Russia The Land The People

Edith Caroline Phillips

Russia The Land The People:

People, the Land, and the Book, 1903 *Russia, the Land of the Great White Czar* Edith Caroline Phillips, 1904 **A History of Russian Philosophy** Valery A. Kuvakin, 1994-02 For the first time since the break up of the USSR and with the help of 21 leading historians of Russian philosophy from Moscow State University including M N Gromov Z A Kamensky M A Maslin B G Safronov and V V Serbinenko Valery A Kuvakin presents a comprehensive two volume work capturing the rich philosophical heritage of this diverse culture These scholars discuss its interpretation of the universe the essence of history and human existence the ideals of knowledge and a decent life the destiny of Russia and the life of the world community from the 10th century through the early 20th century These discussions are augmented with selected excerpts from original works which served as examples of the main schools of thought **Holy Leaders of the Russian Land** Evgeny Poselyanin, Wealth without work Pleasure without conscience Science without humanity Knowledge without character Politics without principle Commerce without morality Worship without sacrifice <https://vidjambov.blogspot.com/2023/01/book-inventory-vladimir-djambov-talmach.html> Every Russian person sacredly loves his homeland And in the way Russian people relate to Russia there is a lot different from the attitude of foreigners to their native countries Russian people not only love their land as the place of their homeland and their ancestors where their whole life flows not only are grateful to her for the opportunity to lead a quiet life which she gives them Russians honor Russia as a sacred thing of the soul pray for it Miraculously their love for their native country is intertwined with faith in God They consider it a happy and longed for deed to die for their homeland and all their enthusiastic and special feeling for Russia is so clearly expressed in two words Holy Russia Why is one of all the countries in the world called Holy What is the difference between the people who applied this great word saint to the name of their land and does not call it otherwise Yes the significance of this name of Rus is great and a deep meaning is hidden in it This word also points to the special God s choice of the Russian people and to its special spiritual goals and aspirations There was in ancient times one sacred people descended from the righteous chosen by God The Lord Himself led him in wonderful ways gave him earthly power he could also receive future heavenly glory This people were Jews But this chosen people did not remain faithful to God s covenants at the head of it there were persons who replaced the living faith of the heart with the dry performance of certain external rites Life giving love has dried up in him And when the God of love sent into the world to save people to remove the curse for the Fall of the first man His Son the Jews did not recognize Christ and the Son of Man was crucified in Jerusalem on the cross And the bright destiny that this people could acquire for itself was forever destroyed by a terrible cry before Pilate condemned Christ His blood be on us and on our children **The Old Faith and the Russian Land** Douglas Rogers, 2016-02-04 The Old Faith and the Russian Land is a historical ethnography that charts the ebbs and flows of ethical practice in a small Russian town over three centuries The town of Sepych was settled in the late seventeenth century by religious dissenters who fled to the forests of the Urals to

escape a world they believed to be in the clutches of the Antichrist Factions of Old Believers as these dissenters later came to be known have maintained a presence in the town ever since The townspeople of Sepych have also been serfs free peasants collective farmers and now shareholders in a post Soviet cooperative Douglas Rogers traces connections between the town and some of the major transformations of Russian history showing how townspeople have responded to a long series of attempts to change them and their communities tsarist era efforts to regulate family life and stamp out Old Belief on the Stroganov estates Soviet collectivization drives and antireligious campaigns and the marketization religious revival and ongoing political transformations of post Soviet times Drawing on long term ethnographic fieldwork and extensive archival and manuscript sources Rogers argues that religious political and economic practice are overlapping arenas in which the people of Sepych have striven to be ethical in relation to labor and money food and drink prayers and rituals religious books and manuscripts and the surrounding material landscape He tracks the ways in which ethical sensibilities about work and prayer hierarchy and inequality gender and generation have shifted and recombined over time Rogers concludes that certain expectations about how to be an ethical person have continued to orient townspeople in Sepych over the course of nearly three centuries for specific identifiable and often unexpected reasons Throughout he demonstrates what a historical and ethnographic study of ethics might look like and uses this approach to ask new questions of Russian Soviet and post Soviet history

