Stacy, 1974-04-01 Russian Literary Criticism is a survey of the various ways in which representative Russian critics from the eighteenth century to the twentieth century have viewed not only the literary works of other Russian and non Russian writers but also the problems of literature in general Primarily intended for readers who do not know Russian this book discusses the major Russian critics and critical movements The author provides sufficient historical and political background to enable the reader to understand both the literary situation and the problems facing Russian critics at any given time whether the influx of various ideologies official Soviet views or dissident opinion form the Decembrists to Solzhenitsyn The New Leader, 1991 *Transitions from Communism in Russia and Eastern Europe* Constantine C. Menges, 1994 The unraveling of communist regimes in Europe since 1989 raised hopes for a brighter future of freedom and peace in those countries and around the world This work combines in depth analysis of individual countries with essays offering the perspectives of participants in the transitions It conceptualizes and provides an overview of four different patterns of political development which have followed the end of communist rule The studies provide new insights into the ongoing struggles among three competing political currents those seeking democracy and market oriented economies former elements of the communist power structure including some in the communist party the upper echelons of government and economic managers the secret police and the military who seek to retain or expand their power and ultranationalist or ethnic extremists advocating the dominance of their particular group Countries covered are Russia Poland Hungary Czech and Slovak Federative Republic Romania Bulgaria Yugoslavia and Albania Contributors Jozsef Antall Vadim Bakatin Thomas G Baker Eniko Bollobas Peter A Clark Emil Constantinescu Miles Costich Petre Daculescu Carl Gershman Frone Golem Alexander Henderson Robert Hutchings Oleg Kalugin Phyllis Kaminsky Rita Klimova Andrei Kolosovskiy Maciej Kozlowski Eugenio Lari Constantine C Menges Mihajlo Mihajlov Thomas Niles Ernest Petric John Robson James M Sheehan Viktor Sheinis John Sullivan Pal Tar Gyorgy Tokay Dorin Tudoran Vernon A Walters Sharon Wolchik and Irena Zikova Co published with the Program on Transitions to Democracy Art and Protest in Putin's Russia Lena Jonson, 2015-02-20 The Pussy Riot protest and the subsequent heavy handed treatment of the protestors grabbed the headlines but this was not an isolated instance of art being noticeably critical of the regime As this book based on extensive original research shows there has been gradually emerging over recent decades a significant counter culture in the art world which satirises and ridicules the regime and the values it represents at the same time putting forward through art alternative values The book traces the development of art and protest in recent decades discusses how art of this kind engages in political and social protest and provides many illustrations as examples of art as protest The book concludes by discussing how important art has been in facilitating new social values and in prompting political protests Historiography of Imperial Russia: The Profession and Writing of History in a Multinational State Thomas Sanders, 2015-02-12 This collection of

Rutten, 2010-03-08 Throughout the twentieth century and continuing today personifications of Russia as a bride occur in a wide range of Russian texts and visual representations from literature and political and philosophical treatises to cartoons and tattoos Invariably this metaphor functions in the context of a political gender allegory which represents the relationships between Russia the intelligentsia and the Russian state as a competition of two male suitors for the former's love In *Unattainable Bride Russia* Ellen Rutten focuses on the metaphorical role the intelligentsia plays as Russia's rejected or ineffectual suitor Rutten finds that this metaphor which she covers from its prehistory in folklore to present day pop culture references to Vladimir Putin is still powerful but has generated scarce scholarly consideration *Unattainable Bride Russia* locates the cultural thread and places the political metaphor in a broad contemporary and social context thus paying it the attention to which it is entitled as one of Russia's modern cultural myths **Textological Aspects of Musicology in**
