*90 Easy Dinner Recipes to Cook Without Hassle* Victor Gourmand, *Cooking Dinner Recipes A Delicious Collection Cookbook Series* As a seasoned home chef I know all too well the frustration of wanting to cook a delicious dinner for my family but not having the time or energy to spend hours in the kitchen That s why I am excited to introduce you to my latest cookbook 90 Easy Dinner Recipes to Cook Without Hassle This cookbook was created with the busy home cook in mind With 90 recipes this book

provides a diverse range of dishes that are quick and easy to make without sacrificing flavor or nutrition. Whether you're a beginner or an experienced cook, you'll find something in this book that appeals to you. The concept of 90 Easy Dinner Recipes is simple meals that can be prepared in a reasonable time frame using ingredients that are easily accessible and affordable. No more complicated recipes with lengthy ingredient lists or cooking methods that take hours to complete. This book is all about making healthy and delicious meals that are simple to make so you can spend less time in the kitchen and more time enjoying your meal. In the introduction of the book, you'll learn why cooking without hassle is so important. I also share my tips on essential kitchen tools and utensils that every home cook should have and provide a brief overview of basic cooking techniques so you have the confidence to tackle any recipe in this book. The chapters in this book are divided into various categories such as soups, starters, appetizers, pasta recipes, one-pot meals, poultry, seafood, meat, vegetarian, side dishes, and desserts. Each recipe has been selected for its ease of preparation, delicious taste, and appealing presentation. You'll find a range of recipes to suit every taste and occasion, from comforting soups and hearty stews to pasta dishes and one-pot meals to delicious desserts and sweet treats. One of my favorite things about this cookbook is that it showcases the versatility of each recipe. For example, the Shrimp Scampi recipe can be adapted to use chicken instead of shrimp, or you can use gluten-free pasta to make it a gluten-free meal. The same goes for the other recipes in this book; they can be easily adapted to suit your taste preferences or dietary restrictions. Each recipe in this cookbook includes clear and concise instructions along with helpful tips and suggestions to make your cooking experience as stress-free as possible. Whether you're cooking for a family of four or for just one or two people, you'll find recipes that are perfect for your needs. In the end, I can say with assurance that 90 Easy Dinner Recipes to Cook Without Hassle is the perfect cookbook for busy home cooks who want to make healthy and delicious meals without spending hours in the kitchen. With its focus on quick and easy recipes, this book is an invaluable resource for anyone who wants to simplify their cooking routine without sacrificing taste or nutrition. So if you're ready to enjoy more time with your family and less time in the kitchen, this cookbook is for you.