Soviet Land and People Nikolaï Nikolaevich Mikhaïlov, 1950 *The Russian Idea. Dostoevsky's Worldview*

Nikolay Alexandrovich Berdyaev, **The Russian Turmoil; Memoirs: Military, Social, and Political** Anton Ivanovich Denikin, 2019-12-06 In *The Russian Turmoil Memoirs Military Social and Political* Anton Ivanovich Denikin provides a compelling first hand account of the tumultuous events surrounding the Russian Revolution and the subsequent civil war Written with a meticulous attention to detail Denikin s narrative blends personal reflection with rigorous historical analysis capturing the chaotic political landscape and the social upheaval that defined early 20th century Russia His literary style is marked by a blend of clarity and emotional resonance immersing readers in the complexities of loyalties betrayals and ideological fervor that characterized this pivotal moment in history Denikin a prominent general in the White Army was deeply involved in the military and political struggles that defined this turbulent era His experiences on the frontlines and his role in the anti Bolshevik resistance informed his perspectives making his memoir an invaluable source for understanding not only military strategy but also the broader societal implications of the conflict Denikin s insights are shaped by his commitment to preserving the legacy of pre revolutionary Russia which perhaps compelled him to document these transformative years This book is highly recommended for historians political theorists and anyone interested in the dynamics of revolution and civil war Denikin s firsthand account offers a unique lens through which to view an era of profound change making it essential reading for those seeking to grasp the intricacies of Russian history and the lasting impact of its turmoil

The Russian Bolshevik Revolution Edward Alsworth Ross, 1921 [Official Journal of the](#)

Brotherhood of Painters, Decorators and Paperhangers of America, 1917

Literature, History and Identity in

Post-Soviet Russia, 1991-2006 Rosalind J. Marsh, 2007 The aim of this book is to explore some of the main preoccupations of literature culture and criticism dealing with historical themes in post Soviet Russia focusing mainly on literature in the years 1991 to 2006 introd

A Documentary History of Russian Thought William J. Leatherbarrow, Derek Offord, 1985

Land Rights and Minorities Roger Plant, 1994-07-01 LAND A QUESTION OF SURVIVAL The process of territorial seizure and loss began centuries ago and continues today Foreign occupation colonisation resettlement nationalisation large scale infrastructural development and wider economic forces have undermined and in some cases obliterated the land security of the world's vulnerable minorities Land is now a key issue in minority claims for protection While some minorities seek restoration of lands lost in the past others struggle to avert future dispossession or demand equality of rights with dominant majorities LAND RIGHTS AND MINORITIES written by the specialist author and consultant Roger Plant addresses the current predicament of the world's minorities with regard to access to and use of land and other natural resources It emphasises the law and policy framework for the recognition of minority land rights and the available procedures through which minorities may formulate their claims Drawing on examples from Africa the Americas Asia Australasia Europe and the Middle East the report demonstrates that the legacy of past discrimination must be addressed through affirmative action and that newly evolving policies should take into account the security of currently or potentially disadvantaged groups Some minorities are in danger of imminent extinction others pursue their demands with vigour Accepting the global imperative of environmentally sustainable land use and management this authoritative Minority Rights Group report shows how vulnerable minorities will require a range of strategies and responses to ensure their territorial security and ultimately their survival Please note that the terminology in the fields of minority rights and indigenous peoples rights has changed over time MRG strives to reflect these changes as well as respect the right to self identification on the part of minorities and indigenous peoples At the same time after over 50 years work we know that our archive is of considerable interest to activists and researchers Therefore we make available as much of our back catalogue as possible while being aware that the language used may not reflect current thinking on these issues

