

# The Russian Revolution

Edited by Martin Miller

# Russian Revolution The Essential Readings

**Elliot King, Jane Chapman**

## **Russian Revolution The Essential Readings:**

**The Russian Revolution** Martin A. Miller, 2001-01-09 This indispensable volume comprises the work of nine of the most prominent scholars of the Russian Revolution with introductions by the editor that help students contextualize and understand each piece

**Readings on the Russian Revolution** Melissa K. Stockdale, 2020-09-03 Readings on the Russian Revolution brings together 15 important post Cold War writings on the history of the Russian Revolution It is structured in such a way as to highlight key debates in the field and contrasting methodological approaches to the Revolution in order to help readers better understand the issues and interpretative fault lines that exist in this contested area of history The book opens with an original introduction which provides essential background and vital context for the pieces that follow The volume is then structured around four parts Actors Language Symbols War Revolution and the State Revolutionary Dreams and Identities and Outcomes and Impacts that explore the beginnings events and outcomes of the Russian Revolution as well as examinations of central figures critical topics and major historiographical battlegrounds Melissa Stockdale also provides translations of two crucial Russian language works published here in English for the first time and includes useful pedagogical features such as a glossary chronology and thematic bibliography to further aid study Readings on the Russian Revolution is an essential collection for anyone studying the Russian Revolution

**Centenary of the Russian Revolution (1917-2017)** Andreu Mayayo i Artal, Antoni Segura i Mas, 2019-01-08 This collection of essays provides an historical plural and original analysis of the Russian Revolution to mark its first centenary It focuses on both regional aspects such as the impact of the Revolution in Spain and Latin America and major events ideas and phenomena including the importance of World War I the birth of the Communist International and the definition of revolution and counterrevolution The book will mainly appeal to academic audiences as well as non specialized readers interested in the major issues of the contemporary world It offers new insights into an event that contributed to the shaping of the twentieth century and that is still

fundamental to understanding the world of today

**Leaflets of the Russian Revolution** , 2018-11-27 When workers and peasants rose up across Russia and smashed the centuries old Tsarist autocracy their actions reverberated across the world and continue to inspire activists to this day This carefully assembled and expertly translated collection of documents from the Petrograd socialist movement in 1917 provides contemporary readers with a firsthand glimpse into the revolutionary ferment as it unfolds In Leaflets of the Russian Revolution Barbara Allen selects and introduces the pamphlets and other agitational material that give life to the debates disagreements and perspectives that animated the masses during the revolution

*The Anatomy of Revolution Revisited* Bailey Stone, 2014 This study aims to update a classic of comparative revolutionary analysis Crane Brinton s 1938 study *The Anatomy of Revolution* It invokes the latest research and theoretical writing in history political science and political sociology to compare and contrast in their successive phases the English Revolution of 1640 60 the French Revolution of 1789 99 and the Russian Revolution of 1917 29 This book intends to do what no other comparative

analysis of revolutionary change has yet adequately done. It not only progresses beyond Marxian socioeconomic class analysis and early revisionist stresses on short term accidental factors involved in revolutionary causation and process, it also finds ways to reconcile state centered structuralist accounts of the three major European revolutions with postmodernist explanations of those upheavals that play up the centrality of human agency, revolutionary discourse, mentalities, ideology and political culture.

**Stalinism** John L. H. Keep, Alter L. Litvin, 2004-12-15 Stalinism surveys the efforts made in recent years by professional historians in Russia and the West to better understand what really went on in the USSR between 1929 and 1953 when the country's affairs were shrouded in secrecy. The opening of the Soviet archives in 1991 has led to a profusion of historical studies whose strengths and weaknesses are assessed here impartially though not uncritically. While Joseph Stalin now emerges as a less omnipotent figure than he seemed to be at the time, most serious writers accept that the system over which he ruled was despotic and totalitarian. Some nostalgic nationalists in Russia along with some Western post modernists disagree. Their arguments are carefully dissected here. Stalinism was of course much more than state sponsored terror and so due attention is paid to a wide range of socio economic and cultural problems. Keep and Litvin applaud the efforts of Soviet citizens to express dissenting views.

