Caputo, Mark Dooley, Michael J. Scanlon, 2001 In 15 insightful essays Jacques Derrida and an international group of scholars of religion explore postmodern thinking about God and consider the nature of forgiveness in relation to the paradoxes of the gift Among the themes addressed by contributors are the possibilities of imagining God as unthinkable imagining God as non patriarchal imagining a return to Augustine and imagining an age in which praise is far more important than narrative Questioning God moves readers beyond the parameters of metaphysical reason and modernist rationality as it attempts to think the questions of God and forgiveness in a postmodernist context Contributors include John D Caputo Jacques Derrida Mark Dooley Francis Sch ssler Fiorenza Robert Gibbs Jean Greisch Kevin Hart Richard Kearney Cleo McNelly Kearns John Milbank Regina M Schwartz Michael J Scanlon and Graham Ward Indiana Series in the Philosophy of Religion Merold Westphal general editor **Questioning God** Timothy Radcliffe, Lukasz Popko, 2023-07-06 The interpretation of certain key texts in the Bible by two Dominican Friars the celebrated author Cardinal Timothy Radcliffe and Biblical scholar Lukasz Popko Many today may see the relationship between God and humanity as one of passive submission and thus unquestioning Two outstanding Dominicans Cardinal Timothy Radcliffe and Lukasz Popko suggest otherwise Questioning God explores Biblical conversations with God and there is no genuine conversation without true questions Our God question us from the first conversation of God and humanity in the Bible where God asks Adam Where are you to the Risen Lord s questioning Peter on the beach Do you love me more than these others But humanity questions God too as in the audacious questioning of Jesus by the Samaritan woman at the well In

this process of mutual questioning humanity is drawn ever deeper into the life of God the eternal conversation of the Trinity Insights into these transformative conversations are helpful as the Church questions how to be faithful to God in this uncertain time Fr Popko offers a fresh translation and insights of Biblical scholarship and Cardinal Radcliffe extends his rich experience as a preacher theologian and an inspiring commentator *Questioning God* John Hopper,2021-11-30 *Ten Questions God Asked* Michele Armstrong,2015-02-19 From the moment sin entered the world God has been bringing humankind back to Himself He has spoken like thunder and whispered like the wind He has stirred the waters and calmed them He has shaken the mountains and given visions and dreams God has used these and may other avenues to teach and guide those willing to listen and see In His dealings with those He loves it is evident that God is never more personal more direct more piercing than when He asks a question God does not questions us so that we become informed He questions us so that we will grow We have all asked questions of God at one time or another but rarely do we stop to consider the questions God may be asking us By examining various times throughout the Scriptures when God questioned His people to bring the back to Himself *Ten Questions God Asked* invites readers to examine their hearts and minds and apply the personal lessons to their lives Study questions at the end of each chapter make *Ten Questions God Asked* an ideal book for individual and groups study and reflection **Great Questions God Asks** Kathy Call,2017-11-30 The Bible is full of questions asked by God of his people Each of these questions challenge us to struggle with some nagging issue or problem inside us that simply refuses to go away God s great questions probe the deepest issues of our lives questions of identity of adequacy of balance of assurance of mercy of renewal of perspective of ultimate hope of perception As the characters in the Bible of whom these questions were first asked wrestle with their answers we as readers of this book find ourselves wrestling with the same questions in our lives bringing us face to face with ourselves and with God himself **Questions About God S.** Michael Houdmann,2014-04-25 God welcomes questions The Bible is full of inquisitive characters with good questions From Abrahams inquiry Will not the Judge of all the earth do right to Marys wide eyed How will this be God patiently answers the questions of sincere searching hearts Questions are part of the learning process and a repeated Old Testament command is to seek the Lord Those who inquire of Him are invariably rewarded with His wisdom Jesus gracious promise says Ask and it will be given to you Matthew 7 7 As we open the Bible we begin a quest to know the God who has revealed Himself in its pages What is God like Does God love me Why does He allow bad things to happen The answers to these and many other questions are there in the Bible waiting for us to find them Got Questions Ministries has fielded many questions about God since 2002 One hundred of those questions are compiled in this book along with biblical answers All of these real life questions come from people who want to know the truth about God His nature and His work in the world We hope you will use this volume as an aid to knowing God a little better and loving Him more *Blind Faith: How Christianity Abandoned God* Daniel N. N,2016-03-22 *Blind Faith How Christianity abandoned God Part One* the Trinity doctrine is the first book in a

three part series focused on exposing age old spiritual beliefs that have been proven to be false The trinity doctrine is arguably the most accepted if not a fundamental belief in Christianity today It s the belief that claims God is made up of three distinct persons all unique but yet one The focus of blind faith is to prove to you that the trinity doctrine is a false belief that was concocted and voted on by the 4th century CE Roman appointed Ecumenical Bishops who then went on to mislead the whole church into believing in a false god and have done so until this day The only reason this doctrine is still viewed as truth is because of sixteen centuries of indoctrination control and monopoly of the church when in fact there is no evidence anywhere in history or in the Bible to support the existence of such a god a triune god If this doctrine is false then its goes without saying that the core or the foundation of what Christians believe today about who God is is equally false In other words Christianity today is based on a lie and the 2.2 billion Christians around the world are following a lie A lie if brought to light would shake the very foundations of Christianity as we know it **Velvet Elvis** Rob Bell,2006-06-29 In order to find an authentic understanding of the Christian faith Bell frees readers to consider God beyond the picture someone else painted

