I tried to include the presumably better translations directly from Russian/Polish. Those also happen to have the uglier covers.

Russian And Polish Womens Fiction:

Russian and Polish Women's Fiction Helena Goscilo, 1985-01-01 **Another canon : the Polish nineteenth-century novel in world context** Grażyna Borkowska, Lidia Wiśniewska, 2020-01-01 Polish contemporary literature is not a closed book to European and world readers Those not involved professionally in the production or study of literature may well have heard of Stanisław Lem Witold Gombrowicz Czesław Miłosz Wisława Szymborska or the recipient of the Nobel Prize in Literature for 2018 Olga Tokarczuk The situation is different with Polish literature of earlier periods including the eighteenth and nineteenth century novel The works of Ignacy Krasicki Michał Czajkowski Józef Ignacy Kraszewski Eliza Orzeszkowa Maria Komornicka Stefan Jeromski and Bolesław Prus the exception perhaps is Henryk Sienkiewicz whose novels were translated into many languages did not enter European circulation on any large scale and have rarely been included in comparative studies Our book attempts to change this perspective and poses the question as to whether another expanded and more inclusive literary canon is possible Grażyna Borkowska is a professor at the Institute of Literary Research at the Polish Academy of Sciences a corresponding member of the Polish Academy of Sciences and the president of the Adam Mickiewicz Literary Association Lidia Wiśniewska is a professor and the Director of the Chair for General and Comparative Literature at the Kazimierz Wielki University in Bydgoszcz and vice president of the Adam Mickiewicz Literary Society Association *Russia's Women* Barbara Evans Clements, Barbara Alpern Engel, Christine D. Worobec, 2023-09-01 By ignoring gender issues historians have failed to understand how efforts to control women and women's reactions to these efforts have shaped political and social institutions and thus influenced the course of Russian and Soviet history These original essays challenge a host of traditional assumptions by integrating women into the Russian past Using recent advances in the study of gender the family class and the status of women the authors examine various roles of Russian women and offer a broad overview of a vibrant and growing field By ignoring gender issues historians have failed to understand how efforts to control women and women's reactions to these efforts have shaped political and social institutions and thus influenced the course of Russian and Soviet history These original *Dystopian Fiction East and West* Erika Gottlieb, 2001 Erika Gottlieb explores a selection of about thirty works in the dystopian genre from East and Central Europe between 1920 and 1991 in the USSR and between 1948 and 1989 in Poland Hungary and Czechoslovakia **A History of Women's Writing in Russia** Adele Marie Barker, Jehanne M. Gheith, 2002-07-11 A History of Women's Writing in Russia offers a comprehensive account of the lives and works of Russia's women writers Based on original and archival research this volume forces a re-examination of many of the traditionally held assumptions about Russian literature and women's role in the tradition In setting about the process of reintegrating women writers into the history of Russian literature contributors have addressed the often surprising contexts within which women's writing has been produced Chapters reveal a flourishing literary tradition where none was thought to exist They redraw the map defining Russia's literary periods they look at how

Russia's women writers articulated their own experience and they reassess their relationship to the dominant male tradition. The volume is supported by extensive reference features including a bibliography and guide to writers and their works.

Women and Gender in Central and Eastern Europe, Russia, and Eurasia Mary Fleming Zirin, 2007. This text documents the economic development of East Asian countries in order to highlight the beneficial techniques used to increase growth. Socialist and capitalist structures are discussed completely with an analysis of the future extent of interaction between East Asian countries.

Antonina Evgeniya Tur, 2020-08-14. Patterned on the novels of the Brontë sisters, Antonina is a poignant account of a young Russian whose life is shaped by the cruel neglect of her step-parents, the financial ruin of her father and husband, and the centerpiece of the novel, her failed love affair with a sensitive but weak young man.

Engendering Slavic Literatures Pamela Chester, Sibela Elizabeth S. Forrester, 1996. Engendering Slavic Literatures breaks new ground in its investigation of gender and feminist issues in Croatian, Polish, Russian, Serbian, and Ukrainian literary texts by both female and male writers. Drawing on psychoanalytic approaches, film theory, and lesbian and gender theory, the authors interrogate the received notions of Western gender studies to see which can be usefully applied to nineteenth and twentieth-century Slavic literary works. Motherhood and the relationships of mothers and daughters, the myths of selfhood that shape the autobiographies of Nadezhda Mandelstam, Marina Tsvetaeva, Lidia Ginzburg, and Lev Tolstoy, Polish Catholicism and sexuality, portrayals of landscape in verbal and visual art, and women writers' transgressive ventures into male bastions such as the love lyric and prose fiction are among the themes of this important and innovative volume.