**The Russian Revolution in Retreat, 1920-24**, **The Standard of Living and Revolutions in Imperial Russia, 1700-1917** Boris Mironov, 2012-05-31 This is the first full scale anthropometric history of Imperial Russia 1700-1917. It mobilizes an immense volume of archival material to chart the growth weight and other anthropometric indicators of the male and female populations in order to chart how the standard of living in Russia changed over slightly more than two centuries. It draws on a wide range of data statistics on agricultural production, taxation, prices and wages, nutrition and demography to draw conclusions on the dynamics in the standard of living over this long period of time. The economic, social and political interpretation of these findings make it possible to reconsider the prevailing views in the historiography and to offer a new perspective on Imperial Russia.

**Readings on the Russian Revolution** Melissa K. Stockdale, 2020-09-03 Readings on the Russian Revolution brings together 15 important post Cold War writings on the history of the Russian Revolution. It is structured in such a way as to highlight key debates in the field and contrasting methodological approaches to the Revolution in order to help readers better understand the issues and interpretative fault lines that exist in this contested area of history. The book opens with an original introduction which provides essential background and vital context for the pieces that follow. The volume is then structured around four parts: Actors, Language, Symbols, War, Revolution and the State, Revolutionary Dreams and Identities, and Outcomes and Impacts that explore the beginnings, events and outcomes of the Russian Revolution as well as examinations of central figures, critical topics and major historiographical battlegrounds. Melissa Stockdale also provides translations of two crucial Russian language works published here in English for the first time and includes useful pedagogical features such as a glossary, chronology and thematic bibliography to further aid study. Readings on the Russian Revolution is an essential collection for

anyone studying the Russian Revolution      **The Russian Revolution and Civil War 1917-1921** Jonathan Smele, 2006-04-15 The Russian Revolution and Civil War in the years 1917 to 1921 is one of the most widely studied periods in history It is also somewhat inevitably one that has generated a huge flow of literature in the decades that have passed since the events themselves However until now historians of the revolution have had no dedicated bibliography of the period and little claim to bibliographical control over the literature The Russian Revolution and Civil War 1917 1921 offers for the first time a comprehensive bibliographical guide to this crucial and fascinating period of history The Bibliography focuses on the key years of 1917 to 1921 starting with the February Revolution of 1917 and concluding with the 10th Party Congress of March 1921 and covers all the key events of the intervening years As such it identifies these crucial years as something more than simply the creation of a communist state      *The Bolsheviks and the Russian Empire* Liliana Riga, 2012-11-12 This book offers a new interpretation of the Russian Revolution finding that nearly two thirds of the Bolsheviks were ethnic minorities

*Out of Ashes* Konrad H. Jarausch, 2016-08-30 A sweeping history of twentieth century Europe that examines its unprecedented destruction and abiding promise A sweeping history of twentieth century Europe Out of Ashes tells the story of an era of unparalleled violence and barbarity yet also of humanity prosperity and promise Konrad Jarausch describes how the European nations emerged from the nineteenth century with high hopes for continued material progress and proud of their imperial command over the globe only to become embroiled in the bloodshed of World War I which brought an end to their optimism and gave rise to competing democratic communist and fascist ideologies He shows how the 1920s witnessed renewed hope and a flourishing of modernist art and literature but how the decade ended in economic collapse and gave rise to a second more devastating world war and genocide on an unprecedented scale Jarausch further explores how Western Europe surprisingly recovered due to American help and political integration Finally he examines how the Cold War pushed the divided continent to the brink of nuclear annihilation and how the unforeseen triumph of liberal capitalism came to be threatened by Islamic fundamentalism global economic crisis and an uncertain future A gripping narrative Out of Ashes explores the paradox of the European encounter with modernity in the twentieth century shedding new light on why it led to cataclysm inhumanity and self destruction but also social justice democracy and peace      *An Introduction to Russian History* Robert Auty, Dimitri Obolensky, 1976      **The Many Deaths of Tsar Nicholas II** Wendy Slater, 2007-06-26 How did Nicholas II Russia's last Tsar meet his death This book recounts the horrific details of his death and the thrilling discovery of the bones and also investigates the alternative narratives that have grown up around these events      **Building Power to Change the World** James Muldoon, 2020-11-18 The German council movements arose through mass strikes and soldier mutinies towards the end of the First World War They brought down the German monarchy founded several short lived council republics and dramatically transformed European politics Building Power to Change the World reconstructs how participants in the German council movements struggled for a democratic socialist society It examines their attempts to democratize politics the