WHEN GOD'S COMMAND BECOMES A QUESTION Jay Leach,2024-03-14 **IGNORANCE OF GOD S TRUTH IS NO EXCUSE** We are to glorify God and love Him with all our heart soul and mind and love our neighbors as ourselves As believers we are to be conduits for the flow of God s love to other human beings However the Christian Community is greatly hindered corporately and individually because of self love individualism spiritual and biblical ignorance Many Christians look at the truths of God s Word in an attitude of utter defeat and unbelief God said this work would be done through us empowered by the Holy Spirit We can trust Him to complete His work in us because He has promised it see Philippians 1:6 God repeatedly assures us of His promised provisions for us and of His consistent undying love for us Why not fully yield yourself to Him today **When Ministry Hurts** Dale Scott Sanger,2024-11-26 Pentecostal clergy are among a group of professionals who may suffer from personal trauma and may also be susceptible to vicarious trauma Pentecostal theology does not have adequate resources to help clergy persons amid trauma to aid in comprehending what they are going through especially when there is no relief from the traumatic symptoms for the sufferer This phenomenological study and theological analysis reveals that there is a triumphalistic attitude within Pentecostalism that does not adequately prepare pastors to understand or cope with trauma The way forward is for clergy to understand trauma not through traditional Pentecostal theology but by incorporating Martin Luther s theologia crucis and his practice of lament into existing Pentecostal theology and praxis Consideration of literature on trauma studies Pentecostal theology and Luther s theology of the cross and his practice of lament are utilized to highlight the need and the suggested remedy *Major Bible Prophecies* John F. Walvoord,2010-06-15 The major prophecies of the Bible arranged in one volume like the 52 major doctrines of Scripture that are arranged in Walvoord s long time hardback seller *Major Bible Themes* **Wrestling with Doubt** Frank D. Rees,2001 Rees provides a theological analysis of doubts as a constructive element within the Christian experience of faith He considers

three theological frameworks each of which offers an interpretation of doubt and two life story theologies that deal with faith and doubt

Questions God Asks Dale Larsen, Sandy Larsen, 2018-08-07 This nine session LifeGuide Bible study covers some of the surprising and interesting questions Old Testament characters heard from God such as when he asked Where are you of Adam and Eve As we consider the questions God asked others we are guided inward to reflect on the same questions in our own lives

Questions God Asks Us Trevor Hudson, 2020-03-01 Transformation comes from questions not answers We often look to the Bible as the book of answers How often though do we consider the challenging questions God asks Hudson notes that Jesus was asked 183 questions in the Gospels but directly only answered three The Creator is teaching us as we teach children when they struggle with schoolwork You learn more by doing than being fed an absolute answer In Questions God Asks Us we re encouraged to focus on the quest rather than a resolution Such an approach leads to deeper dialogue and intimacy with the divine This is a critical turning point in our journey with God as it was for the author I thought the Bible existed to give me solutions to my everyday concerns and dilemmas writes Hudson Then I realized I might be approaching God and the Bible from the wrong direction It was as if God said to me Trevor rather than you always asking questions of me start listening to the questions I have for you Each of 10 questions Hudson excerpts from the Old and New Testaments serves as a starting point for genuine conversation with the Creator He assures We re not starting the conversation with God from scratch God has already begun it We just need to plug into the conversation that is already going on Questions God Asks Us offers a fresh approach for personal devotions and a unique discussion tool for small group Bible studies It s sure to bless anyone longing for a meaningful growing relationship with God

Questions God Asks Israel Wayne, 2014-02-01

UNDERSTANDING THE OMNIPOTENT GOD WHO ASKS QUESTIONS OF US Why would God ask anyone a question We ask questions when we don t understand Yet the Creator of the universe who spoke all that we see into being asks questions Unimaginable power and wisdom are already His As strange as it may seem to us the Bible is filled with questions God asks He is not the one who needs answers these questions help us to understand both God and ourselves Delve into the answers found by Job Adam Cain Moses Joshua Elijah and others Examine our fundamental assumptions about God human nature relationships origins and purpose Learn about godly character and God s transforming message Find a powerful supplement for family worship Bible study and personal devotions in the Questions God Asks Stop demanding answers from God and begin answering the questions He asks of us
