Newcomer's Handbook® for Moving to and Living in Los Angeles, 4th Edition , 2005 **"Literchoor Is My Beat"** Ian S. MacNiven, 2014-11-18 A biography thoughtful and playful of the man who founded New Directions and transformed American publishing James Laughlin poet publisher world class skier was the man behind some of the most daring revolutionary works in verse and prose of the twentieth century As the founder of New Directions he published Ezra Pound s The Cantos and William Carlos Williams s Paterson he brought Hermann Hesse and Jorge Luis Borges to an American audience Throughout his life this tall charismatic intellectual athlete and entrepreneur preferred to stay hidden But no longer in Literchoor Is My Beat A Life of James Laughlin Publisher of New Directions Ian S MacNiven has given us a sensitive and revealing portrait of this visionary and the understory of the last century of American letters Laughlin or J as MacNiven calls him emerges as an impressive and complex figure energetic idealistic and hardworking but also plagued by doubts not about his ability to identify and nurture talent but about his own worth as a writer Haunted by his father s struggles with bipolar disorder J threw himself into a flurry of activity pulling together the first New Directions anthology before he d graduated from Harvard and purchasing and managing a ski resort in Utah MacNiven s portrait is comprehensive and vital spiced with Ezra Pound s eccentric letters J s romantic foibles and anecdotes from a seat of your pants era of publishing now gone by A story about the struggle to publish only the best it is itself an example of literary biography at its finest **American Detective** Thomas A. Reppetto, 2018-06 From the Roaring Twenties to the 1970s detectives reigned supreme in police departments across the country In this tightly woven slice of true crime reportage Thomas A Reppetto offers a behind the scenes look into some of the most notable investigations to occur during the golden age of the detective in American criminal justice From William Burns who during his heyday was known as America s Sherlock Holmes to Thad Brown who probed the notorious Black Dahlia murder in Los Angeles to Elliott Ness who cleaned up the Cleveland police but failed to capture the Mad Butcher who decapitated at least a dozen victims American Detective offers an indelible portrait of the famous sleuths and investigators who played a major role in cracking some of the most notorious criminal cases in U S history Along the way Reppetto takes us deep inside the detective bureaus that were once the

nerve centers behind crime fighting on the streets of America's great cities including the FBI itself under the direction of America's top cop J Edgar Hoover According to Reppetto detectives were once able watchdogs until their role in policing became diluted by patrol strategies ranging from stop and frisk to community policing Reppetto argues against these current policing systems and calls for a return to the primacy of the detective in criminal investigations *The Stanford Illustrated Review*, 1920

The Hemingway Log Brewster Chamberlin, 2015-03-20 Few if any writers have made a mark as broad and deep as Ernest Hemingway whose life and work and even image continue to permeate American culture more than a half century after his death in 1961 And never has there been a chronology of the writer's life and times as comprehensive detailed and useful as The Hemingway Log For more than a dozen years Brewster Chamberlin has been compiling and wonderfully annotating and continuously updating what amounts to almost a daybook

calendar of Hemingway's life as author Paul Hendrickson noted in his acclaimed Hemingway's Boat Everything He Loved in Life and Lost At long last available to readers and scholars this chronology extends from the birth of Mark Twain whose Huckleberry Finn Hemingway said was the source of all modern American literature to the 2013 publication of the second volume of a projected seventeen of the Hemingway letters Throughout the events and dates that had any influence whatsoever on the writer are detailed day by day Who won the Nobel Prize in literature each year for instance or the Pulitzer What works of poetry fiction or drama were published What was happening in the world and in the country and how did it relate to Hemingway Within this clarifying context the chronological facts of the writer's own life and work unfold literary production and publishing travels and households activities and relevant occurrences relations with family friends lovers and enemies Drawing on biographies memoirs and various Hemingway collections and websites as well as the full range of original sources such as letters fishing logs notebooks and manuscripts The Hemingway Log presents the most extensive and accurate chronology of Hemingway's life and times and in the process clears up many of the inconsistencies and factual errors that riddle accounts of the writer's life and work Any future scholar of Hemingway will find the book not just invaluable but absolutely necessary and any serious reader of Hemingway will find it irresistible *San Francisco Chamber of Commerce Activities* ,1914