Russian Invasion of Ukraine: Identity, History & Conflict

Vladimir Putin, Volodymyr Zelenskyy, 2023-12-26 Russian Invasion of Ukraine Identity History Conflict is a compelling anthology that delves into the intricate tapestry of identity historical narratives and the stark realities of conflict through diverse literary styles This collection offers an enlightening exploration of geopolitical tension drawing works that embody poetry prose and firsthand accounts to illuminate the multifaceted dialogue between power and resistance Among its notable pieces are those that seamlessly weave personal experiences with broader nationalistic themes engaging readers in a critical examination of historical and contemporary forces at play The anthology presents a rare combination of perspectives from contributors such as Vladimir Putin and Volodymyr Zelenskyy whose involvement underscores the anthology's depth These

influential voices each rooted in distinct political and cultural milieus provide readers with nuanced insights into the ongoing conflict. By aligning with significant historical and cultural movements, the collection encapsulates the broader struggle for identity and self-determination that the conflict embodies. Such a convergence enables the reader to grasp the complexity of the narratives shaping the geopolitical landscape profoundly. As an invaluable resource for both scholars and general readers, *Russian Invasion of Ukraine: Identity, History, Conflict* offers a multiplicity of perspectives that enhance understanding of this pivotal era. The anthology is not only educational but also serves as a platform fostering dialogue between diverse narratives, urging readers to reflect on the collective insights presented. The collection stands as a testament to the power of literature to bridge divides and illuminate shared human experiences amidst conflict.

Short History of Russia's First Civil War
Chester S. L. Dunning, 2010-11-01. This book is the first major post-Marxist reassessment of the Time of Troubles. **The Nation**, 1917.

A Course in Russian History V.O. Kliuchevskii, 2016-09-16. This work by the great 19th-century historian is available once again in an acclaimed 1968 translation that conveys the beauty of Kliuchevsky's language and the power of his ideas. In this volume, Kliuchevsky untangles the confused events of the Time of Troubles and the emergence of the Romanov dynasty and develops his interpretation of the century as prologue to the Petrine reforms. He dramatically underlines the cultural divide between old Russia and the emergent autocracy and the strangely ambivalent relationship between Russia and the West.

Russia's Unknown Agriculture Judith Pallot, Tat'yana Nefedova, 2007-08-23. Basing their findings on four years of research during which they studied rural districts drawn from a variety of contrasting regions of European Russia, the authors discuss the place of rural households in Russia's agri-food production system. They show that far from being solely concerned with survival, household plots in contemporary Russia are increasingly used to produce crops and livestock products for the market. In the book, they describe the rich variety of forms that small and independent farming takes today, from highly localised clusters of cucumber or tomato producers to specialization in crop or animal husbandry at a higher spatial scale or associated with particular ethnic groups. The authors systematically examine the influence on past and present practices of distance and the environment, the state of the large farm sector, local customs and ethnicity on what households produce and how they produce it, often using case studies of people they have met: plot holders, farmers, local officials to illustrate their point. They criticise the tendency of the household production to be treated as the agricultural 'Other' in post-Soviet Russia and argue that with the right incentives, it has the potential for further development.

Land Reform in Russia, 1906-1917 Judith Pallot, 1999-05-20. Since the collapse of the USSR, there has been a growing interest in the Stolypin Land Reform as a possible model for post-Communist agrarian development. Using recent theoretical and empirical advances in Anglo-American research, Dr Pallot examines how peasants throughout Russia received, interpreted, and acted upon the government's attempts to persuade them to quit the commune and set up independent farms. She shows how a majority of peasants failed to interpret the Reform in the way its authors had expected, with outcomes that varied both

temporally and geographically The result challenges existing texts which either concentrate on the policy side of the Reform or if they engage with its results use aggregated official statistics which this text argues are unreliable indicators of the pre-revolutionary peasants reception of the Reform

Christianity And Government In Russia And The Soviet Union

Sergei Pushkarev, 2021-10-28 Translated from the Russian These essays were written over the course of more than 40 years Their authors Pushkarev Rusak and Yakunin have all been exiled or imprisoned for their outspoken views

Russia The Land The People Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Russia The Land The People PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Russia The Land The People PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who

make these resources available. In conclusion, the availability of Russia The Land The People free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
