probable site of the body placed in an iron chest but lost during the Dissolution of the Monasteries of Edmund martyred monarch of the Anglo Saxon kingdom of East Anglia and well before St George England's first patron saint After the king was slain by marauding Vikings in the ninth century the legend which grew up around his murder led to the foundation in Bury of one of the pre eminent shrines of Christendom In showing how Edmund became the pivotal figure around whom Saxons Danes and Normans all rallied the author points to the imminent rediscovery of the ruler who created England

A People's Church Jeremy Morris,2022-04-07 A masterly vivid and original sketch not just of the history but of the culture or cultures of the Church of England across nearly five centuries Rowan Williams poet and former Archbishop of Canterbury It is hard to comprehend the last 500 years of England's history without understanding the Church of England From its roots in Catholicism through to the present day this is the extraordinary history of a familiar but much misunderstood institution The Church has frequently been divided between high and low Evangelical and Anglo Catholic For its first 150 years people sacrificed their lives to defend it the Anglican Church is and has always been defined by its complicated relationship to the state and power As Jeremy Morris shows the story of the Church central to British life has never been straightforward Weaving social political and religious context together with the significance of its music and architecture A People's Church skilfully illuminates a complex and pre eminent institution

Pilgrimage and England's Cathedrals Dee Dyas,John Jenkins,2020-08-07 A brilliant breakthrough in pilgrimage studies An exemplary study that shows how to bring together different academic and institutional interests in a common cause understanding the relationship between pilgrimage and English cathedrals over time A publication that will hopefully inspire similar collaborative studies around the globe John Eade Professor of Sociology and Anthropology University of Roehampton UK People who oversee minister lead worship guide welcome manage market promote and maintain cathedrals will find this book an indispensable treasure It is aware of the awesome complexity inherent in cathedral life but it doesn't duck the issues its clear eyed focus is on the way people experience cathedrals and how these extraordinary holy places can speak and connect with all the diversity represented by the people who come to them In a spiritually hungry age this book shows us how to recognise and meet that hunger This book will be required reading for all us insiders trying to invite and signpost access to holy ground The Very Reverend Adrian

Dorber Dean of Lichfield Chair of the Association of English Cathedrals This book looks at England's cathedrals and their relationship with pilgrimage throughout history and in the present day The volume brings together historians social scientists and cathedral practitioners to provide groundbreaking work comprising a historical overview of the topic thematic studies and individual views from prominent clergy discussing how they see pilgrimage as part of the contemporary cathedral experience

Skulls and Skeletons Christine Quigley, 2001-01-01 Of the parts of the human body the bones have a unique durability that lends itself to collection Provided a body has not been cremated the skeletal remains can be recovered even millions of years after death cleaned of flesh and debris studied at length and stored indefinitely without the maintenance that wet specimens require Motivations for collecting human skeletal material range from the practical in anthropology medicine forensics to the ritualistic phrenology in the relics of martyrs and saints This book is an examination of those motivations and the collections they have brought about catacombs ossuaries mass graves prehistoric excavations private collections and institutions The book contains sections on procuring handling storing transporting cleaning and identifying skeletal remains The repatriation of remains and legislation covering the topic are also addressed

Memory's Library Jennifer Summit, 2008-11-15 In Jennifer Summit's account libraries are more than inert storehouses of written tradition they are volatile spaces that actively shape the meanings and uses of books reading and the past Considering the two hundred year period between 1431 which saw the foundation of Duke Humfrey's famous library and 1631 when the great antiquarian Sir Robert Cotton died *Memory's Library* revises the history of the modern library by focusing on its origins in medieval and early modern England Summit argues that the medieval sources that survive in English collections are the product of a Reformation and post Reformation struggle to redefine the past by redefining the cultural place function and identity of libraries By establishing the intellectual dynamism of English libraries during this crucial period of their development *Memory's Library* demonstrates how much current discussions about the future of libraries can gain by reexamining their past

Embracing the Track of Phrase: An Emotional Symphony within **Quest For Becket's Bones**

In a world consumed by screens and the ceaseless chatter of fast connection, the melodic beauty and emotional symphony produced by the written word often fade into the background, eclipsed by the constant sound and disturbances that permeate our lives. But, nestled within the pages of **Quest For Becket's Bones** an enchanting literary treasure filled with raw emotions, lies an immersive symphony waiting to be embraced. Crafted by a wonderful musician of language, that captivating masterpiece conducts viewers on an emotional trip, well unraveling the concealed songs and profound impact resonating within each cautiously constructed phrase. Within the depths of this moving review, we will investigate the book's key harmonies, analyze its enthralling writing type, and surrender ourselves to the profound resonance that echoes in the depths of readers' souls.
