## Russian Studies:

*Russian/Soviet Studies in the United States, Amerikanistika in Russia* Ivan Kurilla, Victoria I. Zhuravleva, 2015-12-09 The contributors in this interdisciplinary collection address the problem of interconnection between the study of the Other either Russian or American and the shaping of national identities in the two countries at different stages of US Russian relations The focus of research interests were typically determined by the political and social debates in scholars native countries In this book leading Russian and American scholars analyze the problems arising from these intersections of academic political and sociocultural contexts and the implicit biases they entail The book is divided into two parts the first being a historical overview of past configurations of the interrelationship between fields and agendas and the second covering the role of institutionalized area studies in the twentieth and early twenty first centuries In both parts the role of the human factor in the study of mutual representations is elucidating Russian Studies, Political Science, and the Philosophy of Technology Guoli Liu, Joanna Drzewieniecki, 2022-04-18 This volume presents state of the art creative scholarship in political science and area studies with an emphasis on Russia The contributors all well known in their specialties share the conviction that advancement in the social sciences can only be achieved through plural methodological approaches and interaction with various disciplines Their work in this collection provides critical analyses of key issues in Russian and post Soviet studies It explores the most fruitful ways of studying Russia with particular emphasis on the federal system politics in the era of Putin challenges of Russian foreign policy and Russian attitudes toward democracy The vagaries of democracy are also explored in articles on Georgia and Turkey Additionally this book examines the philosophy of technology with an emphasis on critical theory eco domination and engineering ethics **Transnational Russian Studies** Andy Byford, Connor Doak, Stephen C. Hutchings, 2020 The book shows that nationalist topoi inevitably have anti transnational implications Vlad Strukov and Lara Ryazanova Clarke look at Russian media ecology from the outside from Latvia and the United Kingdom media ecology Strukov s contribution conversely elaborates the Russo national centrality of the international media outlet of the Riga news portal Meduza which he calls transnational Russo centrism Dirk Uffelman Zeitschrift f r Slavische Philologie **Russian Studies and Comparative Politics** Frederic J. Fleron Jr., 2016-12-27 This book brings together several of the author s empirical studies that demonstrate the strength and utility of sociologist Robert Merton s classic middle range theory for understanding aspects of both Soviet and post Soviet Russian politics Some of those studies demonstrate that testing middle range social science theory could take place even in the Soviet era when there were significant limitations of access to empirical data and meaningful field research in the USSR was all but impossible In the introductory chapter the author explains the need for and advantages of studying Russian and Soviet politics from the perspective of middle range social science theory Then follow three chapters analyzing methodological issues in Soviet post Soviet studies The author presents his six empirical studies employing middle range social science theories to explore in Russia USSR dimensions of

organizations ideology and decisionmaking technology transfer and cultural diffusion political culture public opinion and democratization and congruence of authority patterns in state society relations The book concludes with a chapter arguing the advantages of thinking theoretically about Russian and Soviet politics with the establishment of a new epistemic community organized around studies employing middle range theory This book presents examples of solutions to long standing debates between area studies and the academic disciplines and between idiographic and nomothetic approaches to knowledge in the social sciences In contrast to the tradition of Carnivals and Cockfights in Russian Soviet area studies since the mid 20th Century the book offers a new way of approaching the study of Russian politics for the 21st Century

**Russian Studies of Japan** E Stuart Kirby, 1981-05-21      **Diversity and Decolonization in Teaching Russian Studies** Thomas Jesús Garza, Rachel Stauffer, 2025-08-16 This edited volume is the first to address diversity and decolonization in teaching Russian language literature and culture For multicultural scholars and classrooms in both K 12 and higher education the editors aim to expand representations of Russian speaker identities and Russian speaking communities outside of Russia as well as the culturally and linguistically diverse identities of students and scholars specializing in Russian within the US Contributions provide concrete examples and philosophical approaches to present alternative ways to transform content and instruction in Russian Studies      **Progress, Challenges, and Opportunities for Converting U.S. and Russian Research Reactors** Russian Academy of Sciences, Russian Committee on Progress, Challenges, and Opportunities for Converting U.S. and Russian Research Reactors from Highly Enriched to Low Enriched Uranium Fuel, National Research Council, Division on Earth and Life Studies, Nuclear and Radiation Studies Board, U.S. Committee on Progress, Challenges, and Opportunities for Converting U.S. and Russian Research Reactors from Highly Enriched to Low Enriched Uranium Fuel, 2012-03-24 Highly enriched uranium HEU is used for two major civilian purposes as fuel for research reactors and as targets for medical isotope production This material can be dangerous in the wrong hands Stolen or diverted HEU can be used in conjunction with some knowledge of physics to build nuclear explosive devices Thus the continued civilian use of HEU is of concern particularly because this material may not be uniformly well protected To address these concerns the National Research Council NRC of the U S National Academies and the Russian Academy of Sciences RAS held a joint symposium on June 8 10 2011 Progress Challenges and Opportunities for Converting U S and Russian Research Reactors summarizes the proceedings of this joint symposium This report addresses 1 recent progress on conversion of research reactors with a focus on U S and R F origin reactors 2 lessons learned for overcoming conversion challenges increasing the effectiveness of research reactor use and enabling new reactor missions 3 future research reactor conversion plans challenges and opportunities and 4 actions that could be taken by U S and Russian organizations to promote conversion The agenda for the symposium is provided in Appendix A biographical sketches of the committee members are provided in Appendix B and the report concludes with the statement of task in Appendix C      **Russian Performances** Julie

Buckler, Julie Cassiday, Boris Wolfson, 2018-09-18 Throughout its modern history Russia has seen a succession of highly performative social acts that play out prominently in the public sphere This innovative volume brings the fields of performance studies and Russian studies into dialog for the first time and shows that performance is a vital means for understanding Russia's culture from the reign of Peter the Great to the era of Putin These twenty seven essays encompass a diverse range of topics from dance and classical music to live poetry and from viral video to public jubilees and political protest As a whole they comprise an integrated compelling intervention in Russian studies Challenging the primacy of the written word in this field the volume fosters a larger intellectual community informed by theories and practices of performance from anthropology art history dance studies film studies cultural and social history literary studies musicology political science theater studies and sociology

**Russian Modernization** Markku Kivinen, Brendan G.

Humphreys, 2020-11-29 Building on an original interpretation of social theory and an interdisciplinary approach this book creates a new paradigm in the Russian studies Taking a fresh view of Russia's multiple experiences of modernization it seeks to explain the Putin era in a completely new way This book explores the paradoxical and contradictory aspects of Russia analyzing the energy dependent economy and hybrid political regime but also religion welfare and culture and their often complex interrelations Written by a community of both Western and Russian scholars this book reaffirms the value of social science when confronting a society that has undergone enormous and costly systematic changes The Russian elites see modernization narrowly as economic and technological competitiveness The contributors to this volume see contemporary Russia facing a series of antinomies which are macro level dilemmas that cannot be abolished either by philosophical mediation or by immediate political decisions As such they are the tension fields that constitute choices for various competing agencies This book will be of interest to scholars and students of Russian studies transition studies sociology social policy political science energy policy cultural studies and stratification studies Professionals involved in energy ecology and security policy will also find this publication a rich source

## **Russian Studies Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Russian Studies has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Russian Studies has opened up a world of possibilities. Downloading Russian Studies provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This

convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Russian Studies has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Russian Studies. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Russian Studies. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Russian Studies, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Russian Studies has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
