After over 3,286 hits in thirty days, Lori set out on a journey of self-discovery in hopes to learn about human behavior, her needs, her desires, and basic human interaction while on the quest for true love. During this process of first dates, she met some incredible individuals and learned about common dating faux pas and areas of opportunity that we all have. The book *Dating Diva Adventures* is meant to be lighthearted fun and introspective. It is not about the hunt for a man, nor is it about marriage or finding a rich sugar daddy. Lori says she'll leave that to the experts. She's a woman of substance, has her own financial means, and she doesn't need a man for that, nor do you.
