[The Heart Of The Sword](#) Franklyn Thomas Jr. , 2020-06-18 In a land where the sword decided who lived and who died came an almost unstoppable force This force ripped through a once peaceful land The beauty that once covered the hillside was now ravished by fire and the smell of death and destruction Creatures that once lay dormant were now roaming the lands leaving nothing but horror in their wake Then out of nowhere a champion takes the lead on the battle to restore peace and beauty back to the land he loved more than life itself Man had no chance until he showed himself He and the men who banded with him brought peace back to the land a peace that did not last long an unexpected force that rose up and took the place of the evil that for a year had possessed the land Once again this champion stepped up to bring this evil that once again threatened his people as well as the land he loved and called home Its time was long ago and still the battle lingers on as if it will last forever
