

# Russian Intelligentsia

**Yuri Glazov**

## **Russian Intelligentsia:**

*The Russian Intelligentsia* Richard Pipes,1961 Looks at the condition and prospects of a body of intellectuals known in Russia pre Revolutionary and Soviet as the Intelligentsia Studies the social function and historic role **Dead Again** Masha Gessen,1997-06-17 The author examines the ways in which intellectuals are finding an identity in the new Russia Cover

**The Myth of the Russian Intelligentsia** Inna Kochetkova,2009-12-22 Russia is one of the few countries in the world where intellectuals existed as a social group and shared a unique social identity This book focuses on one of the most important and influential groups of Russian intellectuals the 1960s generation of shestidesyatniki often considered the last embodiment of the classical tradition of the intelligentsia They devoted their lives to defending socialism with a human face authored Perestroika and were subsequently demonised when the reforms failed It investigates how these intellectuals were affected by the transition to the new post Soviet Russia and how they responded to the criticism Unlike other studies on this subject which view the Russian intelligentsia as simply an objectively existing group this book portrays the intelligentsia as a cultural story or myth revealing that the intelligentsia s existence is a function of the intellectuals abilities to construct moral arguments Drawing from extensive original empirical research including life story interviews with the Russian intellectuals it shows how the shestidesyatniki creatively mobilised the myth as they attempted to repair their damaged public image

**The Russian Intelligentsia** Vladimir C. Nahirny,2018-02-22 Vladimir C Nahirny s brilliant study of major issues in Russian social and intellectual history synthesizes historical and sociological perspectives in an analysis of the nineteenth century Russian intelligentsia He clarifies the concept of the intelligentsia itself analyzes findings bearing on the social origins of different generations of intelligentsia and enlarges understanding of conditions that facilitated the emergence of ideological groups among them The Russian Intelligentsia develops a conceptually focused view of this distinct social group arguing that the Russian intelligentsia can best be understood on the basis of orientation to ideas rather than on social or occupational position Rather than simply providing an intellectual history or biographical sketches of major figures Nahirny illuminates these concepts through data creating an immersive context unlike other discussions of these groups This book was and will be of interest to those interested in the problematic and contradictory social political roles of intellectuals during this time

**The Russian Revolutionary Intelligentsia** Philip Pomper,1970 *Doubt, Atheism, and the Nineteenth-Century Russian Intelligentsia* Victoria Frede,2011-09-08 The autocratic rule of both tsar and church in imperial Russia gave rise not only to a revolutionary movement in the nineteenth century but also to a crisis of meaning among members of the intelligentsia Personal faith became the subject of intense scrutiny as individuals debated the existence of God and the immortality of the soul debates reflected in the best known novels of the day Friendships were formed and broken in exchanges over the status of the eternal The salvation of the entire country not just of each individual seemed to depend on the answers to questions about belief Victoria Frede looks at how and why atheism took on such importance

among several generations of Russian intellectuals from the 1820s to the 1860s drawing on meticulous and extensive research of both published and archival documents including letters poetry philosophical tracts police files fiction and literary criticism She argues that young Russians were less concerned about theology and the Bible than they were about the moral political and social status of the individual person They sought to maintain their integrity against the pressures exerted by an autocratic state and rigidly hierarchical society As individuals sought to shape their own destinies and searched for truths that would give meaning to their lives they came to question the legitimacy both of the tsar and of Russia's highest authority God

*The Russian Intelligentsia* Christopher Read, 2024-02-22 The Russian Intelligentsia is the first single volume history of a small but tremendously influential group of Russian intellectuals who achieved world renown in a variety of spheres While previous accounts have addressed the history of individuals within this collective Christopher Read offers the first explanation of the intelligentsia as a group Read traces the vast debates that broke out between and within a multitude of intellectual factions and contextualizes the ideas of the group within the framework of cultural social political and economic development from the late 18th century to the present day This comprehensive yet accessible account demonstrates how the Russian intelligentsia morphed from one incarnation to the next and effectively situates this change and continuity within a pan European context It considers the role of the intelligentsia throughout its origins its transformation during the Russian Revolution and since the collapse of communism and highlights the beliefs of key figures such as Fyodor Dostoyevsky Ivan Pavlov Vladimir Lenin Leon Trotsky and Mikhail Gorbachev In doing so Read provides an essential guide to a fascinating aspect of Russia's social and cultural history

Jan Waclaw Machajski Marshall S. Shatz, 2010-11-23 Jan Waclaw Machajski's 1866-1926 political doctrine known as Makhaevism was a synthesis of several revolutionary theories in Western and Eastern Europe Marxism anarchism and syndicalism His criticism of the intelligentsia and theory of a new class were influential to Communism and helped to create a hostility that culminated in Stalin's Great Purge of the 1930s

