Alice Gardner,2008 Learn how everyday life can be your most vital spiritual practice no matter what your religion or tradition This book crosses all of the spiritual and religious boundaries through the commonality of our everyday experience It is a deeply personal book giving a down to earth account of the experience of spiritual awakening and the process of bringing awakening into each moment **A Church Beyond Belief** William L. Sachs,Michael S. Bos,2014-10-01 Addresses

belonging before believing and other new patterns for remaking congregations As we move beyond the emergent or missional church paradigm pastors and other church leaders are discovering a new reality people especially younger generations are coming to church not as believers but to find a place to belong with or without faith This book describes the dilemma and the distractions that currently prevent congregations from being the place where that sense of belonging can unfold and guide newcomers in the discovery of faith The authors argue that despite elaborate talk of change spirituality transformation and conflict resolution congregations are still mired in old patterns of belonging Using broad based career experiences surveys of religious life historical precedent and insights from social psychology about what it means to belong today the book suggests new and effective approaches to help churches make vital connections **Back To The Truth**

Dennis Waite,2010-05-11 A systematic treatment of Advaita which demystifies it differentiating between approaches and teachers enabling you to decide which approach is most suitable for you **Beyond Belief: Agnostic Musings for 12**

Women Beyond Belief Karen L. Garst, 2016-10-01 Women have made great strides toward equal rights over the past

hundred years especially in the West But when considering the ongoing fight over reproductive rights and equal pay and the prevalence of sexual violence and domestic abuse it is clear that a significant gap still exists With scripture often cited as justification for the marginalization of women it is time to acknowledge that one of the final barriers to full equality for women is religion Much has been written about the great strides humankind has made in knocking down many long held religious beliefs whether related to the age of the earth or the origin of the species But religion s negative impact on women has been less studied and discussed This book is a step toward changing that Twenty two women from a variety of backgrounds and Judeo Christian traditions share their personal stories about how they came to abandon organized religion and how they discovered life after moving away from religious and supernatural beliefs Their words serve both as a celebration of all who have taken similar steps under the weight of thousands of years of religious history and as a source of inspiration for those individuals especially women who have deep doubts about their own belief traditions but who don t yet know how to embrace life without falling back on religion

Moving Beyond Belief Rick Herrick,2022-10-14 This book argues that a religion centered around biblical belief has not worked when it comes to living the teachings of Jesus For many Christians their religion has become an ideology which doesn t touch their hearts The central argument of the book is that we must shift the focus of our religion away from biblical belief to a sense of the deep transforming love that comes from knowing God The book provides detailed instructions on how such a knowing takes place In making such a change Christians will finally come to a place where they can work with God to make the world a better place

Beyond Belief Into Knowing JoyBeth,2001 Join JoyBeth as she brings into awareness the real meaning of life In a true chronicle of our times this intimate telling of one woman s need to integrate spirituality and metaphysics into daily living

leads her into not only believing but knowing that THERE IS MORE TO LIFE THAN THIS Pushing past a hard childhood crippling and life threatening diseases and mental blocks this determined Being moves past ordinariness into the extraordinariness that is available to us all Connecting mind body spirit she explores many levels of earthly life and spiritual dimensions in order to reconnect with Soul Through inner guidance she becomes committed to The Higher Self Integration Process as she works her way through the various levels Of Soul Consciousness we all can choose to achieve while journeying here on Earth Through her honesty and whole thinking abilities she enables The Soul Journey we re all on to make real sense encouraging us all to move past our confusions into an expanded and transformed understanding and way of living life

Beyond Belief Robert P. Vande Kappelle, 2012-09-17 The current age marks the transition from modernity to postmodernity a period as impactful to the Western sensibility as any previous era The role of religion and the future of Christianity are at stake At this time of transition many thoughtful individuals find themselves at a quandary having reached a critical stage in their spiritual journey Prompted by academia science reason culture and their own experience they feel compelled to choose between the beliefs they inherited as children and the claims of science reason pluralism and secularism *Beyond Belief* suggests that one need not take an either or approach on these issues there is a better way one that embraces adventure and ambiguity science and religion reason and faith evolution and creation and finds ways to live creatively with realities for which there are no easy explanations Building on a paradigmatic journey of faith that involves three stages precritical critical and postcritical understanding *Beyond Belief* describes the quest for God and for authentic faith in the twenty first century The key point for this understanding is to replace belief with faith acknowledging that belief in doctrines is not central since they are themselves unprovable This new theological perspective requires rethinking many of our cherished doctrines including our understanding of God Jesus Scripture prayer miracles and revelation *Adventures in Spirituality* Robert P. Vande Kappelle, 2020-02-17 Contrary to popular culture the goal of life is not happiness but meaning Those who seek happiness by trying to avoid or finesse conflict suffering doubt and change will find life increasingly superficial Feeling good is a flawed measure of life but living meaningfully is transformative for then one is living a developmental rather than a regressive agenda The ego does whatever it can to make itself comfortable whereas spirituality is about wholeness *Adventures in Spirituality* represents the culmination of Dr Vande Kappelle s forty year teaching career incorporating in one volume his views on topics as varied as theology Christology biblical interpretation spirituality ethics world religions religion and science faith and reason and church history Reared in Costa Rica the son of missionary parents Dr Vande Kappelle describes his journey from belief to faith as a transition from precritical to postcritical understanding from evangelical Christianity to what he calls alternative orthodoxy Narrating the shift from first to second half of life experience he introduces readers to core principles that shaped his values thinking and way of life Useful for individual or group study *Adventures in Spirituality* encourages readers to take risks with their lives and faith affirming that this is how