Women's Voices and Feminism in Polish Cultural Memory Urszula Chowaniec, Ursula Phillips, 2013-02-22. Every time a so-called woman's voice appears in the media in connection with any sphere of creative activity, it finds itself confronted by the almost formulaic expression, "feminism today," instantaneously suggesting that feminism is in fact a matter of the past and that if we want to return to this phenomenon, then we need to explain ourselves. *Women's Voices and Feminism in Polish Cultural Memory* seeks to elaborate the problem of generalization expressed by such formulas as "feminism today" while analysing how feminist sympathies have shaped Polish literature, film, and language. This volume does not want to impose any hegemonic understanding of feminism or imply any a priori ideological assumptions about women's nature or role in society. It seeks to identify what is particular to the Polish feminist experience. It starts by asking such questions as "what is feminism today?" or "what can we learn from the history of Polish women's writing?" In answering these questions, the women scholars who have contributed to the volume examine Polish cultural history and memory in the context of the transformations, transitions, and catastrophes of the last two centuries, whilst firmly rooting Polish experience within the common European heritage.

Petrified Utopia Marina Balina, Evgenii Aleksandrovich Dobrenko, 2011. Taken together, these essays redefine the preconceived notion of Soviet happiness as the product of official ideology imposed from above and expressed predominantly through collective experience, and provide evidence that the formation of the concept of individual happiness was not

contained by the limitations of important state projects controlled by state policies and aimed toward the creation of a new society *New Directions in Soviet Literature* Sheelagh Duffin Graham,1992-12-13 This is a selection of papers on Russian literature of the Soviet period presented at the IVth World Congress for Soviet and East European Studies in 1990 The ten articles range from the experimental prose and drama of the 1920s to studies of work by younger writers of the 1980s The articles include analyses of works by individual writers and examinations of general phenomena for example village prose or the way Stalin is presented in literature of the glasnost era **The Routledge World Companion to Polish Literature** Tomasz Bilczewski,Stanley Bill,Magdalena Popiel,2021-09-30 The Routledge World Companion to Polish Literature offers an introduction to Polish literature through thirty three case studies covering works from the Middle Ages up to the present day Each chapter draws on a text or body of work examining its historical context as well as its international reception and position within world literature The book presents a dual perspective on Polish literature combining original readings of key texts with discussions of their two way connections with other literatures across the globe With a detailed introduction offering a narrative overview the book is divided into six sections offering a chronological pathway through the material Contributors from around the world examine the various cultural exchanges at play with each chapter including Definitions of key terms and brief overviews of historical and political events literary eras trends movements groups and institutions for those new to the area Analysis and notes on translations including their hidden dimensions and potential Textual focus on poetics such as strategies of composition style and genre A range of historical sociological political and economic contexts From medieval song through to the contemporary novel this book offers an interpretive history of Polish literature while also positioning its significance within world literature The detailed introductions make it accessible to beginners in the area while the original analysis and focused case studies will also be of interest to researchers **Love for Sale** Colleen Lucey,2021-09-15 Love for Sale is the first study to examine the ubiquity of commercial sex in Russian literary and artistic production from the nineteenth century through the fin de si cle Colleen Lucey offers a compelling account of how the figure of the sex worker captivated the public s imagination through depictions in fiction and fine art bringing to light how imperial Russians grappled with the issue of sexual commerce Studying a wide range of media from little known engravings that circulated in newspapers to works of canonical fiction Lucey shows how writers and artists used the topic of prostitution both to comment on women s shifting social roles at the end of tsarist rule and to express anxieties about the incursion of capitalist transactions in relations of the heart Each of the book s chapters focus on a type of commercial sex looking at how the street walker brothel worker demimondaine kept woman impoverished bride and madam traded in sex as a means to acquire capital Lucey argues that prostitution became a focal point for imperial Russians because it signaled both the promises of modernity and the anxieties associated with Westernization Love for Sale integrates historical analysis literary criticism and feminist theory and conveys how nineteenth century beliefs about the fallen woman drew from medical judicial

and religious discourse on female sexuality Lucey invites readers to draw a connection between rhetoric of the nineteenth century and today's debate on sex workers rights highlighting recent controversies concerning Russian sex workers to show how imperial discourse is recycled in the twenty first century A History of Central European Women's Writing C.