*Russian Intelligentsia in the Age of Counterperestroika* Dmitri N. Shalin, 2020-06-09 This book examines the phenomenon of intelligentsia as political discourse civic action and embodied practice focusing especially on the political agendas and personal choices confronting intellectuals in modern Russia Contributors explore the role of the Russian intelligentsia in dismantling the Soviet system and the unanticipated consequences of the resultant changes which threaten the very existence of the intelligentsia as a distinct group Building on the legacy of John Dewey and Jürgen Habermas the authors make the case that the intelligentsia plays a critical role in opening communications widening the range of participants in public discourse and freeing social intercourse from the constraints nondemocratic political arrangements impose on the communication sphere Looking at current trends through a variety of different lenses this book will be of interest to those studying the past present and future of the Russian intelligentsia and its impact not only in Russia but around the world This book was originally published as a special issue of the Russian Journal of Communication **A**

**History of Russian Thought from the Enlightenment to Marxism** Andrzej Walicki,1979 This book covers virtually all the significant Russian thinkers from the age of Catherine the Great Down to the eve of the 1905 Revolution [The Russian Intelligentsia](#) Vladimir C. Nahirny,1983 Nahirny s brilliant study of the major issues in Russian social and intellectual history synthesizes historical and sociological perspectives in the analysis of the Russian intelligentsia of the nineteenth century He clarifies the concept of the intelligentsia itself analyzes findings bearing on the social origins of different generations of intelligentsia and enlarges understanding of conditions that facilitated the emergence of ideological groups among them Rather than simply providing an intellectual history or biographical sketches of major figures Nahirny develops a conceptually focused view of this distinct social group arguing that the Russian intelligentsia can best be understood on the basis of orientation to ideas rather than on social or occupational position [The Russian Intelligentsia](#) Stuart Ramsay Tompkins,1976 *Landmarks* Boris Shragin,2023-04-21 Written from a particular point of view this text still stands as one of the key studies on the thought world of the Russian intelligentsia It will be of interest to students of Russian social and political thought as to those of intellectual history as well [The Cambridge History of Russia: Volume 2, Imperial Russia, 1689-1917](#) Maureen Perrie,D. C. B. Lieven,Ronald Grigor Suny,2006-08-17 A definitive new history of Russia from early Russia to the collapse of the Soviet Union [The Russian Intelligentsia](#) Sibelan Forrester,Olga Partan,2025-04-29 The Russian intelligentsia is the historic phenomenon of an educated opposition and it has provoked a substantial body of Russian and Western publications This book focuses on the intelligentsia s Myth Mission Metamorphosis as discovered in literature journalism and theater The chapters define essential elements of the myth of the intelligentsia as a distinctive social group and a spiritual formation claiming high moral standards and expectations for the self and for society Second contributions explore how the intelligentsia sees its mission on various historical stages as inextricably linked with Russia s and the Soviet Union s cultural destiny especially its literary and other artistic creations Finally the volume addresses the metamorphosis of the intelligentsia over centuries as socio political factors shaped its persistence and its perpetual transformation **The Russian Intelligentsia** Richard Pipes,1991-05 [The Russian Mind Since Stalin's Death](#) Yuri Glazov,2012-12-06 I have been working on this book since leaving Russia in April of 1972 It was my wish to write this book in English and there were what seemed to me to be serious reasons for doing so In recent years there has appeared a wealth of literature in Russian about Russia As a rule this literature has been published outside the USSR by authors who still live in the Soviet Union or who have only recently left it A fair amount of important literature is being translated into English but I believe it will be read mainly by specialists in Russian studies or by those who have a great interest in the subject already The majority of Russian authors write of course for the Russian reader or for an imagined Western public It is my feeling that Russian authors have serious difficulties in understanding the mentality of Westerners and that there still exists a gap between the visions of Russians and non Russians I have made my humble attempt to bridge his gap and I will be happy if I am even partly

successful The Russian world is indeed fascinating Many people who visit Russia for a few days or weeks find it a country full of historical charm fantastic architecture and infinite mystery For many inside the country especial ly for those in conflict with the Soviet authorities

**On the Ideological Front** Stuart Finkel,2008-10-01 On the Ideological Front centres on the 1922 23 expulsion from Soviet Russia of some 100 prominent intellectuals Finkel s account is a scholarly examination of this which sets it in the context of Bolshevik curbs prohibitions and punishment of intellectuals who resisted ideological conformity

**Russia** Geoffrey A. Hosking,1997 Discusses the sixteenth century roots of the lack of a unified Russian identity the division between the gentry and the peasantry and the widening gap in the eighteenth and nineteenth centuries which led to revolution and continues to affect Russia today

Origins of the Russian Intelligentsia Marc Raeff,1958

## **Russian Intelligentsia Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Russian Intelligentsia PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Russian Intelligentsia PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that

the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Russian Intelligentsia free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### **FAQs About Russian Intelligentsia Books**

1. Where can I buy Russian Intelligentsia books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Russian Intelligentsia book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Russian Intelligentsia books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
