Questions Of Censorship:

Questions of Censorship David H. Tribe, 1973 Censorship and Ideology Julia Lin Thompson, 2024-09-25 This book offers a fascinating picture of how state censorship affected children's literature translation in post Civil War Spain Focusing on the Spanish translations of Mark Twain's children's classics The Adventures of Tom Sawyer and The Adventures of Huckleberry Finn the author traces the evolution of the censorship system of the Francoist regime and its impact on Spanish children's literature during the years after the Spanish Civil War Drawing on the regime's censorship laws official censors records and textbooks she not only examines the censorship imposed on the translations of Twain's works but also offers insights into the intricate connections between state censorship and the regime's educational aims The book gives a revealing analysis of the ways in which the highly bureaucratic censorship apparatus operated under Franco's dictatorship outlining the flaws and fallacies within it as well as the strategies adopted by publishers and translators to resist the power of the state While centred on Francoist Spain the book also explores broader themes of ideology censorship and translation making it a valuable source for scholars of translation studies and Hispanic studies as well as those with a wider interest in literature history and cultural studies **Questions of Censorship** David Tribe, 2025-07-30 First published in 1973 Questions of Censorship offers a lively yet scholarly account of the forces that have exercised censorship down the ages This book essays a broader theme viewing censorship within the total context psychological sociological and political **Private Censorship** J. P. Messina, 2023-10-13 Private Censorship is about free speech and how corporations and social groups can interfere with it J P Messina asks and variously answers questions like what should we think when employees get fired for things they say When is it appropriate for social media firms to deplatform users and what does it mean for our democracy that those in charge of such decisions are often wealthy Silicon Valley executives Do search engines act as massive gatekeepers to information in troubling ways and how might they be constrained if so Messina argues that while there is much to worry about when it comes to these exercises of private power it would be a mistake to simply do away with them as some have suggested **Information for a Better World: Normality, Virtuality, Physicality, Inclusivity** Isaac Sserwanga, Anne Goulding, Heather Moulaison-Sandy, Jia Tina Du, António Lucas Soares, Viviane Hessami, Rebecca D. Frank, 2023-03-09 This two volume set LNCS 13971 13972 constitutes the refereed proceedings of the 18th International Conference on Information for a Better World Normality Virtuality Physicality Inclusivity held in March 2023 The 36 full papers and the 46 short papers presented in these proceedings were carefully reviewed and selected from 197 submissions They cover topics such as Archives and Records Behavioral Research Information Governance and Ethics AI and Machine Learning Data Science Information and Digital literacy Cultural Perspectives Knowledge Management and Intellectual Capital Social Media and Digital Networks Libraries Human Computer Interaction and Technology Information Retrieval Community Informatics and Digital Information Infrastructure Censorship United States.
