Russian Duet 1st Edition Signed:

Nikolay Andreevich Rimsky-Korsakov Gerald Seaman, 2014-12-17 Nikolay Andreevich Rimsky Korsakov A Research and Information Guide Second Edition is an annotated bibliography of all substantial relevant published resources relating to the Russian composer First published in 1988 this revised and expanded volume incorporates new information about the composer appearing over the last two decades including literary publications articles and reviews Other sections provide a brief biographical sketch selective discography chronology and list of Rimsky Korsakov s works *Orchestral Masterpieces Under the Microscope* Jonathan Del Mar, 2023 A must have for any conductor conducting student and orchestral librarian How does a conductor know whether the score they use is what the composer wrote How do orchestral players know that their parts are reliable and reflect the latest scholarship As Jonathan Del Mar reminds us in this ground breaking book editions of the orchestral repertoire are beset by textual problems simple misprints mistakes in the score or player s part or hopelessly outdated scores at odds with current scholarship Driven by a fundamental respect for what the composer actually wrote Jonathan Del Mar addresses these problems through textual reports on over 100 orchestral masterpieces of classical music Each report is introduced with essential guidance and succinct commentary on the first performance and publication of the work Critical editions are compared with commonly used editions and in those cases where no Urtext Edition exists this much needed reference work functions as a replacement for an Urtext Edition *Orchestral Masterpieces under the Microscope* will be an indispensable reference tool for all who care about performances honouring the correct text that composers have left us It serves as an essential survival guide for conductors and musicians to make informed choices and it offers much needed clarity on the latest scholarship for musicologists and music librarians alike *Book Prices* Edward N. Zempel, Linda A. Verkler, 1993 **The Authentic Magic Flute Libretto** Michael Freyhan, 2009-10-26 Shortly after Wolfgang Amadeus Mozart s death his widow Constanze sent a manuscript copy of one of his most beloved operas *Die Zauberflöte* to the court of the Elector of Cologne It was eventually published by Nicolaus Simrock in 1814 as the first full score edition However the question still remains as to why this early copy in her possession diverges from Mozart s autograph in so many libretto details *The Authentic Magic Flute Libretto* Mozart s Autograph or the First Full Score Edition investigates the origin and claim to authenticity of the first full score edition of *Die Zauberflöte* drawing attention to the close bond between words and music Michael Freyhan brings the subtlety of the first edition word setting to the attention of scholars musicians and opera lovers setting out the evidence for its authenticity and detailing the quest pursued in 15 countries for the earliest possible historical sources Freyhan examines the differences between the first edition and the autograph discussing the quality of the word setting supported by 32 musical examples and evaluating the relationship of the two texts in terms of language and literature The following chapters discuss the early history of the autograph focusing on four alleged owners its market value and the misleading catalogue numbering systems seen on the first page Details of the

performance and publication history of the first edition text are followed by a new perspective on the disputed authorship of the libretto in light of the possible existence of two authentic texts A concluding chapter discusses Mozart s sketches and working methods while an appendix traces the character and career of Karl Ludwig Giesecke one of the writers who claimed ownership of the opera s libretto The book also includes several photos and the complete first edition libretto in German and with literal English translation providing a side by side text comparison with the autograph text *Musical Opinion and Music Trade Review* ,1917 [Russia and the Commonwealth of Independent States](#) Zbigniew K Brzezinski,2016-09-16 This work brings together major accords and protocols that form the institutional framework of the Commonwealth of Independent States CIS a selection of policy statements by the leaders of CIS countries a chronological record of political economic and military security developments and major crises in CIS hot spots and statistics and country profiles [Music News](#) ,1918 **Pëtr Il'ich Tchaikovsky** Gerald R. Seaman,2019-08-23 P tr Il ich Tchaikovsky A Research and Information Guide is an annotated bibliography of substantial relevant published resources relating to the Russian composer Generally regarded as one of the most remarkable composers of the second half of the nineteenth century Tchaikovsky is unique in that he was the first outstanding Russian composer to receive a professional musical education being one of the first students to graduate from the newly opened St Petersburg Conservatory Composer of six symphonies concertos orchestral works eight major operas three ballets and many chamber keyboard and vocal works he also composed important sacred music which is currently being reassessed by contemporary Russian musicologists who are able to examine materials previously restricted or inaccessible during the Soviet period Like his colleagues in St Petersburg Tchaikovsky was deeply interested in Russian folk song which plays an important part in his works This volume evaluates the major studies written about the composer incorporating new information that has appeared in literary publications articles and reviews **The Harmonicon** ,1825 **Publishers' Circular and Booksellers' Record of British and Foreign Literature** ,1917 [The Monthly Musical Record](#) ,1875 [Fluid Russia](#) Vera Michlin-Shapir,2021-12-15 Fluid Russia offers a new framework for understanding Russian national identity by focusing on the impact of globalization on its formation something which has been largely overlooked This approach sheds new light on the Russian case revealing a dynamic Russian identity that is developing along the lines of other countries exposed to globalization Vera Michlin Shapir shows how along with the freedoms afforded when Russia joined the globalizing world in the 1990s came globalization s disruptions Michlin Shapir describes Putin s rise to power and his project to reaffirm a stronger identity not as a uniquely Russian diversion from liberal democracy but as part of a broader phenomenon of challenges to globalization She underlines the limits of Putin s regime to shape Russian politics and society which is still very much impacted by global trends As well Michlin Shapir questions a prevalent approach in Russia studies that views Russia s experience with national identity as abnormal or defective either being too weak or too aggressive What is offered is a novel explanation for the so called Russian identity crisis As the liberal postwar order faces

growing challenges Russia's experience can be an instructive example of how these processes unfold This study ties Russia's authoritarian politics and nationalist rallying to the shortcomings of globalization and neoliberal economics potentially making Russia patient zero of the anti globalist populist wave and rise of neo authoritarian regimes In this way Fluid Russia contributes to the broader understanding of national identity in the current age and the complexities of identity formation in the global world

Antiquarian Bookman, 1963

Strictly Strings, Book 1 Jacquelyn Dillon, James Kjelland, John O'Reilly, An easy to teach straight forward string method from three renowned pedagogues A unique letter note style of music notation is utilized which ensures a smooth transition from rote to note reading Students are quickly introduced to ensemble playing and play a wide variety of fun to play melodies keys and modes Strictly Strings features a carefully prepared lesson sequence which develops all players abilities equally

Franz Liszt's Music Manuscripts in the National Széchényi Library, Budapest Mária Eckhardt (musicologue), Országos Széchényi Könyvtár, 1986 The Music Division of the National Széchényi Library Budapest houses 78 music manuscripts and scores with all or part of each penned in the hand of Franz Liszt one of Hungary's most prominent native sons The library is the primary Hungarian public collection of Liszt's works and is among the world's most comprehensive This book details the collection classifying the works as i Liszt's compositions autograph manuscripts manuscript copies proof sheets or printed copies with additions and corrections in Liszt's hand 62 items ii Liszt's compositions printed or manuscript copies with autograph dedications 10 items and iii Liszt's corrections and manuscript notes in and to works by other composers 6 items Seventy three music examples and 20 facsimile illustrations are also included While other catalogues have been devoted to these Liszt compositions this is the first to take full and accurate account of the collection to date Thorough philological data of the documents and descriptions and evaluations among the sources of the given composition are supplied Maria Eckhardt's insightful additions concerning performance history and Liszt's relationships with dedicatees and fellow composers based upon her previously published research provide an enriched understanding of the compositions and their creator