economy and society through building powerful worker led organisations and cultivating workers political agency Drawing from the practices of the council movements and the writings of theorists such as Rosa Luxemburg Anton Pannekoek and Karl Kautsky *Building Power to Change the World* returns to their radical vision of a self determining society and their political program of democratization and socialization It presents a powerful argument for renewed attention to the political theories of this historical period and for their ongoing relevance for democratic politics today *Art, Intellect and Politics* Giusy Maria Ausilia Margagliotta, Andrea Aldo Robiglio, 2012-11-30 The volume explores the relationship of artists and intellectuals from ancient Greece to modern times Special attention is paid to Plato Augustan poets including the reception Soviet art Mayakowsky and Jewish intellectuals Non European contexts China Turkey are treated as well *Leon Trotsky* Leon Trotsky, 2012-02-13 Leon Trotsky was a key political figure of the twentieth century a leader of the Russian Revolution founder of the Red Army author of books on literature history morality and politics *Leon Trotsky Writings in Exile* contains some of his most insightful and penetrating works Thrown out of Russia by Stalin Trotsky settled in Mexico and turned to the only weapon he had left words In these writings he defends the 1917 Bolshevik revolution warns prophetically of fascism and analyses anti colonial movements in the global south This collection gives a sense of the real Trotsky passionate humanist Marxist *Key Readings in Journalism* Elliot King, Jane Chapman, 2012-11-12 *Key Readings in Journalism* brings together over thirty essential writings that every student of journalism should know Designed as a primary text for undergraduate students each reading was carefully chosen in response to extensive surveys from educators reflecting on the needs of today s journalism classroom Readings range from critical and historical studies of journalism such as Walter Lippmann s *Public Opinion* and Michael Schudson s *Discovering the News* to examples of classic reporting such as Carl Bernstein and Bob Woodward s *All the President s Men* They are supplemented by additional readings to broaden the volume s scope in every dimension including gender race and nationality The volume is arranged thematically to enable students to think deeply and broadly about journalism its development its practice its key individuals and institutions its social impact and its future and section introductions and headnotes precede each reading to provide context and key points for discussion *Rethinking Revolutionary Change in Europe* Bailey Stone, 2020-02-17 Reconsidering the English French and Russian Revolutions this book offers an important new approach to the theoretical and comparative study of revolutions Bailey Stone proposes an innovative neostructuralist integration of competing structuralist and postmodernist theory Providing a balanced and nuanced critique of both sides he presents new ways of understanding radical change in the European polities that created the concept and the dramatic realities of modern revolution He focuses on the central issues of modernizers versus traditionalists old regime bourgeoisies regicides terror and state legitimacy By reconciling political and cultural theories of revolutionary causation and process Stone s synthesis marks a critical advance in our understanding of revolution

Boundaries of Utopia - Imagining Communism from Plato to Stalin Erik van Ree, 2015-05-22 The idea that socialism could

be established in a single country was adopted as an official doctrine by the Soviet Union in 1925 Stalin and Bukharin being the main formulators of the policy Before this there had been much debate as to whether the only way to secure socialism would be as a result of socialist revolution on a much broader scale across all Europe or wider still This book traces the development of ideas about communist utopia from Plato onwards paying particular attention to debates about universalist ideology versus the possibility for socialism in one country The book argues that although the prevailing view is that socialism in one country was a sharp break from a long tradition that tended to view socialism as only possible if universal in fact the territorially confined socialist project had long roots including in the writings of Marx and Engels

## **Russian Revolution The Essential Readings Introduction**

Russian Revolution The Essential Readings Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Russian Revolution The Essential Readings Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Russian Revolution The Essential Readings : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Russian Revolution The Essential Readings : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Russian Revolution The Essential Readings Offers a diverse range of free eBooks across various genres. Russian Revolution The Essential Readings Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Russian Revolution The Essential Readings Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Russian Revolution The Essential Readings, especially related to Russian Revolution The Essential Readings, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Russian Revolution The Essential Readings, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Russian Revolution The Essential Readings books or magazines might include. Look for these in online stores or libraries. Remember that while Russian Revolution The Essential Readings, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Russian Revolution The Essential Readings eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Russian Revolution The Essential Readings full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Russian Revolution The Essential Readings eBooks, including some popular titles.

## **FAQs About Russian Revolution The Essential Readings Books**

**What is a Russian Revolution The Essential Readings PDF?** A PDF (Portable Document Format) is a file format

developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Russian Revolution The Essential Readings PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Russian Revolution The Essential Readings PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Russian Revolution The Essential Readings PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Russian Revolution The Essential Readings PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
