[Simon and Schuster Quick Access Reference for Writers](#) Lynn Quitman Troyka,2003-07-01 PREFACE TO STUDENTS A personal message from Lynn Troyka to students Many of you as writers have much in common with me Sure I ve been writing longer so I ve had more practice and lots of rules are cemented in my head by this time though some stubbornly refuse to stick and I still need to look them up Rather our shared experiences during the act of writing define our commonalities After all we re each trying to put into words ideas worthy of someone else s taking the time to read them When I write I m often unsure of how to begin starting in the middle and then working backward and forward usually helps Not infrequently I m stuck for examples sufficiently effective to get my point across running my thoughts past my friends can often get me going Somewhat regularly the precise expression that I m looking for eludes me as I rummage through the clutter of words in my mind using a thesaurus commonly helps me sort things out as long as I attend to the subtle differences

in meanings of synonyms I offer this book to you as my partners in the process of writing hoping that its pages suggest strategies that enhance your abilities to give voice to your thoughts You re always welcome to write me atLQTBook aol comto express your reactions to my book and to share your own experiences as a writer I d like to end this message with a personal story When I was an undergraduate years ago handbooks weren t as common as they are now Questions about writing nagged at me and no one seemed to have the answers I sought One day browsing through the library I found a dust covered book sitting on the wrong shelf Its title included the words handbook and writers I read that book hungrily and often Back then I could never have imagined that someday I might write such a book myself Now that I ve completed theSimon Schuster Quick Access Reference for Writers Fourth Edition I m amazed that I ever had the nerve to begin What this proves to me and I hope to you is that anyone can write Students don t always believe that I hope you will With cordial regards Lynn Troyka
